Chronicles the career of a conflicted mortgage broker. This comical and tragic account explains the whole amazing subprime catastrophe through the story of one man. Mortgage brokers dominated the lending industry for 25 years before succumbing to the lure of ever riskier products that relentlessly

blurred their moral principles. In the end, common sense was compromised by fear of losing to the competition. Here are the outrageous, and sometimes hilarious, stories of the sale's antics of all the players of the subprime crisis. Pacific Rural Press Ballantine Books

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book,

she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter

where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook

for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

definitive book for food safety training and certification. The new ServSafe  Manager Book, 7/e continues to be ideal for courses that cover the basics, condensed courses, continuing education, and even 1-2 day seminars. The updated book will help readers prepare for the most current ServSafe Food Protection Manager Certification Exam, and more importantly, it will promote adherence to food safety practices on-the-job. Food safety has never been more important to the restaurant industry and its customers. Based on the 2013 FDA Food Code, the ServSafe Manager Book, 7/e focuses on the preventative measures to keep food safe. To better reflect the changing needs of a diverse and expanding workforce, food safety topics are

presented in a user-friendly, practical way with real-world stories to help readers understand the day-to-day importance of food safety. The streamlined delivery of food safety content will create a learning experience that is activity-based and easily comprehended by a variety of learners. The end result is content that is more focused, leading to stronger food safety practices and a better-trained workforce. Developed by the industry, for the industry, ServSafe® is a proven way to minimize risk and maximize protection for foodservice owners, employees, and customers. Recognized as the industry standard, ServSafe offers a complete suite of printed and online products and is the most important ingredient to food safety training and certification success.

Abstract: Sample examination questions and answers designed to prepare school lunch managers to pass a written civil service exam are provided in this manual from the "Passbook" series developed by the National Learning Corporation. Examination questions cover 1) menu planning and food preparation, 2) equipment, 3) requisitioning, 4) inspection and storage of supplies, 5) sanitation, and 6) supervisory practices and cafeteria management. Background information is provided on the nature and development of civil service examinations. Guidelines are given on studying for the exam, preparing for exam day, answering specific types of test questions recording responses on the answer sheet, and

performing to the best of one's overall abilities. Additional suggestions are offered for passing the final part of the civil service examination-- the interview test. An extensive glossary of key food service terms is included

The hectic, sad, ever so funny, you have to be kidding me life of a waiter and the day-to-day life of survival in the restaurant industry. Learn how to eat free and truly understand what the wait

staff is thinking as they approach your table. Wait staff are a lot like first responders. We have to be at the tables no matter what is happening in our lives or even on the planet due to, as I like to call it, the "You're kidding me, right?" factor. Even in the midst of a global cataclysm, I do not even bother calling work to see if I need to go in today, as I know the answer is always going to be yes. It can be raining bricks and fireballs, deadly hoards of the living dead can be running the streets, killing at will. A nuclear holocaust of biblical proportions can be imminently poised to strike my city, and still I need to show up, uniform and all. Why, you ask me? Because some wicked stupid idiot and his family will show at the tables up to eat.
