Mike Story blends Latin rock and a great pop tune into a great arrangement for your beginning band. You'll have great fun teaching these simple Latin rock rhythms, and with plenty of unison lines, it will come together with minimal rehearsal time. Once the band and the audience hear the first bar of melody, they'll be hooked. Alto sax has a written-out solo, and you can count on playable ranges and clear articulations throughout. Another great chart by Mike Story.
