Extraordinary architecture addresses so much more than mere practical considerations. It inspires and provokes while creating a seamless experience of the physical world for its users. It is the rare writer that can frame the discussion of a building in a way that allows the reader to see it with new eyes. *Writing About Architecture* is a handbook on writing effectively and critically about buildings and cities. Each chapter opens with a reprint of a significant essay written by a renowned architecture critic, followed by a close reading and discussion of the writer's strategies. Lange offers her own analysis using contemporary examples as well as a checklist of questions at the end of each chapter to help guide the writer. This important addition to the *Architecture Briefs* series is based on the author's design writing courses at New York University and the School of Visual Arts. Lange also writes a popular online column for *Design Observer* and has written for *Dwell*, *Metropolis*, *New York* magazine, and *The New York Times*. *Writing About Architecture* includes analysis of critical writings by Ada Louise Huxtable, Lewis Mumford, Herbert Muschamp, Michael Sorkin, Charles Moore, Frederick Law Olmsted, and Jane Jacobs. Architects covered include Marcel Breuer, Diller Scofidio + Renfro, Field Operations, Norman Foster, Frank Gehry, Frederick Law Olmsted, SOM, Louis Sullivan, and Frank Lloyd Wright.

From the creator of the popular website *Ask a Manager* and *New York's* work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn

what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party
Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review)
"The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Just by reading and applying the easy-to-follow processes in *Making Money Through Buy-to-Let in South Africa*, you will realise that ordinary people can become extraordinary. This book explains why buy-to-let property investment is the only sensible opportunity to earn an inflation-linked, passive income for the rest of your life. It gives ordinary South Africans the hope that they might enjoy a financially secure retirement by building a substantial property portfolio, either when they start at a very young age or by supplementing their lifetime savings or pension pay-out at a later stage. *Making Money Through Buy-to-Let in South Africa* addresses all the questions would-be property investors would ask, including how to establish legal entities; determine which properties have the best return on investment; leverage other people's money and use very little of their own; obtain finance and register a bond; manage the transfer process; and select and manage the best tenants. *Making Money Through Buy-to-Let in South Africa* is written for the ordinary person, in everyday language, and guides you step by step through the entire process of property investment so that you, too, can become financially independent.
