KASSANDRA NIGEL

Ob/gyn Secrets Elsevier Health Sciences
The popular medical correspondent challenges women to reinvent their health and wellness routines, and make midlife their most vibrant years yet. Demi Moore, Cameron Diaz, Courteney Cox, and the list goes on. The world is realizing that a woman's thirties and forties can be the most beautiful, energetic, and passionate time of her life. Today's women can maximize this stage- and lay the foundation for optimal health and well-

being. Dr. Jennifer Ashton embodies this philosophy and wants to help you enjoy these often overlooked years and feel and look your absolute best. Dr. Ashton's passion, warmth, and wit have made her America's fastest-rising women's health expert and medical correspondent. Here, she outlines a powerful approach to health care that can help you unleash new energy, strength, and sexiness. Integrating the latest scientific research, she has created a five-part plan, including: A simple eating plan, tailored to keep energy high and your weight healthy for your changing metabolism A high-powered fitness program to help you work out

harder in less time Stress-reduction techniques and simple strategies for relaxation An effective, step-by-step sleep plan Prevention advice for reducing your risk of heart disease, cancer, and other potentially fatal ailments Authoritative yet written in a friendly, girlfriend-to-girlfriend voice, *Your Body Beautiful* and its transformative strategies will help you look and feel younger, stronger, and more vibrant than ever.

Features the new "Secrets PLUS" format - with an expanded size and layout, more information, and more visual elements - for easier review and an overall enhanced reference experience. Contains new images and illustrations to provide more detail and offer a clearer picture of what is seen in practice. Incorporates revisions throughout to provide you with an up-to-date overview of gastroenterology and

hepatology, including new chapters on Esophageal and Stomach Pathology, Pathology of the Lower GI Tract, Gastroesophageal Reflux and Esophageal Hernias, and Surgery of Achalasia and Esophageal Cancer. Offers reorganized and expanded sections covering the bowels and colon for more specific and easier reference: Small and Large Bowel Disorders; Colon Disorders; and General Symptoms and Conditions.

This Is Going to Hurt HarperCollins OB/GYN Board Exam Secrets is a high-yield reference, now in its Fourth Edition, that targets and summarizes what you need to know for your upcoming ABOG exams in 2021. For many candidates, board preparation is an intimidating "behind closed doors" process but this book, which has been years in the making, is the first to expose those well-kept secrets and is an absolute must-read. Your Qualifying and Certifying Examinations are not just another round of routine tests. The harsh reality is that most obstetricians and gynecologists have never even been exposed to an oral format, let alone been taught the best preparation methods for such an exam. It may feel like a game in

which you are literally left to fend for yourself and ascertain the rules on your own. But in actuality, it is far from being a sport and the stakes could not be higher. This resource is definitely the most up-to-date, in-depth guide for taking these exams and is the perfect resource for residents and fellows alike, as well as for practicing obstetricians and gynecologists. That is because it takes information from a great number of sources, some of which are obscure and difficult to access, and puts it all into one concise, easy-to-read text that will save you countless hours of research on your own. Special thanks goes to Abby Morgan, director of sales and marketing for the Warwick Melrose-Dallas Hotel, for her generous assistance in furnishing the photos for this book.

Secrets of the Mommyhood Mill City Press, Incorporated

"This national bestselling book will assist you in preparing for a positive childbirth experience and creating an easier, safer and gentler childbirth, whether you have your baby in a hospital, at a birth center or at home. The pregnancy and childbirth secrets in the book are from mothers, top childbirth professionals and researchers."--

Back cover

Pregnancy & Childbirth Secrets McGraw Hill Professional

In the US edition of this international bestseller, Adam Kay channels Henry Marsh and David Sedaris to tell us the "darkly funny" (The New Yorker) -- and sometimes horrifying -- truth about life and work in a hospital. Welcome to 97-hour weeks. Welcome to life and death decisions. Welcome to a constant tsunami of bodily fluids. Welcome to earning less than the hospital parking meter. Wave goodbye to your friends and relationships. Welcome to the life of a first-year doctor. Scribbled in secret after endless days, sleepless nights and missed weekends, comedian and former medical resident Adam Kay's *This Is Going to Hurt* provides a no-holds-barred account of his time on the front lines of medicine. Hilarious, horrifying and heartbreaking by turns, this is everything you wanted to know -- and more than a few things you didn't -- about life on and off the hospital ward. And yes, it may leave a scar.

Nephrology Secrets CRC Press

The closest you can get to seeing patients without being on the wards! Students need exposure to cases to pass the USMLE Step 2 and the obstetrics and gynecology shelf exam. This book presents 60 clinical cases illustrating essential concepts in obstetrics and gynecology. Perfect for the clerkship and the USMLE Step 2, each case includes an extended discussion, definitions of key terms, clinical pearls, and USMLE-style review questions. This interactive learning system helps you to learn instead of memorize. *60 ob/gyn cases with complete discussions *Clinical pearls highlight key points *USMLE-style comprehension questions with each case *Primer on how to approach the patient *Proven learning system improves shelf exam scores "Superior to other case file books." --Chang-Kun Choi, Medical Student, Midwestern University School of

Medicine "Using clinical scenarios not only makes the reading fun and interesting, but it is far more engaging than sitting down with a bulleted text and reviewing detail after detail. This is a much better way to learn clinical information. I have not read a book like this before, and I certainly have enjoyed it." --Eric Hossler, Medical Student, James H. Quillen College of Medicine "I LOVED this book! I would recommend this book to all third-year students... The book uses a clinical approach and does not lose sight of the pathophysiology behind the disease -- GREAT preparation for being on the wards! The subject matter is also deceptively detailed, with much more information than one normally finds in a text of case files. The reader can use this book as either a rigorous self-test or a read-through introduction to the subject. Once again - a GREAT text!" --Elizabeth Johnston, Medical Student, Emory University [Abernathy's Surgical Secrets E-Book](#) Elsevier Health Sciences Dr. Lincoln has been sharing her expertise as an OB-GYN to her millions of followers on TikTok, and now in this accessible, illustrated guide she answers real

questions about vaginal, sexual, and reproductive health for fans and new readers alike. Let's Talk About Down There is like the health class you wish you had—think evidence-based, myth-busting sex ed where shame gets tossed out the window—in a format that's as approachable as a fifteen-second video. Addressing topics such as hormones, menstrual cups, and birth control, all with the help of infographics and illustrations, this succinct, vibrant handbook answers the questions that you may have been too embarrassed to ask, so you'll be empowered to make more informed health choices and truly care for yourself. *The Best Kept Secrets in Boston* Elsevier Health Sciences ***Includes Practice Test Questions*** Secrets of the ARDMS Obstetrics and Gynecology Exam helps you ace the American Registry for Diagnostic Medical Sonography Exam, without weeks and months of endless studying. Obstetrics and Gynecology Board Review Elsevier Health Sciences Concise and easy to read, Obstetrics & Gynecology Morning Report: Beyond the Pearls is a case-based reference that covers the key material included on the USMLE Step 2 and Step 3, as well as the OB-GYN clerkship. Focusing on the practical information you need to know, it teaches how to analyze a clinical vignette in the style of a morning report conference, sharpening your clinical decision-making skills and helping you formulate an evidence-based approach to realistic patient scenarios. Eponyms and Names in Obstetrics and Gynaecology Elsevier Health Sciences When Janet Rhys Dent is diagnosed with a life-threatening illness, she decides to try to be a "good patient". With any luck, this role will give her the best chance of

recovery during the six months of medical testing and treatment that she faces. This book reveals her secret dilemmas and discoveries both inside and outside the hospital. It also records her successes and many failures as she becomes seriously involved in the quest to find out what makes a good patient. Her experiences lead her to reflect on her life, to look further into the roles of patients, to join a

support group and to seek information and enlightenment on internet sites and in philosophy and popular self-help methods. What she learns brings about a change in her attitudes, not only to being a patient but also to life and living. As to the essence of being a good patient, she discovers that the answer is simpler and more life-affirming than she had ever imagined. 'Though names and personal details have been changed for the sake of

others' privacy, all the episodes in the book are true, real-life events. I portray the new world I am thrown into; the search for knowledge about it; the people I meet; my attempts to understand and trust the hospital staff, system and treatment; and my failures and successes in adapting to many other challenges both outside and inside the hospital.' - Janet Rhys Dent, in the Introduction.
