Lord of the World

CreateSpace

Lord of the World is a 1907 novel by Monsignor Robert Hugh Benson that centers upon the reign of the Anti-Christ and the End of the World. It has been called prophetic by Dale Ahlquist, Joseph Pearce, Pope Benedict XVI and Pope Francis. Oliver Brand, an influential Communist MP from Croydon, listens as his secretary, Mr. Phillips, describes the seemingly inevitable rush toward war between the Confederation and the Empire. He mentions that Julian Felsenburgh, a Senator

from Vermont who looks identical to Father Percy Franklin, has unexpectedly taken charge of the American Republic's peace delegation. Felseburgh is tirelessly crisscrossing Asia and Siberia, delivering speeches to rapt audiences. In conversation with his wife, Mabel, Oliver comments that war between the Confederation and the Empire will be "Armageddon with a vengeance", and expresses hope that Senator Felsenburgh will save the day. Although Mabel Brand appears concerned, her husband responds, "My dear, you must not be downhearted. It may pass as it all passed before. It is a great thing that we are listening to America at

all. And this Mr. Felsenburgh seems to be on the right side." Westminster Cathedral, London. Over breakfast, Oliver frets about his upcoming trip to Birmingham, where the outraged population is again demanding the right to trade freely with the American Republic. As his mind returns to the possible war against the Empire, Brand ponders that the real problem is the survival of religious belief in the Eastern Empire- Buddhism, Islam, Sufism, Confucianism, and Pantheism. In Great Britain, only Catholicism remains in "a few darkened churches" and "with hysterical sentimentality" in Westminster Cathedral. He ponders with disgust how, against

his opposition, Ireland was granted Home Rule and "opted for Catholicism." Furthermore, the city of Rome was "given up wholly" to Pope John XXIV, who has transformed it into a Hong Kong-style enclave where "mediaeval darkness" reigns supreme. He recalls with outrage how the Italian Republic was forced to move its capital to Turin. As he departs to catch a volar to Birmingham, Oliver looks out at "the grey haze of London, really beautiful, this vast hive of men and women who had learned at least the primary lesson of the gospel that there was no God but man, no priest but the politician, and no prophet but the schoolmaster

I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like "one marble hits another." The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintry in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe haven of their

sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth of journal entries, this heart-pounding story chronicles Miranda's struggle to hold on to the most important resource of all--hope--in an increasingly desperate and unfamiliar world. An extraordinary series debut Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*.

Lord of the World is a 1907 novel by Monsignor Robert Hugh

Benson that centers upon the reign of the Anti-Christ and the End of the World. It has been called prophetic by Dale Ahlquist, Joseph Pearce, Pope Benedict XVI and Pope Francis. Robert Hugh Benson (1871-1914) was the youngest son of Edward White Benson, Archbishop of Canterbury, and younger brother of Edward Frederic Benson. In 1895, he was ordained a priest in the Church of England by his father who was then Archbishop of Canterbury. After many years of questioning and soul-searching he was received into the Roman Catholic Church in 1903. He was ordained a Catholic priest in 1904 and named a Monsignor in 1911. This book,

written in 1907, is Benson's dystopic vision of a near future world in which religion has, by and large, been rejected or simply fallen by the wayside. The Catholic Church has retreated to Italy and Ireland, while the majority of the rest of the world is either Humanistic or Pantheistic. There is a 'one world' government, and euthanasia is widely available. The plot follows the tale of a priest, Percy Franklin, who becomes Pope Silvester III, and a mysterious man named Julian Felsenburgh, who is identical in looks to the priest and who becomes "Lord of the World." "The one condition of progress...on the planet that happened to be men's dwelling

place, was peace, not the sword which Christ brought or that which Mahomet wielded; but peace that arose from, not passed, understanding; the peace that sprang from a knowledge that man was all and was able to develop himself only by sympathy with his fellows..."

In this volume we present three novels by English writer Robert Hugh Benson, an Anglican and then Catholic Priest turned writer. He was lauded in his own day as one of the leading figures in English literature, having written the notable book *Lord of the World*, which centers upon the reign of the Anti-Christ and

the End of the World. It has been called prophetic, among others, by Pope Benedict XVI and most recently, Pope Francis, which has rendered the work extremely popular recently. He also wrote a second book to that series, *The Dawn of All*, in a more positive tone. *Lord of the World* We included in this volume a rather interesting and rare novel, *A MIRROR OF SHALOTT*, which narrates the supernatural encounters of a group of priests who have all faced their quota of ghost and spirits throughout their careers.

I AM AN OUTLAW.

Once, I was a global citizen: manipulated, medic by day, ecstasy, parties, drugs and entertainment by night. I have been living a lie. During a terror attack in London, I stopped to give medical care—and was kidnapped. Behind the border, I discovered a wild world of Outer Areas, the woman I once loved and still do, an outlaw army of crazy fanatics, and the corrupt Global Peace Army equipped with

exoskeletons and drones, hiding unspeakable secrets about the entire world—and my role in it. My name is Adama. All I wanted to do was to find her. To find redemption. But they call me Prometheus. Because I have ignited a fire that is about to consume the entire world. ★★★★★

"Nothing like you think it is going to be, but way way better."

"That's the kind of stories I look for and this book, DELIVERS!!!!!!" "A real page-turner, unapologetic and fascinating. The kind of book you cannot put down and will find you re-reading all over again." THE PROMETHEUS PROPHECY by D. F. Wink is a near future techno thriller - book

one in an exhilarating dystopian trilogy. It depicts a dystopian society with a cast of unique characters, epic settings, historical battles and a mixture of science and mythology. If you are looking for your next, much darker, Hunger Games, then get Book 1 of the Prometheus Trilogy.

In or about the year 2000, humanity has reached "that incredibly lofty goal to which its intrinsic efforts can carry it" -- but rejected everything but crass materialism. Technology has advanced to the point where no one need work for a living, while the social sciences have achieved a

smoothly-running if almost unbearably sterile social order. Formal religious beliefs except for Catholicism have been uprooted and eliminated as coherent systems, and the Catholic Church has been completely discredited in the eyes of the world, finally being outlawed. The result is everything the late Victorians and Edwardians believed would bring human happiness -- and which brings nothing but the advent of new superstitions, despair, and the end of the world ... maybe.

An incredibly prophetic book "I advise you to read it, you'll understand well

what I mean by ideological colonization." - Pope Francis Written in 1907, Lord of the World, is a dystopian science fiction novel, accurately predicts a future world which includes legalized euthanasia, mass communication, rapid transport, air travel, weapons of mass destruction... Robert Hugh Benson describes a future ruled by the Antichrist who becomes 'Lord of the World', a nightmare where "creeping secularism and Godless humanism have triumphed over religion and traditional morality". This book is shocking how prophetic it is, it's an apocalyptic vision of the so-called progress of modern man. This author reveals a lot of

what we are experiencing today. This masterpiece is a must-read not only to Catholics, but also to anyone else who is worried about the direction that western civilization is going. It is time to think seriously about our eternity! Large Print Edition (easy-to-read layout).

This eBook has been formatted to the highest digital standards and adjusted for readability on all devices. Lord of the World is a dystopian novel that centers upon the reign of the Anti-Christ and the End of the World. In early 21st century London, two priests, the white-haired Father Percy

Franklin and the younger Father John Francis, are visiting the subterranean lodgings of the elderly Mr. Templeton. A Catholic and former Conservative Member of Parliament who witnessed the marginalization of his religion and the destruction of his party, Mr. Templeton describes to the two priests the last century of British and world history.

Future Home of the Living God Story Artist via PublishDrive
2015 Reprint of 1907 Edition. Full facsimile of the original edition. Not reproduced with Optical Recognition Software. AN EXACT FACSIMILE OF THE ORIGINAL BRITISH EDITION PRESERVING THE ORIGINAL FONT AND PAGINATION.

Benson's dystopian novel continues to draw interest over 100 years after its original publication. The world depicted in "Lord of the World" is one where creeping secularism and godless humanism have triumphed over traditional morality. It is a world where philosophical relativism has triumphed over objectivity; a world where, in the name of tolerance, religious doctrine is not tolerated. It is a world where euthanasia is practiced widely and religion hardly practiced at all. The lord of this nightmare world is a benign-looking politician intent on power in the name of "peace," and intent on the destruction of religion in the name of "truth." In such a world, only a small and

shrinking Church stands resolutely against the demonic "Lord of the World." At its heart, it is a novel about the Antichrist, who will tempt Christians to apostasy before Christ's Second Coming. It describes the final battle in the supernatural war for souls that has been fought continually both in heaven and on earth from the time of the Fall and will conclude with the general judgment; thereupon will follow the creation of a new heaven and a new earth.

Notable Book Louise
Erdrich, the New York
Times bestselling,
National Book Award-

winning author of
LaRose and The Round
House, paints a
startling portrait of a
young woman fighting
for her life and her
unborn child against
oppressive forces that
manifest in the wake of
a cataclysmic event.
The world as we know
it is ending. Evolution
has reversed itself,
affecting every living
creature on earth.
Science cannot stop
the world from running
backwards, as woman
after woman gives
birth to infants that
appear to be primitive
species of humans.
Twenty-six-year-old
Cedar Hawk
Songmaker, adopted
daughter of a pair of
big-hearted, open-
minded Minneapolis
liberals, is as disturbed
and uncertain as the
rest of America around
her. But for Cedar, this

change is profound and deeply personal. She is four months pregnant. Though she wants to tell the adoptive parents who raised her from infancy, Cedar first feels compelled to find her birth mother, Mary Potts, an Ojibwe living on the reservation, to understand both her and her baby's origins. As Cedar goes back to her own biological beginnings, society around her begins to disintegrate, fueled by a swelling panic about the end of humanity. There are rumors of martial law, of Congress confining pregnant women. Of a registry, and rewards for those who turn these wanted women in. Flickering through the chaos are signs of increasing repression: a shaken Cedar

witnesses a family wrenched apart when police violently drag a mother from her husband and child in a parking lot. The streets of her neighborhood have been renamed with Bible verses. A stranger answers the phone when she calls her adoptive parents, who have vanished without a trace. It will take all Cedar has to avoid the prying eyes of potential informants and keep her baby safe. A chilling dystopian novel both provocative and prescient, *Future Home of the Living God* is a startlingly original work from one of our most acclaimed writers: a moving meditation on female agency, self-determination, biology, and natural rights that speaks to the troubling changes of our time.

Robert Hugh Benson
wrote two mystical
visions of the future.
"The Dawn of All" is an
extremely romantic
and improbable 1911
parable of a 1971
world mostly Catholic
and at peace, ready for
the Second Coming.
"The Lord of the World"
came first, in 1907,
and was a darker
vision. A world of flying
craft, major scientific
advances, and comfort
has become a place of
materialist despair.
Euthanasia is routine,
for the desperately ill
and the terminally
bored. Oliver and
Mabel Brand, a rising
young couple, are the
golden ones -- Oliver
becomes a major
political figure, but
Mabel chooses the cool
despairing end of legal
euthanasia. Father
Percy Franklin is one of
the last Catholic priests

in a world hostile to freedom, church, university, and history. Eventually elected the last Pope, he is restricted to the dusty forgotten village of Nazareth. Julian Felsenburgh is a charismatic American adventurer who means to and does become Lord of the World, anti-Christ. Details are less important than the very modern mood. Believing in progress as the only good, people are swept into any movement that promises it. The past is ruthlessly exterminated. The quest for one world government that begins with Esperanto ends with one world dictatorship.

Lord of the World

(Large Print) Blurb

The gospel of Jesus Christ is not about what Jesus can do for your life. It is not even the answer to the question, "How can I be saved?" It is the declaration of a victory. In His coming to earth, His suffering, and His Resurrection, Christ conquered demons, sin, and death. In Arise, O God, author and podcaster Fr. Andrew Stephen Damick introduces us to the spiritual war that Christ won by His

victory, how we are caught in that war's cosmic crossfire, what the true content of the gospel is-and how we are to respond.

Lord of the World

Ignatius Press

Lord of the World is a dystopian sci-fi book by Robert Hugh Benson, which was first published in 1907. It centres on the Antichrist and the end of the world, and has been called prophetic by the current Pope and the previous one. Whilst the whole Antichrist matter is one for Christians, it is true that Benson, like Jules Verne, did accurately predict some technological advances, such as weapons of mass destruction, passenger air travel, and interstate highways. The book is a dystopic

vision of a near future world in which religion has, by and large, been rejected. The Catholic Church has retreated to Italy and Ireland, while the majority of the rest of the world is either Humanistic or Pantheistic. There is a one world government, and euthanasia is widely available. The plot follows the tale of a priest, Percy Franklin, who becomes Pope Silvester III, and a mysterious man named Julian Felsenburgh, who is identical in looks to the priest and who becomes Lord of the World.

Matt has always been nothing but a clone - an exact replica, grown from a strip of old El

Patron's skin. Now, age fourteen, Matt suddenly finds himself thrust into the position of ruling over his own country, Opium, on the one-time border between the US and Mexico, stretching from the ruins of San Diego to the ruins of Matamoros. But while Opium thrives, the rest of the world has been devastated by ecological disaster... and hidden somewhere in Opium is the cure. And that isn't all that's hidden within the depths of Opium. Matt is haunted by the ubiquitous army of eejits, zombie-like workers harnessed to the old El Patron's sinister system of drug growing... people stripped of the very qualities which once made them human. Matt wants to use his

newfound power to help stop the suffering, but he can't even find a way to smuggle his childhood love Maria across the border and into Opium. Instead, his every move hits a roadblock - both from the traitors that surround him and from a voice within himself. For who is Matt really but the clone of an evil, murderous dictator?

Benson writes: "I am perfectly aware that this is a terribly sensational book, and open to innumerable criticisms on that account, as well as on many others. But I did not know how else to express the principles I desired (and which I

passionately believe to be true) except by producing their lines to a sensational point. I have tried, however, not to scream unduly loud, and to retain, so far as possible, reverence and consideration for the opinions of other people. Whether I have succeeded in that attempt is quite another matter."

Lord of the World

Independently

Published

Lord of the World.

Completely re-typeset with a beautiful interior. One of Pope Francis's favorite novels, Benson's 1907 apocalyptic tale of the Antichrist is one of the first modern dystopias. Humanism has eliminated world conflict but practices a subtle barbarism upon the human mind.

Religion is either suppressed or ignored. The Catholic Church, confined to ghettos, occupies an increasingly perilous position in the public square. The populace turns toward euthanasia as the solution to bodily pain and spiritual crisis. Meanwhile, a mysterious figure of apparent hope, Julian Felsenburgh, rises to become the head of a single world government. The plot follows a priest, Father Percy Franklin, who finds himself caught up in the final and increasingly open struggle between Antichrist and Christ. Note: In this edition (ISBN 1507790503), Latin phrases are translated in footnotes. "Interesting it must be to all to whom the

deepest convictions of a man's heart are of moment. And in the artistic balance and taste of Father Benson's literary power every reader will find delight." -- New York Times "Mr. Benson sees the world, ...generations hence, free at last from all minor quarrels, and

ranged against itself in two camps, Humanitarianism for those who believe in no divinity but that of man, Catholicism for those who believe in no divinity but that of God." -- London Times "The book as art is beautiful, delicately balanced, deeply inspired, intelligently executed." --Putnam's
