Flyfisher's Guide to Southwest Montana's Mountain Lakes  
Wilderness Adventures Press

From kyped brown trout, lake-dwelling rainbow and brook trout and crazy numbers of smallmouth bass and native sea-run and inland cutthroat to spawning-bound salmon and the hallowed wild and native steelhead, Oregon is the place for great flyfishing. Gary Weber's all-new Flyfisher's Guide to Oregon details these outstanding fishing opportunities like no other guidebook on the market. Weber covers the hot spots and lesser known fisheries with personal experiences, history, effective techniques for both trout and anadromous species, appropriate gear and flies, access points, nearby fly shops, and much more. His stunning visuals paint the full picture of the fishing in this gorgeous state. From mainstays like the Owyhee, Deschutes, North Umpqua and Sandy rivers to lesser known jewels like the Malheur and John Day rivers, Weber has put in the river-time so that you can get down to business. Many more tributaries, lakes and reservoirs are covered. Weber is a veteran Oregon writer who has covered the state's flyfishing opportunities for years. This book comes standard with Wilderness Adventures Press' precise and detailed full-color maps, with GPS coordinates for all access points, boat ramps, and parking areas, along with access roads, public land and more. As Lefty once said: "If someone can't find locations from these maps - they need to stay home." Whether you're an Oregon lifer or new to the state, get an edge with this all-new guidebook.

*Fly Fishing the Bighorn River* Tab Books

Chuck Robbins' personal experiences guide the reader through the myriad public lands. He explains the geology, animal and plant life, and history of Montana's most storied and scenic locales, with a special emphasis on birds found in Montana. Out-of-staters and Montana residents alike will find much of interest in this full-color guide.

Montana Fly Fishing Guide Stackpole Books

Montana is one of the great birding states, from sandhill cranes to prairie chickens and sage grouse. From 100,000 snow geese at a time on Freezeout Lake to western bluebirds, glossy ibis, white-tailed kites, crested caracaras, Iceland gulls, Carolina wrens, curve-billed thrashers, and hundreds of other song birds. Montana is the best place for both great birding and wildlife viewing. Many of the birding hot spots also have a wide variety of wildlife including elk, antelope, moose, and grizzly and black bears. Chuck Robbins has spent 20 years traveling the state birding and wildlife watching. Chuck has divided the state into six regions: Glacier Country, Southwest Montana, Central Montana, Yellowstone Country, Missouri River Country, and Southeast Montana. Chuck describes each of the birding locations, the key birds, the best seasons for birding, and the area description along with driving directions and GPS coordinates. There are six regional maps showing the birding locations in each region, along with over 70 maps of individual locations. More than 100 outstanding color photos of key birds are included. Montana is

the fourth largest state with less than 1 million residents, offering great uncrowded birding opportunities. With two national parks (Glacier and Yellowstone), thirteen national wildlife refuges, hundreds of wildlife management areas, as well as state parks and 40 Montana Important Bird Areas (IBAs) Montana is a must place for incredible bird and wildlife watching.

**Flyfisher's Guide to Montana** Wilderness Adventures Press  
There's something about Big Sky Country, with its varied landscapes, incredible light, plethora of productive trout waters, and its small towns and roadside watering holes. Fly-Fisher's Bible: Montana is the most comprehensive and authoritative book ever written on angling in Big Sky Country. Whether you prefer to fish the big-name, blue-ribbon rivers, smaller tributary streams, or the big-fish producing lakes, everything you need to know is in this book. Also included are recipes, photos, tying and fishing notes for 66 of Montana's most innovative and productive fly patterns and detailed maps for every major river and lake in the state.

Exploring Montana's Pioneer Mountains Wilderness Adventures Press

Colorado's high country is rich with amazing scenery and big, beautiful fish. Unfortunately, many of these highland fisheries are impractical to access. But thanks to veteran fishing guide and writer Phil Tereyla, over 60 mountain lakes in Colorado that are under three miles to access in all corners of the state are now fully outlined and covered in this wonderful new flyfishing guidebook, the Flyfisher's Guide to Colorado's Easy Access Mountain Lakes (Wilderness Adventures Press, 2021). Difficulty to access does not equate to quality fishing; many of Colorado's easy-access alpine gems host fantastic fishing for large trout, including lots of drive-to lakes and reservoirs. Most of these lakes also have the same signature scenery and solitude that has made Colorado so popular for fishing and otherwise. Tereyla shows us where to catch all three subspecies of native cutthroat trout (greenback, Colorado River, and Rio Grande), arctic grayling, big brown trout, lake trout, rainbow trout, cuttbows, splake, tiger trout, tiger muskie, and more. He also covers tributary streams, inlets and outlets, the right times to pursue these awesome fish, and the flies that work. This book is perfect for families, aging and disabled anglers, and those who would rather spend their day casting to large trout than hiking. It also makes a great gift for the angler who has it all. Don't miss this opportunity to indulge in all that Colorado's alpine lakes have to offer! Pick up your copy today!

*Flyfisher's Guide to Colorado* Insiders' Guide

Anyone who fly-fishes Montana—or plans to—should own a copy of this useful guide. Fly fishing expert John Holt has compiled a complete inventory of Montana's fly-fishing waters, moving across the state, drainage by drainage, devoting plenty of space to the main river of each watershed as well as the many tributaries, small streams, reservoirs, and alpine lakes that frequently get left out of other guidebooks. The maps are large and easy to use, and the fishing descriptions cover seasonal variations, river conditions, and preferred fly patterns. Also included are travel suggestions, river access, etiquette and rules, and a hatch chart.

*Flyfisher's Guide to Oregon* ABRAMS

An irreplaceable reference that offers everything a fly fisher needs for the ultimate western Montana fishing experience; illustrated with great maps and hatch charts.

**The Curtis Creek Manifesto** Wilderness Adventures Press  
 "A lavishly photographed dreambook of the world's top angling spots" (Men's Journal) Amateur or expert, every angler dreams of landing "the big one," but that's only part of the appeal of fly fishing. Because even when hours pass without a bite, nothing beats the rugged beauty of the surroundings. For both armchair travelers and avid outdoorsmen who may have already started a checklist of their own, *Fifty Places to Fly Fish Before You Die* maps out the meccas of the fly-fishing world. Through in-depth interviews with the sport's acknowledged gurus, author Chris Santella goes beyond standard guides to convey the very essence of the recommended locations. Readers can vicariously cast mouse patterns to fifty-pound taimen in the wilds of Mongolia, wrangle with wily permit off the Florida Keys, and match the hatch on Montana's Armstrong's Spring Creek. Jardines de la Reina, Cuba (tarpon), the Zhupanova River, Kamchatka (rainbow trout), and the Rio Negro, Brazil (peacock bass) are also included. The fifty essays include a cultural and natural history of each site, along with colorful anecdotes based on the author's and authorities' experiences. With breath-takingly-beautiful photos of the spots, many by celebrated fly-fishing photographer R. Valentine Atkinson, the book also provides adventurous anglers with enough travel-and-tackle information so that they, too, can start planning excursions to go fish around the globe. Praise for *Fifty Places to Fly Fish Before You Die* "Santella offers 50 short takes on the ultimate fly-fishing destinations in this beautifully photographed and nicely packaged volume . . . With its elegant descriptions, gorgeous photos and practical information, this book is a dream travel guide for avid fly-fishers." —Publishers Weekly "Everything dad needs to tackle his next trip." —Fort Worth Star-Telegram

*25 Best Off-The-Beaten-Path Montana Fly Fishing Streams* Wilderness Adventures Press

This guide includes directions to and descriptions of 100 productive fishing sites.

**Fly-Fishing the Rocky Mountain Backcountry** Wilderness Adventures Press

Hundreds of pages fill each volume with full descriptions of all major waters in Montana. Learn how to get there, when to fish and what fly patterns to use. Photographs and maps accompany each major destination along with short descriptions of the surrounding waters and in-depth discussion of the necessary flies and tackle. Hatch charts are included, and often the species and size of fish to expect. In addition, each volume has a special lay-flat binding to make browsing new waters easy. You can fish successfully anywhere in Montana if you have this set of books. The "Montana Fly Fishing Guides" East & West are the first guidebooks of this kind for Montana. While there are a number of good general fishing guides, this two volume set is the first to focus specifically on fly fishing. Author John Holt has conducted exhaustive research on a wide array of Montana waters in the compilation of these books, covering not only Montana's famous blue-ribbon waters, but hundreds of lesser-known streams and lakes. Beyond the great volume of information in these books, John has infused them with his own unique (and often highly opinionated) style of writing. Anyone who loves fly fishing and who loves Montana will derive hours of pleasure and acquire a lot of valuable information from the "Montana Fly Fishing Guides".

**Flyfisher's Guide to Wyoming** Globe Pequot

The Bighorn River in southern Montana is the world's best tailwater, with more trout in it (measured in fish per mile) than

any other river in the United States. This is the first comprehensive guide to the river. • Over 60 of the best guide patterns • Interviews with the river's top guides • Detailed access, advice, and tips for the famous tailwater in Fort Smith, Montana • Includes information on the secret stretch near Thermopolis, Wyoming

**Montana Fly Fishing Guide West** Wilderness Adventures Press  
 "Brilliant, innovative, iconoclastic... this superb book draws on more than thirty-five years of constant learning... about small-fly fine-leader fishing on spring creeks... invaluable to anyone who fishes such waters, anywhere." -- Nick Lyons, author of *Spring Creek*

*Flyfisher's Guide to Northwest Montana's Mountain Lakes* Stackpole Books

The fishing in Montana is better than ever, which is why Wilderness Adventures Press is releasing this completely revised edition of the *Flyfisher's Guide to Montana*, complete with full-color photography and brand new, highly detailed maps! The updated maps include all of the BLM land, National Forest, Wilderness Areas and state-owned land for all of Montana's major fisheries, and many smaller rivers and lakes. All access points, boat launches, campgrounds and more are shown with GPS coordinates, highways and access roads. You will be able to find your way to the river, whether you're familiar with the area or not. This completely revamped edition details the wealth of great flyfishing in Big Sky Country. From major rivers like the Yellowstone, Missouri, Beaverhead, Big Hole, Clark Fork, Bighorn, and Madison down to the smallest fishable creeks and lakes, veteran fishing author Chuck Robbins tells anglers everything they need to know about Montana's best fisheries. In addition to covering all the most famous rivers and streams, this book introduces flyfishers to waters well off the beaten path, including high-country lakes where many of the fish have never seen a fly or lure and hidden gems in eastern Montana. Also includes other great travel and angling information. Update your dog-eared copy of the original with this fantastic new edition!

*Flyfisher's Guide to Wisconsin & Iowa* Sweetgrass Books

Much has been written about the most famous American flyfisheries, but relatively little has been logged regarding the glorious brook-trout and landlocked-salmon water of northern New England. Thanks to long-time fishing guide Lou Zambello, we'll soon be enlightened. Covering Maine, New Hampshire, Vermont and western Massachusetts, Zambello relates years of flyfishing and guiding experience through observations, instructions and anecdotes. From ice-out through summer, fall and back to winter, all conditions and strategies are covered. You'll learn the best time to dead-drift a streamer versus twitching dry flies, and much more. He relates stories from such famous waters as the Kennebec, Penobscot, Grand Lake Stream, Rapid, Presumpscot, Androscoggin, and Deerfield Rivers, and Rangeley, Moosehead and Sebago Lakes, and many more throughout the region. Even if you're an experience northern New England angler, you'll find many useful morsels of information throughout this guide. And certainly if you're a rookie, you'll want this book.

*Flyfisher's Guide to Montana* Wilderness Adventures Press

From world famous waters like the Madison, Missouri, and Yellowstone Rivers to local favorites like the Beaverhead, Big Hole, and Gallatin Rivers, these incredibly comprehensive maps will lead you to the best fishing Montana has to offer. Official access sites are clearly marked including GPS coordinants, along with boat ramps, campgrounds, and roads and trails that allow additional access to every stream. River miles, public and private land, and a wealth of other useful information for anglers is also included. Book jacket.

Flyfisher's Guide to New England Wilderness Adventures Press  
"Comprehensive coverage of over 100 of the best fishing waters in Oregon."--Cover p. [4].

*Fly Fishing Montana* Frank Amato Publications

Newest edition in the flyfisher's guide series. The author spent most of his life in Arizona, fishing the many streams and rivers.

**The Longest Silence** Wilderness Adventures Press

This is an updated edition of the best-selling guide book, with additional waters covered.

Montana's Best Fishing Waters Simon and Schuster

Sub-title from cover: A fully illustrated guide to the strategy, finesse, tactics and paraphernalia of fly fishing.

*Flyfisher's Guide to Oregon* Wilderness Adventures Press

With heart-stirring landscapes, benefits for physical and mental health and clean, cold water, Montana's high country is truly the final frontier in the last best place. That is why Wilderness Adventures Press is excited to introduce this all-new guide to flyfishing southwest Montana's mountain lakes. These

underfished tarns host everything from wild 5-pound cutthroat to the elusive and challenging golden trout to the increasingly rare arctic grayling. Mix in the occasional trophy brookie and all the 12-inch cutts and rainbows you can catch and it becomes apparent that there is no shortage of opportunity. Author Joshua Bergan has spent years exploring these pristine highland gems. From fish and bugs present, to water conditions, hiking difficulty and the flies that work, this guide provides all the necessary information. A broad selection of drive-to lakes, short hikes and several-mile treks with overnights are laid out with GPS coordinates for the trailheads and destinations. The author's driving directions get you to Point A and Wilderness Adventures Press' highly-touted maps take it from there. This comprehensive guidebook covers over 250 highland lakes from the Absarokas to the Idaho border, including the Gallatin Range, Madison Range, Gravelly Range, Tobacco Roots, Pioneer Mountains, Beaverhead Mountains and other smaller ranges. Fishing mountain lakes isn't for everyone, which is why it should be for you. Unleash a lifetime of new fishing spots with this outstanding new book.
