GABRIELLE DOWNS

A Novel Simon and Schuster

I'm a reporter, and I've got the best assignment in the world-get dirt on the hottest country star on the charts, Keith Perkins. The sexy beast who rocks those tight jeans like nobody's business. I'm supposed to learn all of his Dirty Laundry, his deepest and darkest secrets. Without sleeping with him. Easy enough, right? Wrong. I mean, just looking at him makes me wonder what those big, rough hands could do to me. With a voice that's one part velvet and one part growl, it's hard for me to sass him when he melts me into a puddle with a single look. And when he sings? All bets are off. He owns the stage . . . and maybe some naughty parts of my body too. But he's notoriously single and notoriously private. Given his status as a walking sex god, neither makes

sense. Something is amiss, and I'm going to figure out exactly what it is. But if I'm not careful, I might just become his dirty little secret. **DIRTY DREAM is a PREQUEL to Dirty Laundry *The City in Diaries and Letters, 1542 to 2018* Simon and Schuster Herschel Henderson said, "I do," to gain access to his wife's money, Lexington Lewis vowed for his better and her worse, and Brian Flaw meant until death do we part, yet none of them are dedicated to their wives. Herschel has a mistress that he sexes more than his wife, Lexington is making love to as many women as he can, and Brian is sexing women of every ethnicity because he's become bored with his wife. The one thing these men do share, is the fact that neither of them will give up the sexual freedom they enjoyed as single men.

A rich mosaic of diary entries and letters from Marilyn Monroe, Cesar Chavez, Susan Sontag, Albert Einstein, and many more, this is the story of Los Angeles as told by locals, transplants, and some just passing through. "Los Angeles is refracted in all its irreducible, unexplainable glory."—Los Angeles Times The City of Angels has played a distinct role in the hearts, minds, and imaginations of millions of people, who see it as the ultimate symbol of the American Dream. David Kipen, a cultural historian and avid scholar of Los Angeles, has scoured libraries, archives, and private estates to assemble a kaleidoscopic view of a truly unique city. From the Spanish missionary expeditions in the early 1500s to the Golden Age of Hollywood to the strange new world of social media, this collection is a slice of life in L.A. through the years. Low Down and Dirty Simon and Schuster

Now including an excerpt from *Lust & Wonder*, a new memoir coming in March 2016. *Running with Scissors* is the true story of a boy whose mother (a poet with delusions of Anne Sexton) gave him away to be raised by her psychiatrist, a dead-ringer for Santa and a lunatic in the bargain. Suddenly, at age twelve, Augusten Burroughs found himself living in a dilapidated Victorian in perfect squalor. The doctor's bizarre family, a few patients, and a pedophile living in the backyard shed completed the tableau. Here, there were no rules, there was no school. The Christmas tree stayed up until summer, and Valium was eaten like Pez. And when things got dull, there was always the vintage electroshock therapy machine under the stairs.... *Running with Scissors* is at turns foul and harrowing, compelling and maniacally funny. But above all, it chronicles an ordinary boy's survival under the most extraordinary circumstances.

A Deep Dark Secret Simon and Schuster

Small print edition 5x8 *Starkishia: Estrella* is a story about a little girl who grew up too fast to feel the grass wear thin under the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became her sanctuary where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her clothing as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the maggot hands of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disregarded by the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly dominated by her husband. *Starkishia* loved her mother above all else; her step-father who provided shelter for them witnessed her birth and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down the dark road alone; yet in some fortunate way humanity was always within reach. After her parents split up, *Starkishia* and her family ended up in Texas. Single parenthood changed their family structure forevermore. *Starkishia* became a wage earner at age

13; she also became homeless the following year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Yes, she was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Many readers will identify with her; for, she walked away from her

husband broken hearted; then, she fell in love with another man, and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her parental absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but through grace she eventually became a productive woman in American society. Meredith Etc., a small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings.
