Jeff Wall - 59 Artworks, Bio & Shows on Artsy

Jeff Wall is a leading contemporary Canadian photographer whose work is concerned with ideas about the nature of images, representation, and memory His large-scale photographs appropriate the visual language of advertising in their use

Known as both an artist and art historian, Jeff Wall is a Canadian photographer and writer whose work simultaneously showcases and challenges some of the most dominant assumptions about art and art-making. Since in the late 1970s, Wall has created large-scale photographs that recall the imagery, subject matter, construction, and display methods.

Jeff Wall - Wikipedia

Jeff Wall Milk 1984 Wall began making large backlit transparencies in the late 1970s. He had experimented with filmmaking, and he felt that staging scenes for the camera could radically broaden the potential of still photography. Another touchstone for his large pictures has been the grand theater of human figures in Western painting since the

Jeff Wall Photography, Bio, Ideas | TheArtStory

Jeff Wall is renowned for large-format photographs with subject matter that ranges from mundane corners of the urban environment, to elaborate tableaux that take on the scale and complexity of 19th-century history paintings. Wall struck on the idea of producing large, backlit photographs after seeing an illuminated advertisement from a bus window.
