Exquisite Stitching with Multi-Hole Beads
Kalmbach Books
After breezing through a history and overview of equipment, the authors emphasize the how-to in such elaborate processes as tubular beaded crochet. Every one of the more than 25 projects focuses on a specific tool or technique, complete with color graphs, a list of materials, size and measurements, a color photo, and diagrams. ...Directions...are presented with plenty of details." —Booklist.
Bead Romantique
Kalmbach Books

This book presents step-by-step instructions of 25 elegant beaded jewels. The instructions contain diagrams depicting the bead stitching process. The diagrams are easy to follow and intended for beginners as well as for more experienced crafters. The color scale of the presented jewels is very wide and variable. These pieces are elegant and feminine, intended for special occasions, but also fit for everyday wearing. All the jewels presented in the book combine RAW (right-angle-weave) with other basic techniques. You can apply them using not only seed beads, but pressed or crystal beads as well, creating new shapes. Of course, the C-RAW (cubic right-angle-weave), which is the base

technique for the Flora pendant, cannot be missing. Precisely with this pendant I introduce a new form of C-RAW stitching, which is original, simpler than the traditional one, but provides the very same result. You can make the base of the Arabian nights bracelet and embellish it with sparkly crystal beads. Weave the two-row, blue and golden bracelet with two holed Bar beads. Do not hesitate and be creative, as some of the presented designs are variable. You can make just one component of a particular piece and use it as a pendant, or complete it with two more components of the kind and wear them as a two piece set of necklace and

earrings. Let this book be an inspiration and try to replenish the presented designs with your own ideas, to create new beaded originals.

The Seed Bead Book
Penguin

"Beadwork is a puzzle with infinite solutions," says author and bead artist Beth Stone. In *Seed Bead Stitching*, she explored the many possibilities for creating jewelry with colorful seed beads and charming accents such as pearls and gemstones. In *More Seed Bead Stitching*, Stone, whose encouraging tone, creativity, and expert knowledge made the previous book so popular, includes new techniques, more variations on techniques, and more detail on concepts she previously introduced. The book contains a wealth of options for making gorgeous beaded jewelry. After outlining the basics and supplies, Stone presents a series of styles such as Ndebele, Daisy, Inspiration, Peyote, and Spiral, with variations for each. Equally useful for crafts of any skill level, the book includes a dozen different fringe techniques; strategies for combining tubular stitches and accent beads; a section on skinny stitches; and a bonus project of square pillows.

Seed Bead Savvy Penguin By combining multiple beadweaving stitches, designer Maggie Meister captures patterns and motifs inspired by ancient jewelry, mosaics and architectural elements in 20 sophisticated jewelry designs. Her Oplonti bracelet, for example, references the floral motifs and columns painted in ancient Roman frescos. The Matriarch's Cuff builds on the design of a 17th century Jewish wedding ring; the Sappho Necklace incorporates designs from ancient mosaics; and the Santa Sofia Pendant borrows shapes from the onion-dome churches of Eastern Europe.--From publisher description.

Kalmbach Books Inspired by art history, this step-by-step guidebook features 17

designs influenced by the Gothic, Renaissance, Victorian, Art Nouveau, and Art Deco eras reinterpreted in the artist's distinctive, contemporary style. Emphasizing a mix of vintage findings, beads, lamp work, buttons, and modern components, this jewelry brings a feminine mystique and sophistication to ordinary beadwork. Each project builds on simple elements to create sophisticated designs and incorporate off-loom seed bead weaving, stringing, and wirework. Projects include a scalloped chain necklace, pearl Ndebele earrings and bracelet set, mesh pearl bracelets, bohemian drop earrings, a Victorian diamond cuff, and more. Novice beaders will increase their skills and beading confidence while progressing through projects while advanced beaders will find exciting new challenges. This guide includes expert design and technique tips and tricks, detailed instructions and illustrations for every project, information on finding special classical beads, and ways to make modern components look vintage. Beaders will delight in the variety of methods to create

elegant, feminine, and romantic heirloom-quality jewelry.
