ALEXIA KENZIE

All This Time Prentice Hall

The existence of World Literature depends on specific processes, institutions, and actors involved in the global circulation of literary works. The contributions of this volume aim to pay attention to these multiple material dimensions of Latin American 20th and 21st century literatures. From perspectives informed by materialism, sociology, book studies, and digital humanities, the articles of this volume analyze the role of publishing houses, politics of translation, mediators

and gatekeepers, allowing insights into the processes that enable books to cross borders and to be transformed into globally circulating commodities. The book focusses both on material (re)sources of literary archives, key actors in literary and cultural markets, prizes and book fairs, as well as on recent dimension of the digital age. Statements of some of the leading representatives of the global publishing world complement these analyses of the operations of selection and aggregation of value to literary texts.

DIY Homemade Moonshine, Whisky, Rum, and Other Distilled Spirits Hay House, Inc
An erudite and witty collection of Umberto Eco's essays on mass culture from the 1960s through the 1980s, including major

pieces which have not been translated into English before. The discussion is framed by opposing characterizations of current intellectuals as apocalyptic and opposed to all mass culture, or as integrated intellectuals, so much a part of mass culture as to be unaware of serving it. Organized in four main parts, "Mass Culture: Apocalypse Postponed", "Mass Media and the Limits of Communication", "The Rise and Fall of Counter-Cultures", and "In Search of Italian Genius", Eco looks at a variety of topics and cultural productions, including the world of Charlie Brown, distinctions between highbrow and lowbrow, the future of literacy, Chinese comic strips, whether countercultures exist, Fellini's Ginger and Fred, and the

Italian genius industry.

Petrus Romanus "O'Reilly Media, Inc."

This book investigates three examples of the turn-of-the-century essay in Spain and Latin America: Angel Ganivet's *Idearium espanol* (1897), Jose Enrique Rodo's *Ariel* (1900), and Alcides Arguedas's *Pueblo enfermo* (1909). Michael Aronna traces the reactions of these historically and rhetorically related colonial and postcolonial thinkers to the new economic, cultural, social, and political challenges of the late nineteenth and early twentieth centuries. He shows how concepts of sexual degeneration, racial inferiority, immaturity, and gender prominent in contemporary philosophy and science were central to these writers' shared understanding of the nation as an organism vulnerable to "social pathogens."

Through My Window Random House

Mexican conservationists have sometimes observed that it is difficult to find a country less interested in the conservation of its natural resources than is Mexico. Yet, despite a long history dedicated to the pursuit of development regardless of its environmental consequences, Mexico has an equally long, though much less developed and appreciated, tradition of environmental conservation. Lane Simonian here offers the first panoramic history of conservation in Mexico from pre-contact times to the current Mexican environmental movement. He explores the

origins of conservation and environmental concerns in Mexico, the philosophies and endeavors of Mexican conservationists, and the enactment of important conservation laws and programs. This heretofore untold story, drawn from interviews with leading Mexican conservationists as well as archival research, will be important reading throughout the international community of activists, researchers, and concerned citizens interested in the intertwined issues of conservation and development.

Operations Management Taylor & Francis

A brilliant, emotionally wrenching novel from the Booker Prize winner and bestselling author of *Atonement* about a leading High Court judge who must resolve an urgent case—as well as her crumbling marriage. Fiona Maye is a leading High Court judge who presides over cases in the family division. She is renowned for her fierce intelligence, exactitude, and sensitivity. But her professional success belies private sorrow and domestic strife. There is the lingering regret of her childlessness, and now her marriage of thirty years is in crisis. At the same time,

she is called on to try an urgent case: Adam, a beautiful seventeen-year-old boy, is refusing for religious reasons the medical treatment that could save his life, and his devout parents echo his wishes. Time is running out. Should the secular court overrule sincerely expressed faith? In the course of reaching a decision, Fiona visits Adam in the hospital—an encounter that stirs long-buried feelings in her and powerful new emotions in the boy. Her judgment has momentous consequences for them both. Don't miss Ian McEwan's new novel, *Lessons*.

Mission as Transformation Penguin DigiCat Publishing presents to you this special edition of "Live and Let Die" by Ian Fleming. DIY Homemade Moonshine, Whisky, Rum,

and Other Distilled Spirits The Complete Guidebook to Making Your Own Liquor, Safely and Legally Are you curious about how to make rum, whiskey, and moonshine at home? Are you a bourbon aficionado? Would you like to learn how to safely and legally make your own homebrewed distilled spirits? What if you could turn this new hobby into a unique craft micro-distillery business? In this book, I will show you how to make your own homemade distilled spirits- safely and legally. Imagine sipping a nice, strong, sweet peach flavored moonshine over ice on a hot, sunny day. It's something you take pride in that you made it yourself. Of course, practice makes perfect. The only way you're going to make that perfect batch of whiskey is if you try! I'll talk you through the process of crafting your favorite spirits, from top to bottom, start to finish. This book assumes you're making moonshine for the first time, so we'll go over the extreme basics and work up from there. We'll talk about how Moonshining shaped this country and made the liquor laws what they are today. I will also strongly emphasize the safety aspects of this clandestine activity. Once you are

comfortable making your own hooch, I'll even give you some advice on how to start your own crafted spirits distillery. Wouldn't be awesome to make a buck or two creating something that you're so passionate about? In this book, you'll discover: The History and Legal matters surrounding home distilling What the federal and state regulations say (PLUS an appendix of alcohol laws listed by state!) We will discuss at length the safety precautions you should take What equipment you need to get started making moonshine and some possible places to purchase that equipment We will explore each type of spirit, so you can explore all of the different variations, flavors, health benefits (yes, there are reported to be some) and myths I will teach you the specific distillation procedures, step-by-step 9 unique recipes are included! Finally, we'll talk about how to test your moonshine, and I'll list some final tips and advice At the end of the book, I'll tell you how to turn your hobby into a business. It ain't easy, but if you have the ambition, anything is possible! I'll give you a springboard to get started as I supply you with a sample business plan for a craft

micro-distillery business. For a limited time, if you purchase the paperback book on Amazon, you can download the eBook version for FREE! Happy Crafting! Shine On!

Stillness Is the Key Wipf and Stock Publishers

After years as a patrol cop, detective Jocelyn Rush is almost immune to the depravity that stalks the meaner streets of Philadelphia...almost. After saving her three-year-old daughter from a carjacking, she ends up in the emergency room--and discovers that Anita, a former prostitute and acquaintance from her old days on the beat, has been hideously mutilated in a brutal assault. With the help of her partner and Philadelphia's Special Victims Unit, Jocelyn discovers that Anita isn't the first victim of these attacks and it looks like she won't be the last. When the violence hits closer to home, Jocelyn knows she must do whatever it takes to stop the sadistic attacker--even if it means confronting a terrible secret from her painful past. Award-winning author Lisa Regan's *Hold Still* is a captivating thriller that crackles with intensity. Revised edition: This edition of *Hold Still* includes

editorial revisions.

Live and Let Die Lulu.com

Centered on the rule of Christ over the whole of life, explores multiple aspects of holistic ministry including proclamation, evangelism, and social transformation.

"Pueblos Enfermos" Simon and Schuster

This exciting new textbook provides exceptional coverage of the essential topics taught in a modern operations management course. Its highly current coverage includes contemporary and relevant service theory and applications. Appropriate manufacturing applications and theory are included where relevant. The book's modern/strategic approach addresses OM from a cross-functional perspective, which views operations as linked to all other functional areas of an organization, such as marketing and finance. The strategic approach takes into consideration the integration of technology and how it changes the way a firm operates. Recognition of this current trend is the main differentiating factor for this Collier/Evans text. The book provides equal coverage of manufacturing and services theory and applications, while placing an emphasis on the integration of the value chain.

The Long Utopia Defender Publishing Presents thousands of entries in American English and Latin American and Iberian Spanish, and includes grammar notes, verb lists, and guidance on word choice.

Apocalypse Postponed Franklin Classics Trade Press

We live in a time when the most appalling social injustices and unjust human sufferings no longer seem to generate the moral indignation and the political will needed both to combat them effectively and to create a more just and fair society. *If God Were a Human Rights Activist* aims to strengthen the organization and the determination of all those who have not given up the struggle for a better society, and specifically those that have done so under the banner of human rights. It discusses the challenges to human rights arising from religious movements and political theologies that claim the presence of religion in the public sphere. Increasingly globalized, such movements and the theologies sustaining them promote discourses of human dignity that rival, and often contradict, the one underlying secular human rights. Conventional or hegemonic human rights thinking lacks the necessary theoretical and analytical tools to position itself in relation to such movements and theologies; even worse, it does not understand the importance of doing so. It

applies the same abstract recipe across the board, hoping that thereby the nature of alternative discourses and ideologies will be reduced to local specificities with no impact on the universal canon of human rights. As this strategy proves increasingly lacking, this book aims to demonstrate that only a counter-hegemonic conception of human rights can adequately face such challenges.

A Short Introduction to Moral Philosophy
Thomas & Mercer

Platonic Theology: Books XV-XVI Anchor

For many years, the Aztecs have captured our imaginations. Stories from the original European invaders combined with unique, awe-inspiring ruins and legends that speak of palaces of gold create an image of Aztec society defined by grandeur, wealth, and splendor.

The Darknes of Atheism Dispelled by the Light of Nature Stanford University Press

Newly divorced and with his career in jeopardy, Detective Connor Parks takes solace in the arms of a beautiful woman he meets at a bar. The next morning, Claire Fletcher is gone, leaving nothing behind but an address and a decade-old mystery. The address leads to the Fletcher family home where Claire's siblings inform Connor that their fifteen-year-old sister was abducted from a city street ten years ago and is presumed dead. During those ten years, Claire endured the cruel torture and depravity of the man who abducted her. Paralyzed by fear and too ashamed to return to her family, Claire is resigned to her life as Lynn, the identity her abductor forced upon her. Every time she attempts escape or betrays him in the smallest way, someone dies. Even now, her clandestine run-in with Connor Parks may have put his

life at risk, as well as the lives of her family. Connor is convinced that not only is Claire Fletcher alive, but that she is also the woman he met at the bar. Driven to see her again, he begins his own investigation, off the clock and without the police department's consent. He is determined to find her and unravel the mystery of her abduction and odd reemergence. But finding Claire Fletcher proves more dangerous than he anticipates. In fact, it may be deadly.

The Children Act University of North Carolina at Chapel Hill Department of Romance Studies

The complete guide for beginner and intermediate distillers. Make your own brew at home! "If you're going to invest the \$100 or so to get a basic equipment and recipe kit, then you'll want to take care in ensuring that your first batch is brewed correctly." -Rick Morris, HowBrewBeer

The Joy of Home Distilling is covers nearly every facet of distilling: Step-by-step instructions for the different processes, from bucket to bottle The difference between spirit types and how to produce each What yeast is, what it does, and how to ensure that you get a strong,

complete fermentation What distillation is and common misconceptions about the process Legalities surrounding distilling alcohol at home Carbon filtering—when it's necessary, when to filter, and why you filter Flavoring and aging your spirits Keeping safety first when working with flammable materials, such as ethanol Yeast styles and nutritional requirements Different methods of distillation and equipment Post-distillation process And of course, fun drink recipes! (Try the Mudslide or the Cherry Bomb!)

Author Rick Morris, who has been selling distillation equipment for over 25 years, even includes his own recipes for different types of spirits and drink recipes. By learning not just how to distill, but also what is happening at each step and why it is needed, readers will be armed with the information they need to experiment with their own spirits and concoct their own recipes. Easy to understand even for a first-time distiller, The Joy of Home Distilling is sure to become your number one distilling resource.

Ancient Civilizations Chronicle Books Instant #1 New York Times Bestseller & Wall Street Journal Bestseller In The

Obstacle Is the Way and Ego Is the Enemy, bestselling author Ryan Holiday made ancient wisdom wildly popular with a new generation of leaders in sports, politics, and technology. In his new book, Stillness Is the Key, Holiday draws on timeless Stoic and Buddhist philosophy to show why slowing down is the secret weapon for those charging ahead. All great leaders, thinkers, artists, athletes, and visionaries share one indelible quality. It enables them to conquer their tempers. To avoid distraction and discover great insights. To achieve happiness and do the right thing. Ryan Holiday calls it stillness--to be steady while the world spins around you. In this book, he outlines a path for achieving this ancient, but urgently necessary way of living. Drawing on a wide range of history's greatest thinkers, from Confucius to Seneca, Marcus Aurelius to Thich Nhat Hanh, John Stuart Mill to Nietzsche, he argues that stillness is not mere inactivity, but the doorway to self-mastery, discipline, and focus. Holiday also examines figures who exemplified the power of stillness: baseball player Sadaharu Oh, whose study of Zen made him the greatest home run hitter of all

time; Winston Churchill, who in balancing his busy public life with time spent laying bricks and painting at his Chartwell estate managed to save the world from annihilation in the process; Fred Rogers, who taught generations of children to see

what was invisible to the eye; Anne Frank, whose journaling and love of nature guided her through unimaginable adversity. More than ever, people are overwhelmed. They face obstacles and

egos and competition. Stillness Is the Key offers a simple but inspiring antidote to the stress of 24/7 news and social media. The stillness that we all seek is the path to meaning, contentment, and excellence in a world that needs more of it than ever.
