*The Complete Book of Phonics* Jolly Phonics

The Jolly Phonics Workbooks are perfect for practising phonics skills. Covering the 42 letter sounds of English, these books provide a wealth of material for children to practise their reading and writing skills. Each sound is presented with a simple story and action, a letter formation guide and a section for writing practice. Engaging exercises and fun activities allow children to apply their phonic knowledge in reading and spelling regular words, as well as some 'tricky' words with irregular spellings. Each of the seven books helps children develop their phonic skills further, moving from simply letter-sound recognition and letter formation early on to moving from simply letter-sound recognition and letter formation early on to reading sentences and writing short phrases in the later books. These refreshed editions are the same as the previous editions in terms of number of pages, pagination and core content, but have been enhanced with: \* Alignment of the core teaching materials (specifically Pupil Book 1 and Step 1 of Jolly Phonics for the Whiteboard) so that they cover the same ground in the first term \* 15% new material, alongside fresh new cover artwork, action icons and some new and updated images \* New dotted font for writing practice, alongside improved letter formation guides and sequencing of activities

The effective and fun-filled way to teach spelling to elementary students The Spelling Teacher's Lesson-a-Day gives teachers 180 engaging and ready-to-use lessons-one for each day of the school year-that boost spelling skills in students grades 3-6. These lessons may be used as "sponge" or "hook" activities (five-minute lessons to start off each school day) or teachers may simply pick and choose activities from within the book for the occasional spelling lesson. Fry teaches spelling patterns by contrasting homophones (like-sounding words) to help students recognize these spelling patterns in more complex words. He also boosts students' spelling skills by demystifying contractions, abbreviations, capitalization, silent letters, suffixes and prefixes, and more. Offers an easy-to-use method for teaching spelling that has been proven to be effective Includes 180 ready-to-use, reproducible lessons-one for each day of the school year A new volume in the new series 5-Minute FUNdamentals This book is designed to be used by classroom teachers, homeschoolers, tutors, and parents.
