From the bestselling author of *Wild*, a collection of quotes--drawn from the wide range of her writings--that capture her wisdom, courage, and outspoken humor, presented in a gift-sized package that's as irresistible to give as it is to receive. In her three previous books--her critically acclaimed debut novel, *Torch*, her groundbreaking memoir, *Wild*, and her dazzlingly insightful "Dear Sugar" advice columns, *Tiny Beautiful Things--Cheryl Strayed* has shared with an ardently devoted audience the many twists and trials of her remarkable life, offering much-needed truths, as well as laughter, to millions of readers. Her honesty, spirit, and ample supply of tough love have enabled many of us, even in the darkest hours, to somehow put one foot in front of the other--and be brave enough. Whether humorous or wise (and often both at once) *Strayed's* words are anthems that remind us that we may inevitably make mistakes, but we can also do better, both for ourselves and for others. Such as: Be brave enough to break your own heart. You can't ride to the fair unless you get on the pony. Keep walking. Acceptance is a small, quiet room. Romantic love is not a competitive sport. Forward is the direction of real life. *Brave Enough* gathers more than 100 of these "mini-instruction manuals for the soul," urging us toward the incredible capacity for love,

compassion, forgiveness, and endurance that is within us all.

Men of Fearless Faith Meet men who have used their God-given talents to live out their faith to the fullest. They come from a variety of backgrounds, eras, and ethnicities, but each one has answered the Lord's call on their life in bold and innovative ways. Children of all ages will be inspired by the stories of C.S. Lewis—professor and author of the influential *Chronicles of Narnia* series Zhang Boli—Chinese dissident, journalist, and Christian pastor Richard Allen—former slave and founder of the African Methodist

Episcopal Church Tim Tebow—athlete, Heisman trophy winner, and outspoken follower of Christ Father Damien—priest who dedicated his life to helping lepers in Hawaii These and the 45 other defenders of the faith featured in this book have made a profound impact on the world around them, and in many cases changed the course of history. Strong, smart, and sometimes outspoken, these men are tremendous examples of God's love in action. These inspiring profiles will captivate kids' imaginations and encourage them to discover their own gifts and how they can use them to glorify God. *The Brave And The Bold Book One* Knopf Books for Young Readers

The Malkus Artifacts are deadly machines, wielded as weapons of absolute power by an ancient interstellar tyrant and scattered across the Alpha Quadrant when he was overthrown. Thousands of years later, in 2151, they are discovered by Captain Jonathan Archer of the Starship Enterprise, and all Starfleet vessels are warned to be vigilant for these most lethal devices. . . One hundred years later, Captain James T. Kirk of the USS Enterprise and Commodore Matt Decker of the USS Constellation come across the first artifact on the plague-ravaged colony world of Proxima II. . . One hundred years after that, Commander Benjamin Sisko of space station Deep Space Nine finds himself pitted against the Bajoran terrorist Orta, in a battle for far more than the future of Bajor, when the second artifact falls into dangerous and destructive hands.

The story of Girl Power! Learn about the remarkable women who changed US

history. From Susan B. Anthony and Elizabeth Cady Stanton to Gloria Steinem and Hillary Clinton, women throughout US history have fought for equality. In the nineteenth and early twentieth centuries, women were demanding the right to vote. During the 1960s, equal rights and opportunities for women--both at home and in the workplace--were pushed even further. And in the more recent past, Women's Marches have taken place across the world. Celebrate how far women have come with this inspiring read!

How Women Won the Vote Penguin

In August of 1920, women's suffrage in America came down to the vote in Tennessee. If the Tennessee legislature approved the 19th amendment it would be ratified, giving all American women the right to vote. The historic moment came down to a single vote and the voter who tipped the scale toward equality did so because of a powerful letter his mother, Febb Burn, had written him urging him to "Vote for suffrage and don't forget to be a good boy." The Voice That Won the Vote is the story of Febb, her son Harry, and the letter that gave all American women a voice.

Maira Kalman, with wit and great sensitivity, reveals why dogs bring out the best in us. Maira Kalman + Dogs = Bliss. Dogs have lessons for us all. In *Beloved Dog*, renowned artist and author Maira Kalman illuminates our cherished companions as only she can. From the dogs lovingly illustrated in her acclaimed children's books to the real-life pets who inspire her still, Kalman's *Beloved Dog* is joyful, beautifully illustrated, and, as always, deeply philosophical. Here is Max Stravinsky, the dog poet of Oh-La-La (Max in Love)-fame, and her own Irish Wheaten Pete (almost named Einstein, until he revealed himself to be "clearly no Einstein"), who also made an appearance in the delightful *What Pete Ate: From A to Z*. And of course, there is Boganch, Kalman's in-laws' "big black slobbering Hungarian Beast." And that's just the beginning. With humor and intelligence, Kalman gives voice to the dogs she adores, noting that they are constant reminders that life reveals the best of itself when we live fully in the moment and extend unconditional love. "And it is very true," she writes, "that the most tender, complicated, most generous part of our being blossoms without any effort, when it comes to the love of a dog."

The Girl and the Ghost HarperCollins

The fight for women's suffrage between women's rights leader Alice Paul and President Woodrow Wilson is creatively presented as a four-round boxing match in this energetic nonfiction picture book.

When Woodrow Wilson was elected President, he didn't know that he would be participating in one of the greatest fights of the century: the battle for women's right to vote. The formidable Alice Paul led the women's suffrage movement, and saw President Wilson's election as an opportunity to win the vote to women. She battered her opponent with endless strategic arguments and carefully coordinated protests, calling for a new amendment granting women the right to

vote. With a spirit and determination that never quit--even when peaceful protests were met with violence and even when many women were thrown in jail--Paul eventually convinced President Wilson to support her cause, changing the country forever. Cleverly framed as a boxing match, this book provides a fascinating and compelling look at an important moment in American history. Sarah Green's bright, detailed illustrations perfectly accompany award-winning author Barb Rosenstock's captivating narrative.

Max Makes a Million Harvest House Publishers

From the bestselling author of *A Train in Winter*, the story of the Rosselli family, whose courage standing up to Mussolini's fascism helped define the path of Italy in the years between the World Wars. "I had a house: they destroyed it. I had a newspaper: they closed it. I had a university chair: I was forced to abandon it. I had--as I still do--dreams, dignity, ideals: to defend them I was sent to prison. I had teachers: they murdered them." --Carlo Rosselli on Italy's fascist regime. Italy's Rosselli family were members of the cosmopolitan, cultural elite in Florence at the start of the 20th century. Led by their fierce matriarch, Amelia Rosselli, they were also vocal anti-fascists. As Mussolini rose to power in Italy following WWI, the Rossellis took leading roles in the rebellion against him, a stance that few in their class would risk. And when Mussolini established a police state whose tactics grew more brutal, the Rossellis and their anti-fascist friends transformed from debaters and critics into activists. As punishment for their participation in revolutionary activities, the Rossellis' homestead was ransacked, one after another of their number was imprisoned, others in the family fled the country to escape a similar fate, and two were eventually assassinated on the orders of Mussolini's government. After the outbreak of WWII, Amelia fled with the remaining members of the Rosselli family to New York City. Their visas were arranged by Eleanor Roosevelt herself. Through the stories of these brave people and their friends, renowned historian Caroline Moorehead delivers an immersive picture of Italy in the first half of the 20th century. She reveals the rise and fall of Mussolini and his black-shirted Squadristi; the ambivalence of many prominent Italian families to Mussolini and their seduction by his promises; and the bold, fractured anti-fascist movement, so many of whose members died at Mussolini's hands. Continuing "The Resistance

Quartet" she began with *A Train in Winter* and continued with *Village of Secrets*, Moorehead once again shows us the faces of those who helped the world hold on to its humanity at a time when it seemed all might be lost.

Brave and Bold Knopf Canada
NEW YORK TIMES BESTSELLER • United States Senator Kirsten Gillibrand recounts her personal journey in public service and galvanizes women to make a meaningful difference in the world around them. "One of the most helpful, readable, down-to-earth, and truly democratic books ever to come out of the halls of power."—Gloria Steinem
Off the Sidelines is a playbook for women who want to step up, whether in Congress or the boardroom or the local PTA. If women were fully represented in politics, Gillibrand says, national priorities would shift to issues that directly impact them: affordable daycare, paid family medical leave, and equal pay. Pulling back the curtain on Beltway politics, she speaks candidly about her legislative successes (securing federally funded medical care for 9/11 first responders, repealing Don't Ask, Don't Tell) and her crushing disappointments (failing by five votes to pass a bill protecting survivors of sexual assault in the military). Gillibrand also shares stories of growing up the daughter and granddaughter of two trailblazing feminists in a politically active family in Albany, New York, and retraces her nonlinear path to public office. She lays bare the highs and lows of being a young (pregnant!) woman in Congress, the joys and sacrifices every working mother shares, and the support system she turns to in her darkest moments: her husband, their two little boys, and lots of girlfriends. In *Off the Sidelines*, Gillibrand is the tough-love older sister and cheerleader every woman needs. She explains why "ambition" is not a dirty word, failure is a gift, listening is the most effective tool, and the debate over women "having it all" is absurd at best and demeaning at worst. In her sharp, honest, and refreshingly relatable voice, she dares us all to tap into our inner strength, find personal fulfillment, and speak up for what we believe in. Praise for *Off the Sidelines* "Gillibrand has written a handbook for the next generation of women to redefine their role in our world."—Arianna

Huffington "There are moments of immensely appealing self-disclosure that seldom appear in other books of this genre. . . . This isn't your mother's political memoir."—The New York Times Book Review

DC Brave and Bold! Aladdin
Wouldn't it be great if you could build a home that opened its doors to everyone - tall or short, fat or thin, rich or poor... Well, perhaps if everybody pitches in to help, one little mouse can achieve that dream. This heart-warming story is brought to life with clever die-cuts and playful illustrations.

Courageous World Changers Harvest House Publishers
This collection of biographies of brave and brilliant Jewish female role models--selected in collaboration with Ruth Bader Ginsburg and including an introduction written by the iconic Supreme Court justice herself--provides young people with a roster of inspirational role models, all of whom are Jewish women, who will appeal not only to young people but to people of all ages, and all faiths. The fascinating lives detailed in this collection--more than thirty exemplary female role models--were chosen by Ruth Bader Ginsburg, or RBG, as she was lovingly known to her many admirers. Working with her friend, journalist Nadine Epstein, RBG selected these trailblazers, all of whom are women and Jewish, who chose not to settle for the rules and beliefs of their time. They did not accept what the world told them they should be. Like RBG, they dreamed big, worked hard, and forged their own paths to become who they deserved to be. Future generations

will benefit from each and every one of the courageous actions and triumphs of the women profiled here. RBG's *Brave & Brilliant Women*, the passion project of Justice Ginsburg in the last year of her life, will inspire readers to think about who they want to become and to make it happen, just like RBG.

Rad Girls Can Simon and Schuster
The perfect read for the one-hundredth anniversary of the nineteenth amendment and in advance of the upcoming presidential election, this inspiring picture book from United States Senator Kirsten Gillibrand shares the stories of ten suffragists who fought for women's right to vote. *Bold & Brave* introduces children to strong women who have raised their voices on behalf of justice--and inspires them to raise their own voices to build our future. Here are the stories of ten leaders who strove to win the right to vote for American women--a journey that took more than seventy years of passionate commitment. From well-known figures, such as Susan B. Anthony and Sojourner Truth to lesser known women such as Alice Paul and Mary Church Terrell, these are heroes who dreamed big and never gave up. Senator Gillibrand highlights an important and pithy lesson from each woman's life--from "dare to be different" to "fight together." With gorgeous illustrations by renowned artist Maira Kalman, this is a book that will inspire and uplift, a book to be cherished and shared. The suffragists included are: Elizabeth Cady Stanton, Susan B. Anthony, Sojourner Truth, Harriet Tubman, Jovita Idár, Alice Paul, Inez Milholland, Ida B. Wells, Lucy Burns, and Mary Church Terrell.

The Bold, Brave Bunny Versify
A bright and fun superhero story that normalizes fear and celebrates the potential in all of us to be brave and bold. Maisie dreams of being a superhero because they never get scared--right? But when she learns that even the biggest superheroes feel afraid sometimes, she realizes that it's perfectly ok to be fearful, and that you can still be brave, too. Perfect for kids who love Superman, Spider-Man, the Black Panther, and Wonder Woman--and also for kids who just need a reminder of how strong they are inside.
