Off the Beaten Path Alabama Independently Published

From the daughter of one of America's most virulent segregationists, a memoir that reckons with her father George Wallace's legacy of hate--and illuminates her journey towards redemption. Peggy Wallace Kennedy has been widely hailed as the "symbol of racial reconciliation" (Washington Post). In the summer of 1963, though, she was just a young girl watching her father stand in a schoolhouse door as he tried to block two African-American students from entering the University of Alabama. This man, former governor of Alabama and presidential candidate George Wallace, was notorious for his hateful rhetoric and his political stunts. But he was also a larger-than-life father to young Peggy, who was taught to smile, sit straight, and not speak up as her father took to the political stage. At the end of his life, Wallace came to renounce his views, although he could never attempt to fully repair the damage he caused. But Peggy, after her own political awakening, dedicated her life to spreading the new Wallace message--one of peace and compassion. In this powerful new memoir, Peggy looks back on the politics of her youth and attempts to reconcile her adored father with the man who coined the phrase "Segregation now. Segregation tomorrow. Segregation forever." Timely and timeless, *The Broken Road* speaks to change, atonement, activism, and racial reconciliation.

Alabama Curiosities University of Alabama Press

A hike for every interest and ability! Alabama has so many great hikes to offer, including those in national and state parks and forests and in national wildlife refuges. In this book, the emphasis is on the most scenic destinations and unique places that help make Alabama so beautiful, like the rock formations of the Wall of Jericho, or the dunes of Bon Secour. Many hikes described here

are off-the-beaten-path treks to lesser-known sites such as Needles Eye and Blue Spring; they show visitors the state's wide range of beauty and biodiversity. Others take place at various spots along the Pinhoti Trail, the master path through Alabama's mountains.

Dancing Alone in Mexico Insiders' Guide

"The more you transform your life from the material to the spiritual domain, the less you become afraid of death." Leo Tolstoy spoke these words, and they became Henry Stuart's raison d'être. The Poet of Tolstoy Park is the unforgettable novel based on the true story of Henry Stuart's life, which was reclaimed from his doctor's belief that he would not live another year. Henry responds to the news by slogging home barefoot in the rain. It's 1925. The place: Canyon County, Idaho. Henry is sixty-seven, a retired professor and a widower who has been told a warmer climate would make the end more tolerable. San Diego would be a good choice. Instead, Henry chose Fairhope, Alabama, a town with utopian ideals and a haven for strong-minded individualists. Upton Sinclair, Sherwood Anderson, and Clarence Darrow were among its inhabitants. Henry bought his own ten acres of piney woods outside Fairhope. Before dying, underscored by the writings of his beloved Tolstoy, Henry could begin to "perfect the soul awarded him" and rest in the faith that he, and all people, would succeed, "even if it took eons." Human existence, Henry believed, continues in a perfect circle unmarred by flaws of personality, irrespective of blood and possessions and rank, and separate from organized religion. In Alabama, until his final breath, he would chase these high ideas. But first, Henry had to answer up for leaving Idaho. Henry's dearest friend and intellectual sparring partner, Pastor Will Webb, and Henry's two adult sons, Thomas and Harvey, were baffled and angry that he would abandon them and move to the Deep South, living in a barn there while he built a round house of handmade concrete blocks. His new neighbors were perplexed by his eccentric behavior as well. On the coldest day of winter he was barefoot, a philosopher and poet with ideas and words to share with anyone who would listen. And, mysteriously, his "last few months" became years. He had gone looking for a place to learn lessons in dying, and, studiously advanced to claim a vigorous new life. The Poet of Tolstoy Park is a moving and irresistible story, a guidebook of the mind and spirit that lays hold of the heart. Henry Stuart points the way through life's puzzles for all of us, becoming in this timeless tale a character of such dimension that he seems more alive now than ever.

The Deep South reveals its dark past, as the author of the *Tattooed Girl* series investigates the hauntings of her home state. Nestled in the scenic foothills of southern Appalachia, in the center of the Tennessee Valley, north Alabama is known for its natural beauty. Peppered with antebellum mansions and historic homesteads, it is a region rich in history, brimming with a unique cultural heritage. Yet amidst the beauty of these rolling hills and historic features, something dark lurks below the surface. The haunted spirits of the past run as wild as the Tennessee River through the region. Join author and Huntsville resident Jessica Penot on a terrifying trip through the chilling destinations of north Alabama, teeming with ghostly activity. From Florence to Huntsville to Albertville and points in between, *Haunted North Alabama* offers a broad survey of the history of haunted destinations in the upper regions of Alabama. Packed with over twenty haunted locales, this book is required reading for anyone interested in learning about the history of the phantom spirits that call the heart of Dixie home. Includes photos! "Marvelous . . . Good, reliable information on a number of Huntsville's hauntings plus information on locations that were not included in the few articles on the subject." —Southern Spirit Guide

Haunted North Alabama Reedy Press LLC

Alabama is a weird and wonderful place with a colorful history steeped in folk tales passed from generation to generation. Mysterious 1989 UFO sightings brought more than 4,000 visitors to the tiny town of Fyffe, population 1,300. Legends of the Alabama White Thang--an elusive, hairy creature with a shrill shriek--persisted in the state for a century. Just outside Huntsville's historic Maple Hill Cemetery lies an eerie playground where the ghosts of departed children are rumored to play in the dead of night. After hundreds of unexplained sightings, the town of Evergreen declared itself the Bigfoot Capital of Alabama. Join author Wil Elrick as he explores the history behind some of the Cotton State's favorite tales.

Louisiana Off the Beaten Path® Insiders' Guide (CT)

The ultimate access book for the Bankhead National Forest and Sipsey Wilderness in northwest Alabama. Combining the best aspects of a user's manual and a coffee-table book, *Alabama's Canyons* was produced by a photographer-writer-illustrator team that knows the forest intimately. Anyone who loves the outdoors will relish the images of some 400 miles of limestone canyons, old-growth hardwoods and abundant waterfalls. Those who find their way there will enjoy the detailed directions to dozens of destinations. A comprehensive map of the wilderness offers details of trailhead and off-trail parking and hiking access to many forest features. Individual hiking and water routes are explained in watercolor illustrations by the author. Two pages are devoted to GPS waypoints to popular destinations and helpful information on using a GPS in the forest.
