Led Zeppelin - Acoustic Classics (Revised) Quarto Publishing Group USA

Take a deep dive into the innovative recording history of Led Zeppelin, in this newest addition to the fan-favorite All the Songs series. Fifty years after their first practice in a Soho basement, Led Zeppelin continues to fascinate new generations of listeners. While their legendary back-stage debauchery has been written about extensively in other books, All the Songs is all about the music, detailing the studio magic and inspiration that made all nine albums go platinum, including Led Zeppelin IV which was certified x23 platinum and has sold more than 37 million copies worldwide. Studio stories will include their productive time at Headley Grange in Wales, a poorly-heated former poorhouse where they recorded parts of Led Zeppelin III, Led Zeppelin IV, Houses of the Holy and Physical Graffiti. And how the first album was recorded in three weeks but their second took six months, done while the band was on a world tour. They carried the masters of the recording session in a steamer trunk wherever they went. Out of these chaotic sessions came the "Whole Lotta Love," which was finished in New York with Hendrix engineer Eddie Kramer helping create the psychedelic middle part, as well as "The Lemon Song," which was cut live in the studio. Page worked feverishly with Kramer to mix the LP on a primitive 12-channel Altec board in a two-day span. Fans will also learn the genesis of their lyrics, the inspiration for their album covers, the instruments used, and the contributions of engineers such as Andy Johns, who helped create the iconic drum sound on "When the Levee Breaks" by recording Bonham at the bottom of a stairwell.

The Little Black Songbook: Led Zeppelin Alfred's Platinum Album Editio

Just in time for their 50th anniversary, Led Zeppelin breaks down one of the world's most prolific bands—track by track, album by album—in this expanded edition, revised to include rarities, outtakes, and B-sides from their storied catalog. Formed by the unlikely alliance of two ace London studio musicians and two bar-band bumpkins from the north, Led Zeppelin went on to create the template for the modern marauding rock 'n' roll band. Though Zeppelin is often described as "heavy," any true fan will tell you that the band's catalog is actually a complex amalgam of blues, psychedelia, rock, folk, and country that reflect the specific influences carried by each of Led Zeppelin's four members. Veteran music journalist Martin Popoff picks apart each of these 81 studio tracks, as well as a slew of non-album tracks in exquisite detail, and, for the first time ever, he analyzes the circumstances that led to their creation, the recording processes, the historical contexts, and more. Celebrate Led Zeppelin's 50th anniversary with this veneration of the band's extensive catalog of rock music.

This "oral autobiography" of Jimmy Page, the intensely private mastermind behind Led Zeppelin—one of the most enduring bands in rock history—is the most complete and revelatory portrait of the legendary guitarist ever published. More than 30 years after disbanding in 1980, Led Zeppelin continues to be celebrated for its artistic achievements, broad musical influence, and commercial success. The band's notorious exploits have been chronicled in bestselling books; yet none of the individual members of the band has penned a memoir nor cooperated to any degree with the press or a biographer. In *Light & Shade*, Jimmy Page, the band's most reticent and inscrutable member, opens up to journalist Brad Tolinski, for the first time exploring his remarkable life and musical journey in great depth and intimate detail. Based on extensive interviews conducted with the guitarist/producer over the past 20 years, *Light & Shade* encompasses Page's entire career, beginning with his early years as England's top session guitarist when he worked with artists ranging from Tom Jones, Shirley Bassey, and Burt Bacharach to the Kinks, The Who, and Eric Clapton. Page speaks frankly about his decadent yet immensely creative years in Led Zeppelin, his synergistic relationships with band members Robert Plant, John Bonham, and John Paul Jones, and his notable post-Zeppelin pursuits. While examining every major track recorded by Zeppelin, including "Stairway to Heaven," "Whole Lotta Love," and "Kashmir," Page reflects on the band's sensational tours, the filming of the concert movie *The Song Remains the Same*, his fascination with the occult, meeting Elvis Presley, and the making of the rock masterpiece *Led Zeppelin IV*, about which he offers a complete behind-the-scenes account. Additionally, the book is peppered with "sidebar" chapters that include conversations between Page and other guitar greats, including his childhood friend Jeff Beck and hipster icon Jack White. Through Page's own words, *Light and Shade* presents an unprecedented first-person view of one of the most important musicians of our era.
