Beloved bestselling author Cressida Cowell once again brings her trademark wit and stunning combination of action, adventure, humor, and incredible artwork to this epic new adventure, sure to transport and enchant readers. Stunningly written, magnificent in scope, hilarious and thrilling,

Knock Three Times immerses you in a world you won't ever wish to leave. *The Thursday Murder Club* UPNE A moving and revealing exploration of ultra-Orthodox Judaism and one man's loss of faith Shulem Deen was raised to believe that questions are dangerous. As a member of the Skverers, one of the most insular Hasidic sects in the US, he knows little about the outside world—only that it is to be

shunned. His marriage at eighteen is arranged and several children soon follow. Deen's first transgression—turning on the radio—is small, but his curiosity leads him to the library, and later the Internet. Soon he begins a feverish inquiry into the tenets of his religious beliefs, until, several years later, his faith unravels entirely. Now a heretic, he fears being discovered and ostracized from the only

world he knows. His relationship with his family at stake, he is forced into a life of deception, and begins a long struggle to hold on to those he loves most: his five children. In *All Who Go Do Not Return*, Deen bravely traces his harrowing loss of faith, while offering an illuminating look at a highly secretive world. *Once, Twice, Three Times A Baby!/The Surprise Triplets/Triple the Fun* Simon

and Schuster From the New York Times bestselling author of *The Unhoneymooners* and the “delectable, moving” (Entertainment Weekly) *My Favorite Half-Night Stand* comes a modern love story about what happens when your first love reenters your life when you least expect it... Sam Brandis was Tate Jones's first: Her first love. Her first everything. Including her first heartbreak. During a

whirlwind two-week vacation abroad, Sam and Tate fell for each other in only the way that first loves do: sharing all of their hopes, dreams, and deepest secrets along the way. Sam was the first, and only, person that Tate—the long-lost daughter of one of the world’s biggest film stars—ever revealed her identity to. So when it became clear her trust was misplaced, her world shattered for

good. Fourteen years later, Tate, now an up-and-coming actress, only thinks about her first love every once in a blue moon. When she steps onto the set of her first big break, he’s the last person she expects to see. Yet here Sam is, the same charming, confident man she knew, but even more alluring than she remembered. Forced to confront the man who betrayed her,

Tate must ask herself if it’s possible to do the wrong thing for the right reason... and whether “once in a lifetime” can come around twice. With Christina Lauren’s signature “beautifully written and remarkably compelling” (Sarah J. Maas, New York Times bestselling author) prose and perfect for fans of Emily Giffin and Jennifer Weiner, *Twice in a Blue Moon* is an unforgettable and moving

novel of young love and second chances. *Not Once, Not Twice, But Three Times* Penguin The third book in Emer McLysaght and Sarah Breen's phenomenally successful, No. 1 bestselling Complete Aisling book series. Aisling's turning 30, and she's still a complete Aisling. Once Upon a Twice

Penguin Aisling is twenty-eight and she's a complete ... Aisling. She lives at home in Ballygobbard (or Ballygobackwards, as some gas tickets call it) with her parents and commutes to her good job at PensionsPlus in Dublin. Aisling goes

out every Saturday night with her best friend Majella, who is a bit of a hames (she's lost two phones already this year - Aisling has never lost a phone). They love hoofing into the Coors Light if they're 'Out', or the vodka and Diet Cokes if they're 'Out Out'. Ais spends two nights a week at her boyfriend John's. He's from down home and was kiss number seventeen at her twenty-first. But

Aisling wants more. She wants the ring on her finger. She wants the hen with the willy straws. She wants out of her parents' house, although she'd miss Mammy turning on the electric blanket like clockwork and Daddy taking her car 'out for a spin' and bringing it back full of petrol. When a week in Tenerife with John doesn't end with the expected engagement, Aisling calls a halt to things and soon she has surprised

herself and everyone else by agreeing to move into a three-bed in Portobello with stylish Sadhbh from HR and her friend, the mysterious Elaine. Newly single and relocated to the big city, life is about to change utterly for this wonderful, strong, surprising and funny girl, who just happens to be a complete Aisling. Always Look Twice Gill & Macmillan Ltd An amoral young tramp. A beautiful,

sullen woman with an inconvenient husband. A problem that has only one grisly solution--a solution that only creates other problems that no one can ever solve. First published in 1934 and banned in Boston for its explosive mixture of violence and eroticism, The Postman Always Rings Twice is a classic of the roman noir. It established James M. Cain as a major novelist with an unsparing vision of

America's
bleak
underside,
and was
acknowledged
by Albert
Camus as the
model for *The
Stranger*.

Demarco was still rambling when Jeremy put one hand up in his face in the gesture of talk to the hand and said sharply, Look! I am so tired of this whole scene right now. Are you going to tell her who I really am or do I need to tell her myself? Demarco instantly fell silent, his eyes big as saucers as he looked pleadingly at Jeremy. Hearing Jeremys nasally voice and seeing his suddenly

magnified feminine gestures really woke me up with a jolt. Whatever denial I had been experiencing the last few minutes was now gone. I was immediately very aware of the situation that was before me. I looked at Jeremy, then Demarco. I felt my chest start to tighten and my breathing became short and sporadic. I started to back away from them both saying, Nooooo, noooo this

cant be, this is not happening! As I repeatedly shook my head no, I could feel the tears falling down my face. I screamed at Demarco, You lied! You lied to me! I asked you if you were gay. You swore to me that you werent, I can't believe this is happening! Like most little girls I always fantasized about my knight in shining armor riding in on his white horse and carrying me off into the sunset. Instead of my

dream man I got a down-low gay man, a cocaine-addicted famous rapper and a psycho maniac stalker. Yes, you read right. I know that there are other women out there who can relate because they may have experienced at least one of these situations. It is very rare and next to impossible to find a woman who has gone through all three situations, but I did. This is the true story of my life with

these three men. As you read my autobiographical memoir you will see that due to bad judgment, bad decisions and loving the wrong man time and time again my life has had many mind-blowing and incredulous episodes. I hope that through reading my story I save the next woman from inevitable heartbreak and devastation disguised as true love.

 “[An] exquisitely crafted tale...Part epistolary romance, part mind-blowing science fiction adventure, this dazzling story unfolds bit by bit,

revealing layers of meaning as it plays with cause and effect, wildly imaginative technologies, and increasingly intricate wordplay...This short novel warrants multiple readings to fully unlock its complexities.” —Publishers Weekly (starred review) From award-winning authors Amal El-Mohtar and Max Gladstone comes an enthralling, romantic novel spanning time

and space about two time-traveling rivals who fall in love and must change the past to ensure their future. Among the ashes of a dying world, an agent of the Commandment finds a letter. Now, what began as a taunt, a battlefield

boast, becomes something more. Something epic. Something romantic. Something that could change the past and the future. Except the discovery of their bond would mean the death of each of them. Joseph Bastian had to have been the most handsome man that Katherine had ever met. It really was unfortunate that he was also the most stubborn, controlling, downright infuriating jackass she'd ever known as well. Oh, and there was the fact that he was a werewolf - a werewolf who has bitten her. Sixteen-year-old Katherine Mayes had never believed in mythological creatures like

werewolves or mermaids – certainly not those sparkly vampires that her friend Abby was obsessed with. Even when she’s bitten by a massive animal after a reckless night of teenage adventure and her body begins to change in mystifying ways, she can’t force herself to believe in what she’s convinced is impossible. Little does she realize she’s been infected with a disease a little more permanent

than the rabies she feels fortunate to have not contracted. Lycanthropy. Her fierce denial is soundly shattered, however, when she is simultaneously saved and kidnapped by Bastian and his pack. Forced to leave small town Iowa behind and adjust to their way of life in a hidden society, Katherine must also deal with fighting the pull she feels towards the man – or wolf, rather –

who has bitten her and disrupted her life so completely. **Aisling And The City**
