A rapturous novel of star-crossed love in a time of war—from the international bestselling author of *The Secret of Clouds*. During the last moments of calm in prewar Prague, Lenka, a young art student, and Josef, who is studying medicine, fall in love. With the promise of a better future, they marry—only to have their dreams shattered by the imminent Nazi invasion. Like so many others, they are torn apart by the currents of war. Now a successful obstetrician in America, Josef has never forgotten the wife he believes died in the war. But in the Nazi ghetto of Terezín, Lenka survived, relying on her skills as an artist and the memories of a husband she would never see again. Then, decades later and thousands of miles away, an unexpected encounter in New York leads to an inescapable glance of recognition, and the realization that providence has given Lenka and Josef one more chance. From the glamorous ease of life in Prague before the occupation to the horrors of Nazi Europe, *The Lost Wife* explores the power of first love, the resilience of the human spirit, and our capacity to remember.

NATIONAL BESTSELLER • “Marvelous . . . I just had to be there with the Post cereal heiress through every twist and turn.”—Martha Hall Kelly, New York Times bestselling author of *Lilac Girls* “New-money heiress Marjorie Post isn’t content to remain a society bride as she remakes herself into a savvy entrepreneur, a visionary philanthropist, a presidential hostess, and much more. Allison Pataki brings a towering legend to life.”—Kate Quinn, New York Times bestselling author of *The Alice Network* Mrs. Post, the President and First Lady are here to see you. . . . So begins another average evening for Marjorie Merriweather Post. Presidents have come and gone, but she has hosted them all. Growing up in the modest farmlands of Battle Creek, Michigan, Marjorie was inspired by a few simple rules: always think for yourself, never take success for granted, and work hard—even when deemed American royalty, even while covered in imperial diamonds. Marjorie had an insatiable drive to live and love and to give more than she got. From crawling through Moscow warehouses to rescue the Tsar’s treasures to outrunning the Nazis in London, from serving the homeless of the Great Depression to entertaining Roosevelts, Kennedys, and Hollywood’s biggest stars, Marjorie Merriweather Post lived an epic life few could imagine. Marjorie’s journey began gluing cereal boxes in her father’s barn as a young girl. No one could have predicted that C. W. Post’s Cereal Company would grow into the General Foods empire and reshape the American way of life, with Marjorie as its heiress and leading lady. Not content to stay in her prescribed roles of high-society wife, mother, and hostess, Marjorie dared to demand more, making history in the process. Before turning thirty she amassed millions, becoming the wealthiest woman in the United States. But it was her life-force, advocacy, passion, and adventurous spirit that led to her stunning legacy. And yet Marjorie’s story, though full of beauty and grandeur, set in the palatial homes she built such as Mar-a-Lago, was equally marked by challenge and tumult. A wife four times over, Marjorie sought her happily-ever-after with the blue-blooded party boy who could not outrun his demons, the charismatic financier whose charm turned to betrayal, the international diplomat with a dark side, and the bon vivant whose shocking secrets would shake Marjorie and all of society. Marjorie did everything on a grand scale, especially when it came to love. Bestselling and acclaimed author Allison Pataki has crafted an intimate portrait of a larger-than-life woman, a powerful story of one woman falling in love with her own voice and embracing her own power while shaping history in the process.

This is a story about a remarkable Sikh family and the communities they lived in and supported in both Canada and India. Kapoor Singh Siddoo arrived in British Columbia in 1912 and overcame racial prejudice and legal discrimination to transform himself from labourer to lumber baron. He and his wife, Besant Kaur, fostered in their daughters a vision of service and activism that they fulfilled by establishing a hospital in Punjab and introducing an Indian spiritual tradition to their new home in Canada. Hugh Johnston tells their story with warmth and perceptiveness, while telling a larger tale about the trials and tribulations faced by immigrant communities in Canada.

Jewels of the Qila

Few American newspapers, perhaps none, have matched the New York Herald Tribune in the crispness of its writing and editing, the bite of its commentators, the range of its coverage and the clarity of its typography. The "Trib", as it was affectionately called, raised newspapering to an art form. It had an influence and importance out of all proportion to its circulation. During the Civil War, Abraham Lincoln went to great lengths to retain the support of its co-founder, Horace Greeley. President Eisenhower felt it was such an important institution and Republican organ that he helped broker its sale to its last owner, multimillionaire John Hay Whitney. The Trib's spectacularly distinguished staffers and contributors included Karl Marx, Tom Wolfe, Walter Lippmann, Dorothy Thompson, Virgil Thomson, Eugenia Sheppard, Red Smith, Heywood Broun, Walter Kerr, Homer Bigart, and brothers Joseph and Stewart Alsop. At the close of World War II, the Herald Tribune, the marriage of two newspapers that had done more than any others to create modern daily journalism, was at its apex of power and prestige. Yet just twenty-one years later, its influence still palpable in every newsroom across the nation, the Trib was gone. This is the story *The Paper*, a 1986 finalist of the National Book Award for Nonfiction and winner of the George Polk Prize, tells. "Probably the best book ever written about an American newspaper. But it is more than that — a brilliant piece of social history that recounts in vivid and telling detail the changing conception of 'news' in America... The book is chockablock with marvelous yarns... And what a cast of characters Kluger has to work with... Some of the most vivid pages in *The Paper* are Kluger's portraits of these arresting personalities." — J. Anthony Lukas, *The Boston Globe*
"Monumental... with a narrative sweep that is always absorbing and sometimes breathtaking... What invigorates this history is Mr. Kluger's enthusiasm for his subject, which is apparent everywhere in the loving detail with which he tells the story... and in the liveliness of the prose with which he profiles some of the Tribune's more unusual personalities." — Christopher Lehmann-Haupt, *The New York Times* "Engrossing... if there is a better book about an American newspaper, I am unaware of it... It is loaded to the gunnels with newspaper anecdotes, but at its core *The Paper* is a book about the relationship between the press and the powerful, the press and the wealthy." — Jonathan Yardley, *Washington Post Book World* "The romance of *The Front Page*, genteel anti-Semitism, the disaster of newspaper labor relations, and the rise and fall of newspaper fortunes. All are there in *The Paper*. It is irresistible." — Anthony Lewis "Compelling... most delightfully so when Mr. Kluger is limning the words and deeds of the people who made *The Paper* crackle with vitality for more than a century... He does a remarkable job of bringing these people to life on the printed page." — David Shaw, *The New York Times Book Review* "Remarkable... a fascinating account of a greatness that once was... This book will hold you in its narrative grip as you revel in a story of a grand venture and epic characters... Here the history of a newspaper is a graphic presentation of a nation's life." — Kirkus Reviews "Richard Kluger is uniquely qualified to tell this tale... He brings a novelist's imagination to some vivid material." — Paul Gray, *Time Magazine* "Fascinating from start to finish, the best book about American journalism since Swanberg's *Citizen Hearst*. Huge and engrossing." — Larry Lee, *San Francisco Chronicle* "A magnificently romantic history not only of the ill-fated New York Herald Tribune but of New York newspapering generally..."

The Magnificent Lives of Marjorie Post

Early in the 1900s, one-time oil baron Henry Morrison Flagler took interest in the Southern coast of Florida and began developing an exclusive resort community. Establishing a railroad that would allow easier access to the area, he went on to build two hotels—his hope was that America's first families would come to populate the area. This modest community would later evolve into an iconic American destination, hosting British royalty, American movie stars, and becoming the home-away-from-home to some of the country's leading families. As the century continued, Palm Beach established itself as a luxury hideaway synonymous with old-world glamour and new-world sophistication. In this splendid volume, longtime resident and Palm Beach social fixture Aerin Lauder takes us through her Palm Beach. From favorite restaurants like Nandos and Renatos, to favorite houses like La Follia and Villa Artemis, she takes us to the elite shopping of Worth Avenue and the scenic walkways of the Lake Worth trail, all the while relating to us the histories, faces, and places that have become so identified with Palm Beach.
