Cambridge IGCSE® Biology Revision Guide OUP Oxford

The outcomes-based approach of this text aims to encourage students to provide their own ideas and interpretations. Modules are divided into units, each of which can be completed in one study period. Self-assessment activities reinforce learning. Check Your Progress exercises help learners measure their progress. The modules cater for distance learners and face-to face learners alike. Glossary boxes, unit summaries, answers to questions and end-of-module assignments all facilitate the learning process. Real-life case studies from Southern Africa are included.
