The Mahabharata iUniverse

The Mahabharata, an ancient and vast Sanskrit poem, is a remarkable collection of epics, legends, romances, theology, and ethical and metaphysical doctrine. The core of this great work is the epic struggle between five heroic brothers, the Pandavas, and their one hundred contentious cousins for rule of the land. This is the first volume in what will ultimately become a multi volume edition encompassing all eighteen books.

Mahabharata Simon and Schuster

Intended to be a treatise on life itself, this epic poem embraces religion and ethics, polity and government, philosophy and the pursuit of salvation. This collection of more than 4,000 verses is supplemented by a glossary, genealogical tables, and an index correlating the verses with the original Sanskrit text.

On the Meaning of the Mahabharata Motilal Banarsidass Publ.

The Mahabharata is the more recent of India's two great epics, and by far the longer. First composed by the Maharishi Vyasa in verse, it has come down the centuries in the timeless oral tradition of guru and sishya, profoundly influencing the history, culture, and art of not only the Indian subcontinent but most of south-east Asia. At 100,000 couplets, it is seven times as long as the Iliad and the Odyssey combined: far and away the greatest recorded epic known to man. The Mahabharata is the very Book of Life: in its variety, majesty and, also, in its violence and tragedy. It has been said that nothing exists that cannot be found within the pages of this awesome legend. The epic describes a great war of some 5000 years ago, and the events that led to it. The war on Kurukshetra sees ten million warriors slain, brings the dwapara yuga to an end, and ushers in a new and sinister age: this present kali yuga, modern times. At the heart of the Mahabharata nestles the Bhagavad Gita, the Song of God. Senayor ubhayor madhye, between two teeming armies, Krishna expounds the eternal dharma to his warrior of light, Arjuna. At one level, all the restless action of the Mahabharata is a quest for the Gita and its sacred stillness. After the carnage, it is the Gita that survives, immortal lotus floating upon the dark waters of desolation: the final secret! With its magnificent cast of characters, human, demonic, and divine, and its riveting narrative, the Mahabharata continues to enchant readers and scholars the world over. This new rendering brings the epic to the contemporary reader in sparkling modern prose. It brings alive all the excitement, magic, and grandeur of the original-for our times.

The Mahabharatha Notion Press

The Mahabharata is one of the greatest stories ever told. Though the basic plot is widely known, there is much more to the epic than the dispute between Kouravas and Pandavas that led to the battle in Kurukshetra. Indeed, there are innumerable sub-plots embedded in the Mahabharata's staggering 80,000 shlokas or couplets. This magnificent 10-volume unabridged translation is based on the Critical Edition compiled at the Bhandarkar Oriental Research Institute. The fourth volume of the Mahabharata includes Virata Parva and almost all of Udyoga Parva. It describes the Pandavas' thirteenth year of exile which they spend in disguise in King Virata's court. The Kouravas and Trigartas invade Matsya to rob Virata of his cattle, but the Pandavas defeat them in battle. With the period of banishment over, the Pandavas ask to be returned their share of the kingdom. This is refused and Udyoga Parva recounts the build up to an inevitable war. The Mahabharata continues to captivate swathes of readers for the simple reason that it explores the full range of human emotions. With this lucid translation, Debroy succeeds in making the epic accessible to a contemporary audience.

Mahabharata Penguin UK

William Buck's stirring retelling of a classic Indian epic--in its original Sanskrit, probably the largest epic ever composed.

Mahabharata Rupa Publications

One of India's greatest epics, the Ramayana pervades the country's moral and cultural consciousness. For generations it has served as a bedtime story for Indian children, while at the same time engaging the interest of philosophers and theologians. Believed to have been composed by Valmiki sometime between the eighth and sixth centuries BCE, the Ramayana tells the tragic and magical story of Rama, the prince of Ayodhya, an incarnation of Lord Visnu, born to rid the earth of the terrible demon Ravana. An idealized heroic tale ending with the inevitable triumph of good over evil, the Ramayana is also an intensely personal story of family relationships, love and loss, duty and honor, of harem intrigue, petty jealousies, and destructive ambitions. All this played out in a universe populated by larger-than-life humans, gods and celestial beings, wondrous animals and terrifying demons. With her magnificent translation and superb introduction, Arshia Sattar has successfully bridged both time and space to bring this ancient classic to modern English readers.

The Mahabharata University of Chicago Press

First published in 1900, this volume reproduces the key events of the Ramayana and Mahabharata Indian epics. It emerged amongst significant academic interest in Indian culture and literature. Whilst many Indian histories had provided abstracts and full texts of the two epics presented here, this book provided reproductions of the main incidents and striking features of these two otherwise imposing, lengthy works. The volume deals with each text separately and presents several key excerpts along with a general introduction and introductory remarks for both texts.

Retellings by a prominent Theosophist. The Theosophical movement did a great deal to popularize Indian culture in the West.

The Wisdom Teachings of Harish Johari on the Mahabharata Torchlight Publications

Millennia have passed since the dharma yudhha of the cousins shook the land of Bharata. But this history of our ancestors continues to fascinate us. Even today, we have passionate discussions about the people and their actions in the epic, fervidly defending our favourites and denouncing others. The number of works on the Mahabharata-adaptations, retellings and fiction-that still get written is a testimony to its enduring relevance. While the general storyline is largely known, a lot of questions and myths prevail, such as-What was the geographical extent of the war? Did Drona actually refuse to take on Karna as his disciple? What were Draupadi's responsibilities as the queen of Indraprastha? Did she ever mock Duryodhana? Were the women in the time of the Mahabharata meek and submissive? What were the names of the war formations during the time? What role did the sons of the Pandavas play? Does the south of India feature at all in the Mahabharata? What happened after the war? These and many other intriguing questions continue to mystify the contemporary reader. Author Ami Ganatra debunks myths, quashes popular notions and offers insights into such aspects not commonly known or erroneously known, based solely on facts as narrated in Vyasa's Mahabharata from generally accepted authentic sources. For a history of such prominence and influence as the Mahabharata, it is important to get the story right. So pick this book up, sit back and unveil the lesser-known facts and truths about the great epic.

The Complete Mahabharata: pt. 1. Sabha parva and Vana parva One Point Six Technology Pvt Ltd

It was in 1942 that the late Dr. V.S. Sukthankar was engaged to deliver four lectures on the 'Meaning of the Mahabharata' under the auspices of the University of Bombay. However, the fourth and last lecture was not delivered on account of his sad sudden demise on the morning of the day fixed for it. The Manuscript (Ms.) of these lectures-a veritable treasure to cherish had remained lost to the world of scholars for the long period of fifteen years. It bore the title "Four Lectures on the Meaning of the Mahabharata." This rather heavy-looking title has been abridged here in publication into the substantial title "On the Meaning of the Mahabharata." In a great many places, sentences or paragraphs have been placed in rectangular brackets in pencil. This bracketed material has

been retained in the body of this book. Secondly, an alternative word or phrase is occasionally found written with a pencil in the margin along with an underscoring of the relevant word or words in the text. It is thought advisable to retain the text of the script as it stands, leaving such marginal alternatives alone. However, there is one exception: Dr. Sukthankar had rewritten in pencil almost a whole para at the end of the third lecture. This pencil-script is incorporated in the body of the book. A facsimile of this page is reproduced as the frontispiece. An English rendering of the German quotation from OLDENBURG is given in an Appendix for the convenience of the general reader. In Index, I Sanskrit quotations are printed in Devanagari for the benefit of those not quite conversant with the transliteration.

Love Stories from the Mahabharata Bloomsbury Publishing

Erotic in style and content, this collection unearths the forgotten and lesser known tales of love from the great epic. The narrative is sensuous and often sensual in detail, pulsating with the blood and throb of bodies that breath in unison, in a world particularized by its own mores. Parikshit and Sushobhana, Agni and Svaha, Agastya and Lopamudra, and many more lovelorn couples take the reader on a journey through the crosscurrents of physical desire and psychic union.

Mahabharata for Children University of Chicago Press

Ages 3 to 6 years. Mahabharata is a major epic of ancient India. It is a narrative of the Kurukshetara War and tales of kauravas and pandavas who were cousins. Kauravas had usurped the land of pandavas by unfair means. Pandavas wanted to get their land back but the kauravas were not agreed to give them even a little land and hence the war broke out between the two. Mahabharata for Children, the book in your hands, has great stories from Mahabharata. All the stories have been written in simple and lucid language with attractive illustrations. With all its unique features, the book is interesting and knowledgeable for everyone.

The Mahabharata Bloomsbury Publishing

It Is A Transformation Of An Ancient Legend Into A Modern Novel. In This Process, It Has Gained Rational Credibility And A Human Perspective. The Main Incident, The Bharata War, Symbolic Of The Birthpangs Of A New World-Order, Depicts A Heroic But Vain Effort To Arrest The Disintegration And Continue The Prevailing Order. It Is Viewed From The Stand Points Of The Partisan Participants And Judged With Reference To The Objective Understanding Of Krishna. Narration, Dialogue, Monologue And Comment All Are Employed For Its Presentation. Shot Through With Irony, Pity And Understanding Objectivity, The Novel Ends With The True Tragic Vision Of Faith In Life And Hope For Mankind.

A Pilgrimage Through the Mahabharata Rowman & Littlefield

A unique dramatization of India's greatest epic poem, fifteen times longer than the Bible, The Mahabharata has played to enthralled audiences throughout Europe, the Far East and America. Regarded as the culmination of Peter Brook's extraordinary research into the possibilities of theatre, the production has been hailed as the 'theatrical event of this century' (Sunday Times). British audiences encountered The Mahabharata, on stage and television, in the late eighties. This volume contains the complete script of Carriere's adaptation in Peter Brook's translation, with introductions by each of them.

Mahabharata St Pauls BYB

The Mahabharata is one of the greatest stories ever told. Though the basic plot is widely known, there is much more to the epic than the dispute between Kouravas and Pandavas that led to the battle in Kurukshetra. It has innumerable sub-plots that accommodate fascinating meanderings and digressions, and it has rarely been translated in full, given its formidable length of 80,000 shlokas or couplets. This magnificent 10-volume unabridged translation of the epic is based on the Critical Edition compiled at the Bhandarkar Oriental Research Institute. * The final volume ends the instructions of the Anushasana Parva. The horse sacrifice is held, and Dhritarashtra, Gandhari, Kunti, Vidura and Sanjaya leave for the forest. Krishna and Balarama die as the Yadavas fight among themselves. The Pandavas leave on the great journey with the famous

companion—Dharma disguised as a dog. Refusing to abandon the dog, Yudhishtira goes to heaven in his physical body and sees all the Kurus and the Pandavas are already there. * Every conceivable human emotion figures in the Mahabharata, the reason why the epic continues to hold sway over our imagination. In this lucid, nuanced and confident translation, Bibek Debroy makes the Mahabharata marvellously accessible to contemporary readers.

Mega Physical Education (044) Secrets Study Guide: Mega Test Review for the Missouri Educator Gateway Assessments Abhinav Publications

A new selection from the national epic of India Originally composed in Sanskrit sometime between 400 BC and 400 AD, The Mahabharata-with one hundred thousand stanzas of verse-is one of the longest poems in existence. At the heart of the saga is a conflict between two branches of a royal family whose feud culminates in a titanic eighteen-day battle. Exploring such timeless subjects as dharma (duty), artha (purpose), and kama (pleasure) in a mythic world of warfare, magic, and beauty, this is a magnificent and legendary Hindu text of immense importance to the culture of the Indian subcontinent. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by

award-winning translators.

Until the Lions iUniverse

“Narayan makes this treasury of Indian folklore and mythology readily accessible to the general reader . . . he captures the spirit of the narrative.”—Library Journal The Mahabharata tells a story of such violence and tragedy that many people in India refuse to keep the full text in their homes, fearing that doing so would invite a disastrous fate upon their house. Covering everything from creation to destruction, this ancient poem remains an indelible part of Hindu culture and a landmark in ancient literature. Centuries of listeners and readers have been drawn to The Mahabharata, which began as disparate oral ballads and grew into a sprawling epic. The modern version is famously long, and at more than 1.8 million words—seven times the combined lengths of the Iliad and Odyssey—it can be incredibly daunting. But contemporary readers have a much more accessible entry point to this important work, thanks to R. K. Narayan’s masterful, elegant translation and abridgement of the poem. Now with a new foreword by Wendy Doniger, as well as a concise character and place guide and a family tree, The Mahabharata is ready for a new generation of readers. Narayan ably distills a tale that is both traditional and constantly changing. He draws from both scholarly analysis and creative interpretation and vividly fuses the spiritual with the secular. Through this balance he has produced a translation that is not only clear, but graceful, one that stands as its own story as much as an adaptation of a larger work.

The Mahabharata Penguin

Cheated of their kingdom and sent into exile by their envious cousins, the Pandavas set off on a fascinating journey. This work recounts the history of the five heroic Pandava brothers. Its includes spiritual themes, and is filled with suspense, intrigue, and wisdom.

The Mahabharata University of Chicago Press

The Greatest Story Ever Told Dispute over land and kingdom may lie at the heart of this story of war between cousins—the Pandavas and the Kouravas—but the Mahabharata is about conflicts of dharma. These conflicts are immense and various, singular and commonplace. Throughout the epic, characters face them with no clear indications of what is right and what is wrong; there are no absolute answers. Thus every possible human emotion features in the Mahabharata, the reason the epic continues to hold sway over our imagination. In this superb and widely acclaimed translation of the complete Mahabharata, Bibek Debroy takes us on a great journey with incredible ease.

Mahabharata Unravelled Om Books International

Krishna stood alone after everybody left the burning pyre. He smiled, the all-knowing smile, at the retreating figures of Gandhari and Kunti. He had been cursed! He cannot and will not be a God of salvation in Kali Yuga. He has been made the Lord of Adharma, only to create wealth and power. Now, He could be redeemed only if the hidden secrets of Mahabharata were revealed to the world. The secrets, locked in for four millenniums, are out! To save Sri Krishna and therefore, the world!
