'Unputdownable - Swatman's story weaving is perfection. Loved every minute of this heartfelt read!' Rachel Dove Laura is watching the world go by without her. Unable to leave her house since suffering a trauma, Laura is stuck gazing out of her window at Willow Crescent, relying on husband Jim and best friend Debbie for help. Then one day, Jim doesn't come home. A day becomes two, days become a week, and still no sign of Jim. And with the police half-hearted in their efforts to look for him, Laura is forced into a decision. She's going to have to face the world outside and find her husband herself. But what Laura hasn't realised is that Willow Crescent is a community, eager to help. From Arthur and Carol next door ready to rally the neighbours, to Marjorie and her daughter Faye at number nine looking for their own reasons to engage with the world. From Sonja at number seven who thinks she may have seen Jim in London, to widower Ben at number four who understands all about being lonely. Laura has a world ready to embrace her if she can just find the nerve. And when it slowly dawns on them all, that the Jim they thought they knew, may have been hiding some unfathomable secrets, Laura has a choice - retreat back behind her window, or start living the life that was waiting for her all along. This is Clare Swatman's tour de force. At the same time emotional, uplifting, page-turning and breath-taking, Laura is a character you will never forget. Praise for Clare Swatman: 'A sensitive, touching story with emotional depth and page-turning quality' Helen Rolfe 'I loved The Night We First Met by Clare Swatman. Warm, romantic and wonderfully written, it's an emotional and thought-provoking read with such relatable characters.' Debbie Howells '{::}The Night We First Met is a beautiful love story that vividly evokes time and place, transporting the reader... and leaves you rooting for everyone who is brave enough to follow their heart and not their head.' Victoria Scott 'Heart-breaking and life-affirming in equal measures, Before We Grow Old is the tender story of a chance meeting between former childhood sweethearts Fran and Will, and is packed with secrets and revelations. Through her beautiful writing, Clare Swatman delivers a powerful lesson in learning to love with your whole heart and accepting the same, no matter what life throws at you.' Sarah Bennett 'Irresistible . . . A delightfully bittersweet story that will appeal to fans of One Day' - Sunday Mirror 'The Night We First Met is a breathless story of enduring love that will fill your heart and give you hope.' Laura Kemp 'The Night We First Met is such a special book, filled with broken and relatable characters, who you can't help but love. Just Gorgeous!' Emma Cooper 'The Night We First Met'{{::}} is a gorgeously romantic, sliding doors love story about how The One will find you in the end.' Katy Regan

One of this generation's hottest and boldest young comedians presents a transgressive and hilarious analysis of all of our dysfunctional relationships, and attempts to point us in the vague direction of sanity. Daniel Sloss's stand-up comedy engages, enrages, offends, unsettles, educates, comforts, and gets audiences roaring with laughter—all at the same time. In his groundbreaking specials, seen on Netflix and HBO, he has brilliantly tackled everything from male toxicity and friendship to love, romance, and marriage—and claims (with the data to back it up) that his on-stage laser-like dissection of relationships has single-handedly caused more than 300 divorces and 120,000 breakups. Now, in his first book, he picks up where his specials left off, and goes after every conceivable kind of relationship—with one's country (Sloss's is Scotland); with America; with lovers, ex-lovers, ex-lovers who you hate, ex-lovers who hate you; with parents; with best friends (male and female), not-best friends; with children; with siblings; and even with the global pandemic and our own mortality. In Everyone You Hate Is Going to Die, every human connection gets the brutally funny (and unflinchingly incisive) Sloss treatment as he illuminates the ways in which all of our relationships are fragile and ridiculous and awful—but also valuable and meaningful and important.

This little book is a collection of essays on discipleship and community, and one story, written for the Spiritus Christi community in Rochester, New York. Taken together, these essays become the story of one woman's inner journey through mid-life. Beginning at a time when the author still had children at home, the essays move through her time in seminary and her work at St. Joseph's House of Hospitality, the Rochester Catholic Worker, as she explores God's call and learns that life after children is full and rich after all. Profits from the sale of this book will benefit the Spiritus Christi Mental Health Ministry.

NEW YORK TIMES BESTSELLER • A powerful novel of the stormy marriage between Ernest Hemingway and Martha Gellhorn, a fiercely independent woman who became one of the greatest war correspondents of the twentieth century—from the author of *The Paris Wife* and the new novel *When the Stars Go Dark*, available now! “Romance, infidelity, war—Paula McLain’s powerhouse novel has it all.”—*Glamour* **NAMED ONE OF THE BEST BOOKS OF THE YEAR** BY *The Washington Post* • *New York Public Library* • *Bloomberg* • *Real Simple* In 1937, twenty-eight-year-old Martha Gellhorn travels alone to Madrid to report on the atrocities of the Spanish Civil War and becomes drawn to the stories of ordinary people caught in the devastating conflict.

It’s her chance to prove herself a worthy journalist in a field dominated by men. There she also finds herself unexpectedly—and unwillingly—falling in love with Ernest Hemingway, a man on his way to becoming a legend. On the eve of World War II, and set against the turbulent backdrops of Madrid and Cuba, Martha and Ernest’s relationship and careers ignite. But when Ernest publishes the biggest literary success of his career, *For Whom the Bell Tolls*, they are no longer equals, and Martha must forge a path as her own woman and writer. Heralded by Ann Patchett as “the new star of historical fiction,” Paula McLain brings Gellhorn’s story richly to life and captures her as a heroine for the ages: a woman who will risk absolutely everything to find her own voice.

An instant national bestseller, this stunningly evocative, beautifully rendered story told in the voice of Ernest Hemingway's first wife, Hadley, has the same power and historical richness that made *Loving Frank* a bestseller. No twentieth-century American writer has captured the popular imagination as much as Ernest Hemingway. This novel tells his story from a unique point of view - that of his first wife, Hadley. Through her eyes and voice, we experience Paris of the Lost Generation and meet fascinating characters such as Scott and Zelda Fitzgerald, Gertrude Stein, Ezra Pound, and Gerald and Sara Murphy. The city and its inhabitants provide a vivid backdrop to this engrossing and wrenching story of love and betrayal that is made all the more poignant knowing that, in the end, Hemingway would write of his first wife, "I wish I had died before I loved anyone but her."

This empirical and theoretical book should be of interest to anyone who dares to consider the contentious topic of measuring and justifying aesthetic value in music, as well as the issue of how experts compare to nonexperts in terms of aesthetic fluency, aesthetic sensitivity and aesthetic judgment in appraising music. The book should be both practical and personal for anyone who has a music collection and loves to see it grow continuously but wisely. What makes someone an expert? The key issue tackled here is how one develops into such a connoisseur of music. Overall, the book should spark much healthy debate about rock music quality and aesthetics in general, both among scholars of aesthetics and the musically passionate general public. Many of the ideas for connoisseur development for music could also be applied to appraisal in other areas of aesthetics beyond music, such as films, visual art, or literature. Words of Praise Professor Lundy's Guide to Rock Music Connoisseurship is simply fantastic. It is written with elegance, eloquence, and passion. His vast knowledge of rock'n'roll will enlighten every reader, and his enthusiasm for this topic is infectious. The book is designed to be comprehensible to any reader, but also carefully cited to please the most demanding scholar. He successfully aims to teach the reader how to become expert in evaluating the aesthetic quality of music, using a precision system to guide us into deeper and defensible judgements on what pieces of music are the best and which are the worst. This is a beautiful book that enriches the heart and brightens the mind. -- Rhett Diessner, Professor Emeritus of Psychology, Lewis-Clark State College, author of Understanding the Beauty Appreciation Trait: Empirical Research on Seeking Beauty in All Things Aesthetic judgments of music are important, but poorly understood. To the everyday listener, they may seem arbitrary or otherwise inexplicable. In this book, Professor Lundy offers an unashamedly positive view on aesthetic judgments, emphasizing their rational nature and showing how various non-aesthetic biases that do exist can be minimized. The result is a joyful celebration of music, science, and connoisseurship, which is sure to spark further interest and debate on this fascinating topic. --Professor Patrik N. Juslin, Music Psychology Group, Uppsala University, Sweden

What Mama Didn't Tell Ya! (Relationship Advice for the Young and Young at Heart) While it is envisioned the main readership will be female, this book will also appeal to a male audience in enabling them to seek guidance as to how to successfully address their own interactions with the world. It is a must read for young girls even before they enter their first relationship, women who are at various stages in the relationship 'world' as well as boys and men who are interested in finding out about themselves and their interactions with women. *What Mama Didn't Tell Ya* provides advice for young girls through to older women. The advice relates to emotional self-discovery and gaining an understanding of relationships. It is insightful and understands how difficult it is for young people to assimilate their understanding of what is going on in the world as well as with their own emotions. It encourages people to get to know themselves and establish their standards and boundaries in a way that will benefit their future relationships, not only romantic ones, but all relationships. Using straight-talking and uncomplicated language with references from music, poetry and comedy, the book brings the issues to life with examples of actual situations. This book aims to answer important questions and raise issues for people from all ages (above 16), genders, ethnicities, countries and walks of life. It provides a platform by which to gain insight into the interplay between childhood and adulthood, current and possible future relationship issues, personal safety and matters encompassing sexual health and intimacy. *What Mama Didn't Tell Ya* reads as a non-judgmental conversation with a friend, imparting knowledge with a witty but dry sense of humour whilst asking the reader to consider their own opinions on topics at particular stages. It does not seek to impose particular views, it rather gives the reader food for thought in how and why they handle relationships in the way they do in order that they can make their own informed choices for their future.

Happy Endings in Hollywood Cinema Post Hill Press

Award-winning psychology writer Annie Paul delivers a scathing exposé on the history and effects of personality tests. Millions of people worldwide take personality tests each year to direct their education, to decide on a career, to determine if they'll be hired, to join the armed forces, and to settle legal disputes. Yet, according to award-winning psychology writer Annie Murphy Paul, the sheer number of tests administered obscures a simple fact: they don't work. Most personality tests are seriously flawed, and sometimes unequivocally wrong. They fail the field's own standards of validity and reliability. They ask intrusive questions. They produce descriptions of people that are nothing like human beings as they actually are: complicated, contradictory, changeable across time and place. *The Cult Of Personality Testing* documents, for the first time, the disturbing consequences of these tests. Children are being labeled in limiting ways. Businesses and the government are wasting hundreds of millions of dollars every year, only to make ill-informed decisions about hiring and firing. Job seekers are having their privacy invaded and their rights trampled, and our judicial system is being undermined by faulty evidence. Paul's eye-opening chronicle reveals the fascinating history behind a lucrative and largely unregulated business. Captivating, insightful, and sometimes shocking, *The Cult Of Personality Testing* offers an exhilarating trip into the human mind and heart.

The Letters of St. Margaret Mary Alacoque Lulu.com

When William Lowry writes to Emily Byrne-I don't know if you know that you know me-the seventeen-year-old hardly suspects that his life, along with the rest of America, is about to change forever. But the day Emily receives the letter and composes a response-I know who you are. In fact, I remember you from a bunch of times-is also the day that Robert Kennedy is shot. In Minnesota, even as the tumultuous summer of 1968 has begun, first love cares little for matters of time and place. William and Emily fall hard, despite the fact that he and his family are determined to wrestle with the system while she and hers are conservative, God-fearing Catholics. Together, the young lovers grow into each other and decide to escape to the wilderness to start anew. Left behind to grapple with the shifting mores of the nation and the sundering of their families, the Lowrys and the Byrnes must search for both their children and their own lost innocence. Masterfully rendering both young love and the unrest of the 1960s Robert Clark has crafted a work that is at once intimate and grand.
