Making Love with the Land Rodale

Berger, son of the failed poet L.B. Berger, is in the grips of an obsession. The Gursky family with its colourful bootlegging history, its bizarre connections with the North and the Inuit, and its wildly eccentric relations, both fascinates and infuriates him. His quest to unravel their story leads to the enigmatic Ephraim Gursky: document forger in Victorian England, sole survivor of the ill-fated Franklin expedition and charismatic religious leader of the Arctic. Of Ephraim's three grandsons, Bernard has fought, wheeled and cheated his way to the head of a liquor empire. His brother Morrie has reluctantly followed along. But how does Ephraim's protege, Solomon, fit in? Elusive, mysterious and powerful, Solomon Gursky hovers in the background, always out of Moses' grasp, but present-like an omen.

This accompanying catalogue to largest exhibition of Matthew Barney's extraordinary drawings to date explores this central aspect of the artist's important body of work. Drawing has always been an incredibly important part of Matthew Barney's practice: his first major work—completed while still at Yale Art

School—involved him creating a wall drawing while harnessed to the ceiling of his studio. In this exhibition and accompanying catalogue, one hundred of the artist's most important drawings are presented from his major series of works—including "The Cremaster Cycle," "The Drawing Restraint" series, and most notably "Ancient Evenings," the body of work that has occupied the artist in the last few years (and is based on Norman Mailer's ancient Egyptian-inspired novel of the same name). This exhibition and catalogue also represent a unique collaboration between the artist and the august Morgan Library, in which he was invited by the institution to mine their extensive holdings in order to include objects (drawings, manuscripts, etc.) in the installation of his work, to create an interesting framework around the many ideas the artist is exploring. In addition to a major essay by curator Klaus Kertess, who considers the many themes the artist draws from, the book includes a poetic contribution by artist Roni Horn and an insightful text by Adam Phillips, noted psychoanalyst.

#1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power

becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 500 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read Daring Greatly and Rising Strong or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership. Once Simon and Schuster

Felix, a Jewish boy in Poland in 1942, is hiding from the Nazis in a Catholic orphanage. The only problem is that he doesn't know anything about the war, and thinks he's only in the orphanage while his parents travel and try to salvage their bookselling business. And when he thinks his parents are in danger, Felix sets off to warn them--straight into the heart of Nazi-occupied Poland. To Felix, everything is a story: Why did he get a whole carrot in his soup? It must be sign that his parents are coming to get him. Why are the Nazis burning books? They must be foreign librarians sent to clean out the orphanage's outdated library. But as Felix's journey gets increasingly dangerous, he begins to see horrors that not even stories can explain. Despite his grim surroundings, Felix never loses hope. Morris Gleitzman takes a painful subject and expertly turns it into a story filled with love, friendship, and even humor.

Ebullient and perverse, thrice married, Barney Panofsky has always clung to two cherished beliefs: life is absurd and nobody truly ever understands anybody else. But when his sworn enemy publicly states that Barney is a wife abuser, an intellectual fraud and probably a murderer, he is driven to write his own memoirs. Charged with comic energy and a wicked disregard for any pieties whatsoever, Barney's Version is a brilliant portrait of a man whom Mordecai Richler has made uniquely memorable for all time. It is also an unforgettable love story, a story about family and the riches of friendship.

St. Urbain's Horseman is a complex, moving, and wonderfully comic evocation of a generation consumed with guilt - guilt at not joining every battle, at not healing every wound. Thirty-seven-year-old Jake Hersh is a film director of modest success, a faithful husband, and a man in disgrace. His alter ego is his cousin Joey, a legend in their childhood neighbourhood in Montreal. Nazi-hunter, adventurer, and hero of the Spanish Civil War, Joey is the avenging horseman of Jake's impotent dreams. When Jake becomes embroiled in a scandalous trial in London, England, he

puts his own unadventurous life on trial as well, finding it desperately wanting as he steadfastly longs for the Horseman's glorious return. Irreverent, deeply felt, as scathing in its critique of social mores as it is uproariously funny, St. Urbain's Horseman confirms Mordecai Richler's reputation as a pre-eminent observer of the hypocrisies and absurdities of modern life.

Novelist Guy Ableman is in thrall to his vivacious wife Vanessa, a strikingly beautiful red-head, contrary, highly strung and blazingly angry. The trouble is, he is no less in thrall to her alluring mother, Poppy. More like sisters than mother and daughter, they come as a pair, a blistering presence that destroys Guy's peace of mind, suggesting the wildest stories but making it impossible for him to concentrate long enough to write any of them. Not that anyone reads Guy, anyway. Not that anyone is reading anything. Reading, Guy fears, is finished. His publisher, fearing the same, has committed suicide. His agent, like all agents, is in hiding. Vanessa, in the meantime, is writing a novel of her own. Guy doesn't expect her to finish it, or even start it, but he dreads the consequences if she does. In flight from personal disappointment and universal despair, Guy wonders if it's time to take his love for Poppy to another level. Fiction might be dead, but desire isn't.

And out of that desire he imagines squeezing one more great book. By turns angry, elegiac and rude, *Zoo Time* is a novel about love - love of women, love of literature, love of laughter. It shows our funniest writer at his brilliant best.

A moving and deeply personal excavation of Indigenous beauty and passion in a suffering world The novel Jonny Appleseed established Joshua Whitehead as one of the most exciting and important new literary voices on Turtle Island, winning both a Lambda Literary Award and Canada Reads 2021. In *Making Love with the Land*, his first nonfiction book, Whitehead explores the relationships between body, language, and land through creative essay, memoir, and confession. In prose that is evocative and sensual, unabashedly queer and visceral, raw and autobiographical, Whitehead writes of an Indigenous body in pain, coping with trauma. Deeply rooted within, he reaches across the anguish to create a new form of storytelling he calls “biostory”—beyond genre, and entirely sovereign. Through this narrative perspective, *Making Love with the Land* recasts mental health struggles and our complex emotional landscapes from a nefarious parasite on his (and our) well-being to kin, even a relation, no matter what difficulties they present to us. Whitehead ruminates on loss and pain without shame or ridicule but rather highlights waypoints for personal transformation. Written in the aftermath of heartbreak, before and during the pandemic, *Making Love with the Land* illuminates this present moment in which both Indigenous and non-Indigenous people are rediscovering old ways

and creating new ones about connection with and responsibility toward each other and the land. Intellectually audacious and emotionally compelling, Whitehead shares his devotion to the world in which we live and brilliantly—even joyfully—maps his experience on the land that has shaped stories, histories, and bodies from time immemorial.

Charged with comic energy and a steely disregard for any pieties whatsoever, *Barney's Version* is a major Richler novel, the most personal and feeling book of a long and distinguished career. Told in the first person, it gives us the life (and what a life!) of Barney Panofsky--whose trashy TV company, Totally Useless Productions, has made him a small fortune; whose three wives include a martyred feminist icon, a quintessential JCP (Jewish-Canadian Princess), and the incomparable Miriam, the perfect wife, lover, and mother--alas, now married to another man; who recalls with nostalgia and pain his young manhood in the Paris of the early fifties, and his lifelong passion for wine, women, and the Montreal Canadiens; who either did or didn't murder his best friend, Boogie, after discovering him in bed with The Second Mrs. Panofsky; whose satirical eye for the idiocies of today's Quebec separatists (as well as for every other kind of political correctness) manages to offend his entire acquaintanceship (and will soon be offending readers everywhere); and whose memory--though not his bile--is, in his sixty-seventh year, definitely slipping

FINALIST FOR THE WRITERS' TRUST FICTION PRIZE A GLOBE AND MAIL BEST BOOK The perfect next read for fans of Ottessa Moshfegh and George Saunders, an electrifying debut about a woman who is transformed into a real life “flesh-and-blood Wailing Wall” as strangers unburden their sins to her at every turn. Lucy is a lapsed Catholic whose adolescent pretensions to sainthood are unexpectedly revived following the disturbing deathbed confession of her cousin Zoltán. Afterwards, Lucy becomes a magnet for the unshriven, and she's transformed into a self-described “flesh-and-blood Wailing Wall” as strangers unburden themselves to her. Lucy finds herself addicted to these dark stories, craving hit after hit. As the confessions pile up, Lucy begins to wonder if Zoltán's death was as random and unscripted as it appeared. She clutches at alarming synchronicities and seeks meaning from the strangers' stories, wondering why they seem connected to each other and eerily echo elements of her own life. With ruthless wit and dizzying energy, *The Beguiling* explores blessings and curses, sainthood and sin, mortality and guilt in all its guises. Weaving together tales of errant mothers, vengeful plants, canine wisdom, and murder, this electrifying debut novel lays bare the sacrifices some are willing to make to get what they think they desire.
