This feature spotlights ethical considerations and also introduces students to the business side of the practice of law. Sharpening the Saw: An Exercise in Issue Spotting trains paralegals to think like legal professionals. Students are asked to read a set of facts and then to identify and effectively convey the issue in writing. This feature is presented in such a way that an instructor can determine how much emphasis to place on legal writing. Out of the Ivory Tower reminds students that clients use law firms to solve problems. This feature encourages creative thinking and a focus on the "big picture." Without a doubt, *California Property Law for Paralegals* is your best alternative for an easy to teach, focused, California-specific property text aimed specifically at paralegals.
