Detroit Iron

With a Haynes manual, you can do it yourself - from simple maintenance to basic repairs. Haynes writes every book based on a complete teardown of the vehicle. We learn the best ways to do a job and that makes it quicker, easier and cheaper for you. Chevy Silverado GMC Sierra 2007-2014 has clear instructions and hundreds of photographs that show each step. Whether you're a beginner or a pro, you can save big with Haynes! Step-by-step procedures Easy-to-follow photos Complete troubleshooting section Valuable short cuts Color spark plug diagnosis. Complete coverage for your Chevrolet & GMC Pick-ups includes information on routine maintenance, tune-up procedures, engine repair, cooling and heating, air conditioning,

fuel and exhaust, emissions control, ignition, brakes, and more. The manual does not include 2007 Silverado Classic or Sierra Classic, or information specific to diesel engine models, CNG models, hybrids or equipped with rear-wheel steering.

1995 Chevrolet & GMC C-K Truck Service Manual Detroit Iron

If you're building a salvage yard stroker motor, looking to make a numbers-matching engine, saving money on repurposing factory parts, or simply looking to see which parts work together, this book is a must-have addition to your library! This updated edition provides detailed interchange information on cranks, rods, pistons, cylinder heads, intake manifolds, exhaust manifolds, ignitions,

carburetors, and more. Casting and serial number identification guides are included to help you through the myriad of available parts in salvage yards, at swap meets, and on the internet. Learn what parts can be combined to create various displacements, which parts match well with others, where factory parts are best, and where the aftermarket is the better alternative. Solid information on performance modifications is included where applicable. The first and second generation of small-block Chevy engines have been around for more than 60 years, and a byproduct of the design's extremely long production run is that there is a confusing array of configurations that this engine family has seen. Chevy expert Ed Staffel

delivers this revised edition on everything you need to know about parts interchangeability for the small-block Chevy. Build your Chevy on a budget today!
