This "Just A Girl Who Loves Horses" notebook is a perfect gift for women or girls who love horses animal, a horse is beautiful: 6x9 Lined Notebook 120 Page count Paperback cover *Fair Girls and Gray Horses: with Other Verses ...* Feiwei & Friends At almost fourteen, Alexis Fain and her younger siblings, George and Baby Sally, have traveled the world with their parents,

Sgt 1st Class Jesse Fain and their Mother, Rachel. This time, US Army orders sent the young Sergeant and his family to an Army Post in rural Louisiana during the onset of the Civil rights movement. The children find themselves to be outsiders, outcasts in a small town school where new students are rare enough, but new students with Yankee accents are a new experience entirely. Alexis or Alex as she is called, being the oldest struggles the most. She is happiest at her

grandparents' farm in central Washington state, where she helps her grandfather with the animals and learns the art of horsemanship. Horses are her passion. And on a sergeant's salary a seeming impossibility. The children meet an old couple descended from slaves who live just down the road from them. Despite the dangers of being associated with whites in that era, especially the children, Abraham and Seraphina befriend the children and provide them with the

unconditional friendship and support they so badly need. However, the landlord who rents the old farmstead to the military family, is not what he seems. He presents a greater danger to the young sergeant's family than any war he has ever been sent to. In this moving coming of age story, a military family much like many other military families who must deal with absentee husbands and fathers, alcoholism, and domestic abuse, must find a special strength and a new

perspective to survive. Young parents must grow up. Children must escape a predator. And due to the courageous action of a very unexpected hero, a young girl survives an act of unimaginable violence.

Camera . . . Giddyap? Billy is a Norwegian Fjord horse--short as horses go, but with the natural star power of a Hollywood celebrity. Lori Allegra is a horse-loving seventh

grader as awkward as she is tall for her age, who finds refuge from her shyness on her family farm with her best friend: Billy, the Fjord. And with that, the chance for Lori and her mom to save their struggling stables. Lori tearfully agrees to send her horse to a new life across the country on the set of Marlowe's newest

When word gets back to Lori, she runs away too--to find her Billy! Lost in the endless desert, as horse and girl make their way to each other, Lori and Billy both find they are not alone.  A Girl and Five Brave Horses, first published in 1961, is the inspirational autobiography of Sonora Webster Carver (1904-2003) - one of the first female "horse divers" - and who would become a nationwide sensation. Horse-diving, where the horse climbs a 40 to 60 foot tower and, as the platform drops, the horse

and rider plunge to a deep water-filled pool below, is exciting for spectators but can be dangerous to the performers. In 1931, while delighting fans across the country, tragedy struck as Sonora hit the water at an awkward angle, detaching both her retinas and leaving her blind. However, Sonora would continue to dive horses until 1942. Included are 16 pages of photographs. Sonora Carver's story was the basis of the 1991 Disney movie *Wild Hearts Can't be Broken*.

The Girl Who Loved Wild Horses Simon & Schuster

ONE OF USA TODAY'S "20 SUMMER BOOKS YOU WON'T WANT TO MISS" In the bestselling tradition of works by such authors as Susan Orlean and Mary Roach, a New York Times reporter and Pulitzer Prize finalist explores why so many people—including

herself—are obsessed with horses. It may surprise you to learn that there are over seven million horses in America—even more than when they were the only means of transportation—and nearly two million horse owners. Acclaimed journalist and avid equestrian Sarah Maslin Nir is one of them; she began riding horses when she was just two years old and hasn't stopped since. Horse Crazy is a fascinating, funny, and moving love letter to

these graceful animals and the people who—like her—are obsessed with them. It is also a coming-of-age story of Nir growing up an outsider within the world's most elite inner circles, and finding her true north in horses. Nir takes readers into the lesser-known corners of the riding world and profiles some of its most captivating figures. We meet Monty Roberts, the California trainer whose prowess earned him the nickname "the man who listens to horses," and his pet deer;

George and Ann Blair, who at their riding academy on a tiny island in Manhattan's Harlem River seek to resurrect the erased legacy of the African American cowboy; and Francesca Kelly, whose love for an Indian nobleman shaped her life's mission: to protect an endangered Indian breed of horse and bring them to America. Woven into these compelling character studies, Nir shares her own moving personal narrative. She details her father's harrowing tale of

surviving the Holocaust, and describes an enchanted but deeply lonely upbringing in Manhattan, where horses became her family. She found them even in the middle of the city, in a stable disguised in an old townhouse and in Central Park, when she chased down truants as an auxiliary mounted patrol officer. And she speaks candidly of how horses have helped her overcome heartbreak and loss. Infused with heart and wit, and with each chapter named after a

horse Nir has loved, Horse Crazy is an unforgettable blend of beautifully written memoir and first-rate reporting.

A fiery and romantic adventure, perfect for fans of Grace Lin, Kristen Cashore, or Lisa See! Jade Moon is a Fire Horse -- the worst sign in the Chinese zodiac for girls, said to make them stubborn, willful, and far too imaginative. But while her family despairs of marrying her off, she has

a passionate heart and powerful dreams, and wants only to find a way to make them come true. Then a young man named Sterling Promise offers Jade Moon and her father a chance to go to America. While Sterling Promise's smooth manners couldn't be more different from her impulsive nature, Jade Moon falls in love with him on the long voyage. But America in 1923 doesn't want many Chinese immigrants, and when they are detained at Angel Island, the "Ellis

Island of the West," she discovers a betrayal that destroys all her dreams. To get into America, much less survive there, Jade Moon will have to use all her stubbornness and will to break a new path... one so brave and dangerous, only a Fire Horse girl could imagine it.
