Waterproof Tear-Resistant Topographic Map At 13.2 million acres, Wrangell-St. Elias could fit Yellowstone, Grand Canyon, Glacier, Olympic, and Yosemite National Parks within its borders with plenty of room to spare. It stretches from one of the tallest peaks in North America, Mount Stain Elias at 18,008 feet, to the ocean. More than a quarter of the park is covered with glaciers, including the tidewater Hubbard Glacier, piedmont Malaspina Glacier, and valley Nabesna Glacier. Arrive in the area using one of only two paved roads or use the mapped landing areas, seaplane bases and anchorage sites and continue your exploration with mapped hiking trails and primitive routes. Two insets show detailed access to the Kennicott Valley and Nabesna. Explore the backcountry using the map's contour lines, elevations, labeled peaks and summits, water features, selected waypoints, areas of wooded cover and color-coded boundaries between different land designations. Other recreation and adventure points of interest include ranger stations, campgrounds, trail shelters, public cabins, restrooms and scenic viewpoints. Some additional map features are background information of the various public lands in the area, wilderness safety tips, bear encounter guidelines and essential contact information. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. When the scenery out the car window is breathtaking, drivers and their passengers want maximum gaze time. Our popular road guide, completely revised and updated, features contiguous text and maps so visitors can follow the maps and descriptions as they drive along. The book's efficient design eliminates having to flip back and forth between maps and text and count odometer mileage—a major frustration of other road guides. This indispensable guide tracks the major roads within Yellowstone National Park and its neighbor Grand Teton National Park. Detailed topographical maps point out where to look for wildlife such as mountain goats, bighorn sheep, elk, deer, and bear; geological formations; historical sites; and plants. Also included are locations for camping, fishing, and boating within the Wyoming parks. Several pages of maps and accompanying text cover the popular Grand Loop Road, describing the formation of the 308-foot Lower Falls, Yellowstone Canyon's best views from Artist's Point, and how Mud Volcano lives up to its name. This road guide not only helps visitors find their way around but also makes the trip richer, more interesting, and more enjoyable.
