discussion from scholar and pastor Mark Chironna City on Fire CFAN Publications In The Circle of Fire (formerly published as Prayers: A Communion With Our Creator) Ruiz inspires us to enter into a new and loving relationship with ourselves, with our fellow humans, and with all of creation. Through a selection of beautiful essays, prayers, and guided

meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, "The Circle of Fire" ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day

when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call "Life" or "God." From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as "Prayers: A Communion with Our Creator," will remind you of what you really are. It

has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed "The Circle of Fire." -- don Miguel Ruiz

 Separated from his siblings, 11-year-old Virgil must survive a dangerous forest fire using only his wits and the lessons his late mother taught him about the wilderness. Virgil is making his older siblings

trek to a mountain lake on a trip unlike any they've have taken before. They carry precious cargo: the ashes of their beloved mother, who asked that her remains be scattered at her favorite spot. But when a forest fire is sparked by a bolt of lightning at the exact moment when their van breaks down, the journey quickly turns to disaster. While the oldest, Josh, is gone to find help, Virgil

and his sister, Kaitlyn, spot fleeing animals and soon see flames flickering above the tree line. Once the sky begins to darken with the haze of burning timber, Virgil finds himself separated from his sister and left alone in the wilderness. He isn't sure he can make it, but with the memory of his late mother, a science teacher, and all her lessons to guide him, he quickly learns that not everything

has a perfect explanation and survival starts with letting go. Fire on Headless Mountain showcases not only the overwhelming beauty and terrifying power of nature, but also the gift of memory when facing great emotional and physical trials. Lessons on ecosystems and fire safety are also seamlessly interwoven into this thrilling adventure tale. Praise for DEADMAN'S CASTLE "Lawrence,

Set during the tumult of World War II, on the lush Malayan island of Penang, The Gift of Rain tells a riveting and poignant tale about a young man caught in the tangle of wartime loyalties and deceptions. In 1939, sixteen-year-old Philip Hutton-the half-Chinese, half-English youngest child of the head of one of Penang's great trading families-feels alienated from both the Chinese and

British communities. He at last discovers a sense of belonging in his unexpected friendship with Hayato Endo, a Japanese diplomat. Philip proudly shows his new friend around his adored island, and in return Endo teaches him about Japanese language and culture and trains him in the art and discipline of aikido. But such knowledge comes at a terrible price. When the

Japanese savagely invade Malaya, Philip realizes that his mentor and sensei-to whom he owes absolute loyalty-is a Japanese spy. Young Philip has been an unwitting traitor, and must now work in secret to save as many lives as possible, even as his own family is brought to its knees. A fresh, inspiring book on learning how to forgive, with firsthand stories from those who have learned to let go of resentment and find peace. “When we learn to embrace forgiveness, it opens us up to healing, hope, and a new

world of possibility.” -- Katherine Schwarzenegger Pratt
Written with grace and understanding and based on more than twenty in-depth interviews and stories as well as personal reflections from Katherine Schwarzenegger Pratt herself, *The Gift of Forgiveness* is about one of the most difficult challenges in life--learning to forgive. Here, Katherine Schwarzenegger Pratt shows

us what we can learn from those who have struggled with forgiveness, some still struggling, and others who have been able to forgive what might seem truly unforgivable. The book features experiences from those well-known and unknown, including Elizabeth Smart, who learned to forgive her captors; Sue Klebold, whose son, Dylan, was one of the Columbine

shooters, learning empathy and how to forgive herself; Chris Williams, who forgave the drunken teenager who killed his wife and child; and of course Schwarzenegger Pratt's own challenges and path to forgiveness in her own life. All provide different journeys to forgiveness and the process--sometimes slow and thorny, sometimes almost instantaneous--by which they learned

to forgive and let go. The Gift of Forgiveness is a perfect blend of personal insights, powerful quotations, and hard-won wisdom for those seeking a way to live with greater acceptance, grace, and peace. A

Some trails lead to magic. Some lead to danger. As Arlo looked around, the walls of his room began to vanish,

revealing a moonlit forest. Only his bed remained, and the frame of his window, through which he saw the girl. The world on her side of the glass was sparkling with silver and gold, like a palace made of autumn leaves. She looked off to her right. Someone was coming. Her words came in an urgent whisper: "If I can see you, they can see you . . . Be careful, Arlo Finch." Arlo Finch thought becoming a Ranger meant

learning wilderness skills, like camping and knots. But upon arriving in the tiny town of Pine Mountain, Colorado, Arlo soon learns there's so much more. His new friends Indra and Wu teach him how to harness the wild magic seeping in from the mysterious Long Woods—a parallel realm of wonder and danger. First he must master the basics, including snaplights,

thunderclaps and identifying supernatural creatures. But Arlo Finch is no ordinary Ranger, and this is no ordinary time. A dark and ancient force is sending threats into the real world . . . our world. Through perilous adventures and close calls, Arlo is awakened to his unique destiny—but the obstacles he faces will test the foundations of the Ranger's Vow: loyalty, bravery, kindness, and

truth. A Junior Library Guild selection Jane's Gift Roaring Brook Press The Gift of Fire to Save Us...The Gift of Fire to Awaken Us...Valinet is a gifter. But what exactly is it? And how might we gain more of it for ourselves? This entertaining and, yes, eloquent book illuminates the power of language from a linguistic point of view and provides fascinating

insights into the way we use words. David Crystal, a world-renowned expert on the history and usage of the English language, probes the intricate workings of eloquence. His lively analysis encompasses everyday situations (wedding speeches, business presentations, storytelling) as well as the oratory of great public gatherings. Crystal focuses on the here and now of eloquent

speaking—from pitch, pace, and prosody to jokes, appropriateness, and how to wield a microphone. He explains what is going on moment by moment and examines each facet of eloquence. He also investigates topics such as the way current technologies help or hinder our verbal powers, the psychological effects of verbal excellence, and why certain places or peoples are thought to be

more eloquent than others. In the core analysis of the book, Crystal offers an extended and close dissection of Barack Obama's electrifying "Yes we can" speech of 2008, in which the president demonstrated full mastery of virtually every element of eloquence—from the simple use of parallelism and an awareness of what not to say, to his brilliant conclusion constructed around two

powerful words: dreams and answers.
