## EILEEN ARTHUR

---

*The Throat and the Voice* W. W. Norton & Company

From the Foreword. In 1949, while I was visiting Ezra Pound who was a political prisoner at St. Elizabeth's Hospital, Washington, D.C. (a Federal institution for the insane), Dr. Pound asked me if I had ever heard of the Federal Reserve System. I replied that I had not, as of the age of 25. He then showed me a ten dollar bill marked ""Federal Reserve Note"" and asked me if I would do some research at the Library of Congress on the Federal Reserve System which had issued this bill. Pound was unable to go to the Library himself, as he was being held without trial as a political prisoner by the United States government. After he was denied broadcasting time in the U.S., Dr. Pound broadcast from Italy in an effort to persuade people of the United States not to enter World War II. Franklin D. Roosevelt had personally ordered Pound's indictment, spurred by the demands of his three personal assistants, Harry Dexter White, Lauchlin Currie, and Alger Hiss, all connected with Communist espionage.

*Survive--The Economic Collapse* Pan Macmillan

"A valuable cram course in how to survive the rest of your life." - James Howard Kunstler. Author of *The Long Emergency*, *Too Much Magic*, *The Geography of Nowhere*, and *The World Made By Hand* For billions of people, the ongoing economic crisis has marked the end of the world as we know it. The "American Dream" (and ones like it) of a guaranteed job, a home, and a pension, has given way to the nightmare of unemployment, unpayable debt, depression, and uncertainty. In *Survive The Economic Collapse*, Piero San Giorgio looks behind the headlines and sound bites and demonstrates that today's economic crisis is no temporary "downturn," nor is it simply the result of bad policies. The crisis is the beginning of the end of a global paradigm when expectations of endless economic growth and progress crash up against the reality of scarcity and limited resources. The implications of the collapse cannot be ignored: a steep decline in living standards due to the evaporation of easy credit; a new political landscape that might inspire nationalism, geopolitical reshuffling, and wars over resources; and, potentially, a reduction in global population. No mere doom-sayer, San Giorgio explains not just how to understand the crisis but overcome it to foster a resilient community, stay healthy, and become self-sufficient and productive in the "interesting times" that lie ahead. Packed with tactical information and resources, *Survive* is nothing less than a field manual for the apocalypse. This edition has been thoroughly reedited and includes an extensive postscript detailing

global developments in the past decade.

*Eurabia-paperback* Editions L'Harmattan

Anthropologist Myerhoff's penetrating exploration of the aging process is brilliant sociology--as well as living history--that tells readers about the importance of ritual, the agonies of aging, and the indomitable human spirit. "(The book) shines with the luminous wit of old age".--Robert Bly.

**As Is the Tree and the Leaves of the Tree** Calmann-Lévy

Tess, an aspiring seamstress, thinks she's had an incredibly lucky break when she is hired by famous designer Lady Lucile Duff Gordon to be her personal maid on the Titanic. Once on board, Tess catches the eye of two men—a kind sailor and an enigmatic Chicago businessman—who offer differing views of what lies ahead for her in America. But on the fourth night, disaster strikes, and amidst the chaos, Tess is one of the last people allowed on a lifeboat. The survivors are rescued and taken to New York, but when rumors begin to circulate about the choices they made, Tess is forced to confront a serious question. Did Lady Duff Gordon save herself at the expense of others? Torn between loyalty to Lucile and her growing suspicion that the media's charges might be true, Tess must decide whether to stay quiet and keep her fiery mentor's good will or face what might be true and forever change her future.

*De Esther à Fatima* University of Pennsylvania Press

Traces the stories of entrepreneurs who rose from the ashes of the dot-com bust to create groundbreaking new Web companies, in an account that documents the success stories of such examples as Facebook, MySpace, and YouTube.

*Circle in the Darkness* Harvard University Press

Des instantanés dans le quotidien des Maghrébins, juifs ou musulmans, en France ou au Maroc, en solos ou en s'interagissant, à l'ombre de forces aussi influentes qu'indéfinies. Florilèges de quelques situations familiales auxquelles on aimerait donner quelques éclaircissements. Évocations d'antagonismes communautaires, historiques ou actuels, réels ou potentiels. Ainsi se présente l'ambition modeste de ce recueil de nouvelles.

*Life Values and Adolescent Mental Health* Penguin

This title comes from the Political Extremism and Radicalism digital archive series which provides access to primary sources for academic research and teaching purposes. Please be aware that users may find some of the content within this resource to be offensive.

*Arabs of the Jewish Faith* U of Nebraska Press

In the secret world of spies and covert operations, no intelligence service continues to be as

surrounded by myth and mystery as Israel's Mossad. Gideon's Spies reveals the extent of Mossad's involvement in an astonishing range of world events including Irangate, the attempted assassination of Pope John Paul II, the Monica Lewinsky scandal and the death of Robert Maxwell. Fully revised for the paperback, new revelations include the mysterious events surrounding the 1992 El Al jet crash in Amsterdam, the tracking down of Kurdish rebel leader Abdullah Ocalan, and more details on Mossad's involvement in the crash which killed Princess Diana and Dodi Fayed. 'A fascinating look at a spy organization that has remained off limits to most journalists. Some of the incredible episodes Gordon Thomas writes about seem like they belong in fiction, and yet this is a first-rate non-fiction account.' GQ 'Using eye-witness accounts from directors, agents, and even assassins, Thomas goes where few writers have gone before - inside Mossad, Israel's ruthless, super-secretive intelligence agency.' Maxim 'A compelling read, with any number of disturbing revelations.' FHM

*Once You're Lucky, Twice You're Good* Fairleigh Dickinson Univ Press

This intricate and profound exploration of Kabbalistic symbolism as applied to the human body is a classic in French esoteric circles. It is the life work of psychotherapist Annick de Souzenelle, whose tremendous depth of thought has been partially inspired by the depth psychology of C. G. Jung. De Souzenelle incorporates the symbolism of the Hebrew language with biblical references and her understanding of Kabbalistic spirituality to present the Kabbalistic tree of life as a pattern of the human body in all its various parts and vital organs, from the bottom of the feet to the top of the head. Not only is hers an important work in the field, it also affords some flavor of the rich French esoteric tradition. *The Body and Its Symbolism* will be sought after by advanced students of the Western esoteric traditions, especially Kabbalah.

*Midnight at the Pera Palace: The Birth of Modern Istanbul* Editions L'Harmattan

In a wide-ranging set of essays on political, literary, and cultural figures, this book traces the history of nationalism in France in all its permutations?its myths, obsessions, possibilities, and dangers.

*Physical Control Methods in Plant Protection* Psychology Press

Secularism in Question examines how twentieth-century revivals of religion prompt a reconsideration of many issues concerning Jews and Judaism in the modern era. Scholars of Jewish history, religion, philosophy, and literature illustrate how the categories of "religious" and "secular" have frequently proven far more permeable than fixed.

*The Commanding Self* Octagon Press Ltd

An investigation of Jewish identity politics and Jewish contemporary ideology using both popular culture and scholarly texts. Jewish identity is tied up with some of the most difficult and contentious issues of today. The purpose in this book is to open many of these issues up for discussion. Since Israel defines itself openly as the 'Jewish State', we should ask what the notions of 'Judaism', 'Jewishness', 'Jewish culture' and 'Jewish ideology' stand for. Gilad examines the tribal aspects embedded in Jewish secular discourse, both Zionist and anti-Zionist; the 'holocaust religion'; the meaning of 'history' and 'time' within the Jewish political discourse; the anti-Gentile ideologies entangled within different forms of secular Jewish political discourse and even within the Jewish left. He questions what it is that leads Diaspora Jews to identify themselves with Israel and affiliate with its politics. The devastating state of our world affairs raises an immediate demand for a conceptual shift in our intellectual and philosophical attitude towards politics, identity politics and history.

*The Secrets of the Federal Reserve -- The London Connection* Plunkett Lake Press

"LE PRINTEMPS DES SAYANIM" a révélé de façon prémonitoire l'influence prépondérante, et en particulier ses moyens d'action et de pénétration, d'une certaine communauté juive organisée et liée à Israël, pour renforcer l'alliance avec ce pays, et délégitimer toute forme de critique à l'encontre des politiques sionistes, en les faisant passer pour de l'antisémitisme.

**Nationalism, Anti-semitism, and Fascism in France** Simon and Schuster

Toute l'histoire de l'espionnage de la Première Guerre mondiale au renseignement moderne : opérations célèbres, techniques d'espionnage, agents secrets, contre-espionnage, actions clandestines, traitement des informations. Un panorama complet et actuel des services de renseignement français et étrangers : DGSE, CIA, M15, MOSSAD, KGB.

*The Body and Its Symbolism* John Hunt Publishing

Judaism isn't a race or even a particular culture or ethnic group. There are about 13 or 14 million Jews spread around the world, including about 6 million in the United States and about 5 million in Israel - so Judaism clearly isn't "a nation." So what does it mean to be Jewish? Here are the basics: Being Jewish (being "a Jew") means you're a Member of the Tribe (an M-O-T). The tribe started with a couple named Abraham and Sarah about 4,000 years ago, it grew over time, and it's still here today. You can become part of the Jewish tribe in two ways: By being born to a Jewish mother or joining through a series of rituals (called converting). Judaism is a set of beliefs, practices, and ethics based on the Torah. You can practice Judaism and not be Jewish, and you can be a Jew and not practice Judaism. Whether you're interested in the religion or the spirituality, the culture or the ethnic traditions, *Judaism For Dummies* explores the full spectrum of Judaism, dipping into the mystical, meditative, and spiritual depth of the faith and the practice. In this warm and welcoming book, you'll find coverage of Orthodox Jews and breakaway denominations Judaism as a daily practice The food and fabric of Judaism Jewish wedding ceremonies Celebrations and holy days 4,000 years of pain, sadness, triumph, and joy Great Jewish thinkers and historical celebrities Jews have long spread out to the corners of the world, so there are significant Jewish communities on many continents. *Judaism For Dummies* offers a glimpse into the rituals, ideas, and terms that are woven into the history and everyday lives of Jewish people as near as our own neighborhoods and as far-reaching as across the world.

*Le printemps des Sayanim* Lulu.com

This book is about the transformation of Europe into "Eurabia," a cultural and political appendage of the Arab/Muslim world. Eurabia is fundamentally anti-Christian, anti-Western, anti-American, and antisemitic. The institution responsible for this transformation, and that continues to propagate its ideological message, is the Euro-Arab Dialogue, developed by European and Arab politicians and intellectuals over the past thirty years.--From publisher description.

*Dieu ne repasse pas à Bethléem* Arktos Media Limited

The role of intelligence in US government operations has changed dramatically and is now more critical than ever to domestic security and foreign policy. This authoritative and highly researched book written by Jeffrey T. Richelson provides a detailed overview of America's vast intelligence empire, from its organizations and operations to its management structure. Drawing from a multitude of sources, including hundreds of official documents, The US Intelligence Community

allows students to understand the full scope of intelligence organizations and activities, and gives valuable support to policymakers and military operations. The seventh edition has been fully revised to include a new chapter on the major issues confronting the intelligence community, including secrecy and leaks, domestic spying, and congressional oversight, as well as revamped chapters on signals intelligence and cyber collection, geospatial intelligence, and open sources. The inclusion of more maps, tables and photos, as well as electronic briefing books on the book's Web site, makes The US Intelligence Community an even more valuable and engaging resource for students.

*The Iran-Iraq War* U of Nebraska Press

Robots are at the heart of the makerspaces movement, which aims to bring together like-minded computer experts to build collaborative projects. This book introduces readers to the nascent world of makerspaces and its potential. Readers learn how to find these spaces in their local community or even in the local library. They then learn how to use makerspaces tools such as Arduino microcontrollers or Lego Mindstorms to build full-functioning programmable robots, all to their specifications. Not only does this knowledge inspire a sense of fun, it can also be applied to any number of STEM careers.

*Le Système Soral* The Rosen Publishing Group, Inc

In this memoir and extended meditation on Jewish identity and anti-Semitic stereotypes written in France in the early 1960s, Albert Memmi paints a portrait of himself as a secular Jew. The book has been compared to Rousseau's *Confessions* because of its meticulous self-examination. Written only

15 years after the end of the Nazi occupation and just over a decade after the establishment of the State of Israel, *Portrait of a Jew* is a snapshot in time as well as a work of psychology and sociology. It both questions prevailing myths about the Jews of his time and describes the reality Memmi sees. Its sequel is *The Liberation of the Jew*. *Portrait of a Jew* and *The Liberation of the Jew* "form a whole: the beginning and the outcome of a passionate quest. The first offers a diagnosis, the second a remedy. [...] Both are written with moving sincerity [...] As a personal document, Memmi's introspective study is valuable. Thought-provoking and disturbing in the best sense of the word, it allows us to look into the tormented mind and soul of a distinguished Jewish writer who aspires to live honestly while belonging simultaneously to two worlds. His doubts and affirmations carry the weight of testimony." — Elie Wiesel, *The New York Times* "*Portrait of a Jew* and *The Liberation of the Jew* [are] filled with a Jewish existentialism marked by quest for identity and self-affirmation far more psychological and sociological than traditionally religious." — Richard Locke, *The New York Times* "A bitter, plangent autobiography written in dark colors and minor chords. It is purgative and painful reading, for it angers, outrages, and reduces the reader to lonely verbal combats. But when the din and dust has died away, the questions and statements are still there asserting themselves." — Henrietta Buckmaster, *The Christian Science Monitor*

*Printemps Des Sayanim* Le Routledge

A mixture of primitive and conditioned responses, common to everyone, which inhibits and distorts human progress and understanding.
