Hillary Rodham Clinton A Woman Living History

2022-06-08

CASSIUS ASHTYN

The First Partner Simon and Schuster
Biography of Hillary Rodham Clinton, wife of President William Clinton, who is famous in her own right as a lawyer, a mother, a political activist, and now the most powerful first lady in history.

Hillary Penguin

“An engaging, beautifully synthesized page-turner” (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton’s most personal memoir yet, about the 2016 presidential election. In this “candid and blackly funny” (The New York Times) memoir,

Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. “At her most emotionally raw” (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick

herself back up afterward. She tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. In this “feminist manifesto” (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a “bracing... guide to our political arena” (The Washington Post), *What Happened* lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots,

Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. *What Happened* is the story of that campaign, now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women running for office, and young people marching in the streets.

The Woman in the White House Yearling Books

The beautifully illustrated picture book about Hillary Clinton—now revised and updated with brand-new material about her time as Secretary of State. Before Hillary Clinton was in the running to be president, she was a young girl growing up outside Chicago who lost the election for student-body president. She wanted to be an astronaut, to soar as high as the stars above. She kept reaching up and up as she grew. There were people who told her no—most of them simply because she was a girl—but she didn't listen

to them. There were people who didn't think she could do it. But she believed in herself. And Hillary has been making history ever since. This is the inspiring story of a girl with dreams as big as the open sky.

Hillary Rodham Clinton Simon and Schuster Presents the life of the former first lady who has become a political figure in her own right as a United States senator and presidential candidate. *False Choices* Twenty-First Century Books

"Updated through the 2016 Presidential Election."--Cover.

Hillary Rodham Clinton Simon and Schuster Informative and accessible, *Public Opinion, the First Ladyship, and Hillary Rodham Clinton* is a valuable reference for both students of politics and women's studies specialists."--BOOK JACKET.

It Takes a Village HarperCollins

In the spirit of *Barack Obama: Son of Promise, Child of Hope* and *Amelia and Eleanor Go for a Ride* comes an inspiring portrait of Hillary Rodham Clinton, the first female presidential nominee in United States history: a girl who fought to make a difference—and paved the

way for women everywhere—from Michelle Markel and LeUyen Pham. This nonfiction picture book is an excellent choice to share during homeschooling, in particular for children ages 4 to 6. It's a fun way to learn to read and as a supplement for activity books for children. In the 1950s, it was a man's world. Girls weren't supposed to act smart, tough, or ambitious. Even though, deep inside, they may have felt that way. And then along came Hillary. Brave, brilliant, and unstoppable, she was out to change the world. They said a woman couldn't be a mother and a lawyer. Hillary was both. They said a woman shouldn't be too strong or too smart. Hillary was fearlessly herself. It didn't matter what people said—she was born to lead. With illustrations packed full of historical figures and details, this gorgeous and informative picture book biography is perfect for every budding leader. Includes a timeline, artist's note, and bibliography.

Hillary Rodham Clinton
Bancroft Press
First . . . student commencement speaker at Wellesley First . . .

woman to become full partner at Rose Law Firm First . . . Lady of the United States First . . . First Lady to hold a postgraduate degree First . . . First Lady to win a Grammy Award First . . . elected female Senator of New York First . . . woman to be a presidential candidate in every primary in every state First . . . First Lady to seek the presidency "Always aim high, work hard, and care deeply about what you believe in. . . . And, when you're knocked down, get right back up and never listen to anyone who says you can't or shouldn't go on." - Hillary Rodham Clinton As a young girl growing up in the fifties, Hillary Diane Rodham had an unusual upbringing for the time her parents told her, "You can do or be whatever you choose, as long as you're willing to work for it." Hillary took those words and ran. Whether it was campaigning at the age of thirteen in the 1964 presidential election, receiving a standing ovation and being featured in LIFE magazine as the first student commencement speaker at Wellesley, or graduating from Yale Law School-she was always one to stand out from the

pack. And that was only the beginning. Today, we have seen Hillary in many roles. From First Lady of the United States to the first female Senator of New York and most recently as the United States Secretary of State. An activist all her life, she has been devoted to health care reform, child care, and women's rights, among others. And she's still not done. Critically acclaimed author Karen Blumenthal gives us a sharp and intimate look at the life of Hillary Rodham Clinton, American politics, and what the future holds in store. Illustrated throughout with black and white photographs, this is the must-have biography on a woman who has always known her public responsibility, who continues to push boundaries, and who isn't afraid to stand up for what she believes in.

The Truth About Hillary
Ferguson Publishing Company

As a young girl, Hillary Diane Rodham's parents told her she could be whatever she wanted--as long as she was willing to work for it. Hillary took those words and ran. In a life on the front row of modern American history, she has always stood out--whether she was a teen

campaigning for the 1964 Republican presidential candidate, winning recognition in LIFE magazine for her pointed words as the first student commencement speaker at Wellesley College, or working on the Richard Nixon impeachment case as a newly minted lawyer. For all her accomplishments, scrutiny and scandal have followed this complex woman since she stepped into the public eye—from her role as First Lady of Arkansas to First Lady of the United States to becoming the first female U.S. senator from New York to U.S. secretary of state. Despite intense criticism, Hillary has remained committed to public service and dedicated to health-care reform, children's issues, and women's rights. Now, she aspires to a bigger role: her nation's first woman president. In Hillary Rodham Clinton: A Woman Living History, critically acclaimed author Karen Blumenthal gives us an intimate and unflinching look at the public and personal life of Hillary Rodham Clinton. Illustrated throughout with black-and-white photographs and political cartoons, this is a must-have biography about a

woman who has fascinated--and divided--the public, who continues to push boundaries, and who isn't afraid to reach for one more goal. "After decades in the public eye, Hillary Rodham Clinton is still an enigma, as Blumenthal (Tommy: The Gun That Changed America) emphasizes in this compelling portrait of the former U.S. Senator and Secretary of State's journey from budding activist to presidential aspirant." —Publishers Weekly, starred review

The Story of Hillary Rodham Clinton The Rosen Publishing Group, Inc

Now an eight-part docuseries on Apple TV+ Hillary Rodham Clinton and her daughter, Chelsea, share the stories of the gutsy women who have inspired them—women with the courage to stand up to the status quo, ask hard questions, and get the job done. She couldn't have been more than seven or eight years old. "Go ahead, ask your question," her father urged, nudging her forward. She smiled shyly and said, "You're my hero. Who's yours?" Many people—especially girls—have asked us that same question over the

years. It's one of our favorite topics. HILLARY: Growing up, I knew hardly any women who worked outside the home. So I looked to my mother, my teachers, and the pages of Life magazine for inspiration. After learning that Amelia Earhart kept a scrapbook with newspaper articles about successful women in male-dominated jobs, I started a scrapbook of my own. Long after I stopped clipping articles, I continued to seek out stories of women who seemed to be redefining what was possible. CHELSEA: This book is the continuation of a conversation the two of us have been having since I was little. For me, too, my mom was a hero; so were my grandmothers. My early teachers were also women. But I grew up in a world very different from theirs. My pediatrician was a woman, and so was the first mayor of Little Rock who I remember from my childhood. Most of my close friends' moms worked outside the home as nurses, doctors, teachers, professors, and in business. And women were going into space and breaking records here on Earth. Ensuring the rights and opportunities of women and girls remains

a big piece of the unfinished business of the twenty-first century. While there's a lot of work to do, we know that throughout history and around the globe women have overcome the toughest resistance imaginable to win victories that have made progress possible for all of us. That is the achievement of each of the women in this book. So how did they do it? The answers are as unique as the women themselves. Civil rights activist Dorothy Height, LGBTQ trailblazer Edie Windsor, and swimmer Diana Nyad kept pushing forward, no matter what. Writers like Rachel Carson and Chimamanda Ngozi Adichie named something no one had dared talk about before. Historian Mary Beard used wit to open doors that were once closed, and Wangari Maathai, who sparked a movement to plant trees, understood the power of role modeling. Harriet Tubman and Malala Yousafzai looked fear in the face and persevered. Nearly every single one of these women was fiercely optimistic—they had faith that their actions could make a difference. And they were right. To us, they are all gutsy women—leaders with the

courage to stand up to the status quo, ask hard questions, and get the job done. So in the moments when the long haul seems awfully long, we hope you will draw strength from these stories. We do. Because if history shows one thing, it's that the world needs gutsy women.

The Rhetoric of First Lady Hillary Rodham Clinton

University Press of Kansas
Covering all aspects of America's controversial former President's wife, this comprehensive biography offers an unprecedented view of our first baby boomer First Lady, and provides a better understanding of lawyer, board member, and commission member Hillary Clinton.

Hillary Rodham Clinton, a New Kind of First Lady Capstone

An inspiring and meticulously researched middle grade biography of Hillary Rodham Clinton—First Lady, senator, secretary of state, and the first female presidential nominee in United States history.

Hillary Rodham Clinton is a true leader. Growing up in Park Ridge, Illinois, Hillary was inspired by the philosophy of John Wesley, who urged his followers to "do all the

good you can." Rising to prominence in 1992 as the First Lady of the United States, Hillary captured the world's attention with her bold ideas and political forcefulness. From her time at Wellesley to her life at the White House and beyond, Hillary has been at the forefront of huge change—and despite setbacks and political scandals, she has worked for good in the world. Acclaimed author Cynthia Levinson creates a compelling and personal portrait of Hillary's historic journey from her childhood to her service as secretary of state and beyond. Includes a timeline of Hillary Rodham Clinton's life and a photo insert. "This extensively researched and comprehensive biography tells us more of the woman who is that public figure, from some of her inspirations (like Dr. Martin Luther King, Jr. and the Birmingham protests) and the impact of her religious faith on her commitment to service" (Brightly.com).

The First Lady Lerner Publishing Group
Hillary Rodham Clinton has gone from being a student activist, to the First Lady of the United States, to a state senator,

to the Secretary of State of the United States. Her inspiring and impressive life in law and politics is detailed in this fascinating biography. Readers will learn about her role as one of the most influential First Ladies of all time, as Secretary of State, and her plan to give everyone healthcare. This book features vibrant photos and images, intriguing facts, easy-to-read text, and a helpful glossary and index to provide readers with an engaging reading experience that will have them interested from beginning to end.

Vital Issue Press
Hillary Rodham Clinton tells her life story, describing her dedication to social causes, her relationship with her husband, and her accomplishments and difficult periods as First Lady.

Hillary Rodham Clinton

Lerner Classroom
Morrison, editor at "The New Yorker," brings together a stellar group of writers, including Deborah Tannen, Susan Cheever, Lorrie Moore, and others, to offer a compelling multidimensional look at the woman who might be the Americas first female president.

The Book of Gutsy Women

Simon and Schuster

A biography of the first lady explores her youth, education, activism, and investment in the presidency

[Hillary Rodham Clinton](#)

Simon and Schuster

Hillary Rodham Clinton is the most polarizing figure in American politics. Love her or hate her, everyone has a strong opinion about the former first lady turned senator who is almost certainly going to run for president in 2008. Despite more than a dozen years in the national spotlight and more than a dozen unauthorized books about her, she has managed to keep many secrets from the public especially about her turbulent marriage and its impact on her career. There have been plenty of rumors about what Hillary and Bill Clinton did behind closed doors, but never a definitive book that exposes the truth.

Bestselling author Edward Klein draws on rare access to inside sources to reveal what Hillary knew and when she knew it during her years as first lady, especially during her husband's impeachment. Klein's book, embargoed until publication, will break news about the choices and calculations

she has made over the years. It will also prove that she lied to America in her bestselling autobiography *Living History*. When she was just a little girl, Hillary Rodham dreamed of becoming the first female president, and her lifelong dream is almost within reach. But just as the swift boat veterans convinced millions of voters that John Kerry lacked the character to be president, Klein's book will influence everyone who is sizing up the character of Hillary Clinton.

Hillary Rodham

Clinton: On The Couch

Bloomsbury Publishing

Hillary Rodham Clinton's inside account of the crises, choices, and challenges she faced during her four years as America's 67th Secretary of State, and how those experiences drive her view of the future. "All of us face hard choices in our lives," Hillary Rodham Clinton writes at the start of this personal chronicle of years at the center of world events. "Life is about making such choices. Our choices and how we handle them shape the people we become." In the aftermath of her 2008 presidential run, she expected to

return to representing New York in the United States Senate. To her surprise, her former rival for the Democratic Party nomination, newly elected President Barack Obama, asked her to serve in his administration as Secretary of State. This memoir is the story of the four extraordinary and historic years that followed, and the hard choices that she and her colleagues confronted. Secretary Clinton and President Obama had to decide how to repair fractured alliances, wind down two wars, and address a global financial crisis. They faced a rising competitor in China, growing threats from Iran and North Korea, and revolutions across the Middle East. Along the way, they grappled with some of the toughest dilemmas of US foreign policy, especially the decision to send Americans into harm's way, from Afghanistan to Libya to the hunt for Osama bin Laden. By the end of her tenure, Secretary Clinton had visited 112 countries, traveled nearly one million miles, and gained a truly global perspective on many of the major trends reshaping the landscape of the twenty-

first century, from economic inequality to climate change to revolutions in energy, communications, and health. Drawing on conversations with numerous leaders and experts, Secretary Clinton offers her views on what it will take for the United States to compete and thrive in an interdependent world. She makes a passionate case for human rights and the full participation in society of women, youth, and LGBT people. An astute eyewitness to decades of social change, she distinguishes the trendlines from the headlines and describes the progress occurring throughout the world, day after day. Secretary

Clinton's descriptions of diplomatic conversations at the highest levels offer listeners a master class in international relations, as does her analysis of how we can best use "smart power" to deliver security and prosperity in a rapidly changing world-one in which America remains the indispensable nation. - Publisher description.

Hillary Rodham Clinton
Free Spirit Publishing
Focuses on the first lady's activities and accomplishments as an achiever and a person who has used her success to help people and to fight for the rights of others
Hillary Clinton Verso Books
The story of Hillary Rodham Clinton in many ways parallels the story of the United States in the

latter half of the 20th century and beginning of the 21st century. As part of the baby boom generation, she came of age at the time of the civil rights movement, the Vietnam war, and Watergate. This biography explores the path that led Hillary from her conservative Republican, middle-class beginnings to her emergence as a leader of the Democratic party. As a woman, she has experienced opportunities and positions that would have been unimaginable to previous generations of women. Hillary Rodham Clinton could be the first female president of the United States, making this timely biography essential reading.
