Kashmiri

Penguin
This book is the first comprehensive description of the Manambu language of

Papua New Guinea and is based entirely on the author's immersion fieldwork. Manambu belongs to the Ndu language family, and is spoken by about 2,500 people in five

villages: Avatip, Yawabak, Malu, Apa:n, and Yambon (Yuanab) in East Sepik Province, Ambunti district. Manambu can be considered an endangered

language. The Manambu language has many unusual properties. Every noun is considered masculine or feminine. Feminine gender - which is unmarked - is associated with small size and round shape, and masculine gender with elongated shape, large size, and importance. The Manambu culture is centered on ownership of personal names, and is similar to that of the Iatmul, described by

Gregory Bateson. After an introductory account of the language and its speakers, Professor Aikhenvald devotes chapters to phonology, grammatical relations, word classes, gender, semantics, number, case, possession, derivation and compounding, pronouns, morphohology, verbs, mood and modality, negation, clause structure, pragmatics, discourse, semantics, the lexicon,

current directions of change, and genetic relationship to other languages. The description is presented in a clear style in a framework that will be comprehensible to all linguists and linguistically oriented anthropologists.

Storytelling with Data

OUP Oxford
Songs of Kabir
Rabindranath Tagore - Kabir lived in the 15th Century (1440-1518); born to Mohammadan parents; he

<p>came under the influence of the famous Hindu saint; Sri Ramananda and delved deep into the mysteries of Hindu mysticism. A true worshipper of God; he emphasized the purity of mind and selfless devotion to God. He openly opposed the weaknesses of both Hinduism and Islam. During his life time he composed many poems. They are usually two line couplets;</p>	<p>known as dohas; recited by many scholars even today to denote some deep philosophical truths. All these songs of Kabir were translated into English by none other than Rabindranath Tagore; the mystic poet and the Noble Laureate; the first edition; published by The Macmillan Company; 1915; New York. This book shall prove to be an asset for the Kabir lovers who can't enjoy his writings in</p>	<p>Hindi. □□□ □□□□ Hal Leonard Corporation This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Are You The History Press
A very engrossing tale set during the British era. It is a fast moving narrative with humour and anecdotes of the Indian subcontinent and the British ruling class. The story revolves around an innocent heist carried out by a group of simple Indian soldiers to save their honour and in so doing a real life hero emerges who leads an attack successfully during World

War II and puts an entire beach, in Indonesia, in the laps of his English masters. After the war he sweeps an heiress, who is a surviving passenger of the ill fated HMS Titanic, off her feet and into his arms. The misdemeanour enacted by the soldiers remains ensconced in secrecy for a decade and half. However, due to a string of circumstances, the perpetuators are cajoled into revealing

the misdeed during a drinking binge in a grand hotel setting in New Delhi ten years after India's independence in a chance encounter with their erstwhile pre-independence British officers. Since the mystery is revealed only in the last few pages of the book, the reader remains rivetted to the novel and is kept spellbound through out. Earth's Earliest Ages, and Their Connection

with Modern Spiritualism and Theosophy
 Juxta Pub
 To be able to celebrate life is religion — in that very celebration you come close to God. If one is able to celebrate, God is not far away; if one is not able to celebrate life, then God does not exist for him. God appears only in deep celebration, when you are so full of joy, that all misery has left you.—
 Osho
Affairs of an Indian Tribe
 IWGIA

'I thought the nation was coming to an end' When Khushwant Singh witnessed the violence of Partition nearly seventy years ago, he believed that he had seen the worst that India could do to herself. But after the carnage in Gujarat in 2002, he had reason to feel that the worst, perhaps, was still to come. Analysing the communal violence in Gujarat in 2002, the anti-Sikh riots of 1984, the burning of

Graham Staines and his children, the targeted killings by terrorists in Punjab and Kashmir, Khushwant Singh forces us to confront the absolute corruption of religion that has made us among the most brutal people on earth. He also points out that fundamentalism has less to do with religion than with politics. And communal politics, he reminds us, is only the most visible of the demons we

have nurtured and let loose upon ourselves. A brave and passionate book, *The End of India* is a wake-up call for every citizen concerned about his or her own future, if not the nation's. *Lethal Marriage* Penguin UK The Cambridge University Press published (1945-1967) in six volumes Professor Bailey's transcriptions of Saka manuscripts found in Sin

Kiang and Kansu (of the ancient kingdom of Khotan). They are central to any study of Old Iranian and the Iranian dialects; and they are also important for further understanding of the religious tradition in the sacred Avesta of the Zoroastrians, and for the history of the peoples of Central Asia generally. This 1979 dictionary represents the fulfilment of a plan formed in 1934 which

required first the editing and transcription of the manuscripts, and then the slow elucidation of the whole corpus of texts. It contains a linguistic analysis and translation of all the Iranian words used in the texts. It is the necessary key to the understanding of the texts, to the mastery of the language itself, and to the linking of Khotan Saka into the Indo-European linguistic tradition.

Joking Around
Cambridge University Press
Tessa O'Connell is a girl as ordinary as they come - or so she thinks. Her aim for senior year is to keep her head down yet somehow manage to convince her childhood love Jay Stone to love her back. What she isn't prepared for is for Jay's brother, Cole, to return to town and change the life she's always been seemingly content to live.

Young Man. Even after they decided to part ways, success continued to court them—a testament not only to their impeccable talent and professional ethos, but also their enterprising showmanship and business acumen. Fizzing with energy and brimming over with enough trivia to delight a cinephile's heart, Written by Salim-Javed tells the story of a dynamic partnership that transformed

Hindi cinema forever. *The End of India* Notion Press Linda Stratmann traces the social, medical and criminal history of chloroform, from early medical practices to create oblivion through the discovery of chloroform and its discovery, its use and misuse in the 19th century, to the present. Please note that unfortunately some of the global reviews are a result of this book

being incorrectly listed as chloroform outside of the UK. [Vaishali Ki Nagarvadhu](#) John Wiley & Sons Now the Netflix Limited Series *Unbelievable*, starring Toni Collette, Merritt Wever, and Kaitlyn Dever • Two Pulitzer Prize-winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped—and the detectives who followed

a winding path to arrive at the truth. “Gripping . . . [with a] John Grisham-worthy twist.”—Emily Bazelon, New York Times Book Review (Editors’ Choice) On August 11, 2008, eighteen-year-old Marie reported that a masked man broke into her apartment near Seattle, Washington, and raped her. Within days police and even those closest to Marie became suspicious of her story. The police swiftly

pivoted and began investigating Marie. Confronted with inconsistencies in her story and the doubts of others, Marie broke down and said her story was a lie—a bid for attention. Police charged Marie with false reporting, and she was branded a liar. More than two years later, Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault.

Describing the crime to her husband that night, Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months earlier in a nearby town. She joined forces with the detective on that case, Edna Hendershot, and the two soon discovered they were dealing with a serial rapist: a man who photographed his victims, threatening to release the images online,

and whose calculated steps to erase all physical evidence suggested he might be a soldier or a cop. Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado—and beyond. Based on investigative files and extensive interviews with the principals, *Unbelievable* is a serpentine tale of doubt, lies, and a hunt for justice,

unveiling the disturbing truth of how sexual assault is investigated today—and the long history of skepticism toward rape victims. Previously published as *A False Report I Too Had a Love Story* Jaico Publishing House This 10th anniversary edition of *I Too had a Love Story* brings to life one of the decade's most-loved romance novels with gorgeous illustrations in

a brand new design. With a personal note from the author, this book is a collector's edition. It will also make for a fabulous gift. Do love stories ever die? . . . How would you react when a beautiful person comes into your life, and then goes away from you . . . forever? Not all love stories are meant to have a perfect ending. *I Too Had a Love Story* is one such saga. It is the tender and heartfelt tale of Ravin

and Khushi--two people who found each other on a matrimonial site and fell in love . . . until life put their love to the ultimate test. Romantic, emotional and sincere, this heartbreaking true life story has already touched a million hearts. This bestselling novel is a must-read for anyone who believes in the magic of love . . .

The Karma Queens' Guide to Relationships
Penguin UK
Don't simply

show your data—tell a story with it! Storytelling with Data teaches you the fundamentals of data visualization and how to communicate effectively with data. You'll discover the power of storytelling and the way to make data a pivotal point in your story. The lessons in this illuminative text are grounded in theory, but made accessible through numerous real-world

examples—ready for immediate application to your next graph or presentation. Storytelling is not an inherent skill, especially when it comes to data visualization, and the tools at our disposal don't make it any easier. This book demonstrates how to go beyond conventional tools to reach the root of your data, and how to use your data to create an engaging, informative, compelling

story. Specifically, you'll learn how to: Understand the importance of context and audience Determine the appropriate type of graph for your situation Recognize and eliminate the clutter clouding your information Direct your audience's attention to the most important parts of your data Think like a designer and utilize concepts of design in data visualization Leverage the power of storytelling to help your message resonate with your audience Together, the lessons in this book will help you turn your data into high impact visual stories that stick with your audience. Rid your world of ineffective graphs, one exploding 3D pie chart at a time. There is a story in your data—Storytelling with Data will give you the skills and power to tell it!

This book is an ethnographic account of colonialism in the Andaman Islands, Bay of Bengal, India. It examines the links between colonialism and development under British and Indian administrations, and analyses how the different indigenous groups (the Andamanese, the Onge, the Jarawa and the Sentinelese) have responded differently and been affected

in different ways by colonization and the everyday dynamics of colonial administrative practices. It emphasizes particularly the dynamics of power and gender. The book also looks at the present situation of the Jarawa who, until recently, were known as a people that avoided contact with the surrounding society. The book concludes with a section on current

advocacy initiatives being spearheaded by civil society organizations and scholars aimed at securing the Jarawas' right to territory and to choose for themselves which future they want. The book includes an appendix containing the 2003 'Draft Policy on the Jarawas' (by Shri K.B. Saxena, member of the Expert Committee on the Jarawas) as well as an alternative Jarawa policy

framework drafted by a group of independent experts and observers, of which the author is a member.

Shanku and the Streeties

University of Chicago Press
Kashmir, the northern-most state of India, boasts a language which challenges every field of linguistics, be it modern, generative, comparative, synchronic and diachronic. Although Kashmiri is only spoken by

approximately three million people, its syntax, similar to Germanic and other verb-second languages, has raised many significant issues within current generative theories proposed by Chomsky and other prominent linguists. The book contains extensive description of the syntax, morphology, agreement and pronominal clitics of Kashmiri. Its originality lies in the fact it

presents a wealth of information on a relatively unknown verb-second language and will help to clarify certain key issues in the current theories.

The Manambu Language of East Sepik, Papua New Guinea

Createspace Independent Publishing Platform
 Ever met a pack of street dogs that broke the glass ceiling? Shanku and his friends rule the streets of a dreamy, laidback little

patch of a region called Poonithura, an area part of the larger town of Thripunithura, in Kochi, Kerala.

Thripunithura is known for its vibrant temple festivals and traditional cultural events.

Believing that the temple elephants attract the attention and awe of the humans of Poonithura due to their shiny festival armour, Shanku and his friends want a share of that glory.

But how can they pull it off?

BESTSELLER

Beautiful

World, Where

Are You is a

new novel by

Sally Rooney,

the bestselling

author of

Normal People

and

Conversations with Friends.

Alice, a

novelist,

meets Felix,

who works in

a warehouse,

and asks him

if he'd like to

travel to Rome

with her. In

Dublin, her

best friend,

Eileen, is

getting over a

break-up, and

slips back into

flirting with

Simon, a man

she has

known since

childhood.

Alice, Felix,

Eileen, and

Simon are still

young—but

life is catching

up with them.

They desire

each other,

they delude

each other,

they get

together, they

break apart.

They have

sex, they

worry about

sex, they

worry about

their

friendships

and the world

they live in.

Are they

standing in

the last

lighted room

before the

darkness,

bearing

witness to

something?

Will they find

a way to

believe in a

beautiful

world?

The Mother-in-

Law Wattpad

Books

In this witty,

acute and

often painfully

funny book
 Veena
 Venugopal
 follows eleven
 women
 through their
 marriages and
 explores why
 the mother-in-
 law is the
 dreaded figure
 she is. Meet
 Deepa, whose
 bikini-wearing
 mother-in-law
 won't let her
 even wear
 jeans; Carla
 whose
 mother-in-law
 insists that
 her son keep
 all his stuff in
 his family
 home
 although he
 can spend the
 night at his
 wife's; Rachna
 who fell in
 love with her
 mother-in-law
 even before
 she met her
 fiance only to
 find both her
 romances
 sour; and
 Lalitha who
 finds that
 despite having
 had a hard-nut
 mother-in-law
 herself, she is
 turning out to
 be an equally
 unlikeable
 Mummyji. Full
 of incisive
 observations
 and
 deliciously
 wicked
 storytelling,
 The Mother-in-
 Law is a book
 that will make
 you laugh and
 cry and
 understand
 better the
 most
 important
 relationship in
 a married
 woman's life.
