Richly-detailed illustrations complement three stories about mean giants and silly giants and includes "The Little Boy's Secret," "The Giant Who Was Afraid of Butterflies," and "The Giant Who Threw

Tantrums.

Stories Gogo Told Me Abela Publishing Ltd
NOBEL PRIZE WINNER • The moving, suspenseful, beautifully atmospheric modern classic from the acclaimed author of *The Remains of the Day* and *Klara and the Sun*—"a Gothic tour de force" (The New York Times) with an extraordinary twist. "Brilliantly executed." —Margaret Atwood "A page-turner and a heartbreaker." —TIME "Masterly."

—Sunday Times As children, Kathy, Ruth, and Tommy were students at Hailsham, an exclusive boarding school secluded in the English countryside. It was a place of mercurial cliques and mysterious rules where teachers were constantly reminding their charges of how special they were.

Now, years later, Kathy is a young woman. Ruth and Tommy have reentered her life. And for the first time she is beginning to look back at their shared past and understand just what it is that makes them special—and how that gift will shape the rest of their time together.

[I Love to Tell the Truth \(Afrikaans Book for Kids\)](#) Penguin Random House South Africa

There is a storyteller in almost every village in Africa. Telling stories is not her official job. By day she may be a Gogo, a teacher, a farmer or a seamstress. But at night, round the fire, she will sit surrounded by young children, old friends, neighbours and travellers. She will tell of how it was in the olden days, when the earth was young, when man was a hunter-

gatherer, and when the animals roamed wild throughout the continent. The author spent several months hiking around the villages, towns, farms and deserts of Zimbabwe, Zambia, Botswana and South Africa, asking people who can't read or write to tell her their favourite stories. The result is this children's treasury of legends and fables, of witchdoctors and kingdoms of strange creatures and talking animals, which celebrates Africa and its ancient storytelling culture.

How Ant Saved Dove Vintage Canada

The land is dry and Little Ant is very thirsty. He goes to the river for a drink and is swept away.

No Pigs Allowed HarperCollins

"An enraged elephant flips a car onto its roof. A lioness prises open the door of a terrified couple. A leopard helps itself to a family's picnic breakfast. A fleeing impala leaps through an open car window. A lion charges around inside a busy rest camp. A hyaena snatches a baby from a tent. A tourist takes a bath in a croc-infested dam ... These are just a few of the 101 jaw-dropping sightings, scrapes and encounters in this collection of extraordinary true stories from the roads,

camp, picnic sites and walking trails of South Africa's Kruger National Park, as told by the very people who experienced them. There are no game ranger tales here - each and every story happened to an ordinary Kruger visitor doing what over a million tourists do in this spectacular reserve each year."--Back cover.

Cousins Forever Vishv Books Private Limited

"The beads jingle and jangle and sparkle. The girls all giggle with glee! Mpumi and her friends discover the magic in her hair and what begins as an ordinary school day in Joburg is suddenly full of adventure everywhere!"--Page 4 of cover.

XHOSA FOLK & FAIRY TALES - 21 Xhosa children's stories from Nelson Mandela's homeland Penguin Random House South Africa

Alexander is autistic. When he is nine years old he is found dead in a bath of water. The only other person in the house at the time is his mother Ingrid. The circumstances arouse suspicion and the police take Ingrid into custody. Did she murder her child? And who could blame her if she did? She has had nine years of hell with her uncontrollable child, all those she cares about have deserted her, and not even the church has come to her assistance. Her efforts to find help for Alexander have left her bankrupt and she is emotionally and physically depleted. If it were not for Miriam and Gunter, she would surely never have endured the nine years... In this haunting novel Annelie

Botes exposes the tragedy of autism and its devastating effect on families. Searingly honest, it brings home the inescapable truth that society can be cruelly indifferent to whatever it perceives to be aberrant.

Circus Dogs Roscoe and Rolly Silsnorra LLC

Discover how you use your five senses, sight, smell, taste, hearing and touch to learn about the world. In this classic Level 1 Let's-Read-and-Find-Out picture book, Aiki uses simple, engaging text and colorful artwork to show young readers how they

Sight Words, Grade 1 Independently Published

A collection of some of the oldest African tales, selected by Nelson Mandela, former president of South Africa, which presents such themes as cunning animals, magic spells, and people who change forms. *Rafiki's Style* Carson-Dellosa Publishing From the renowned author of *Possession*, *The Children's Book* is the absorbing story of the close of what has been called the Edwardian summer: the deceptively languid, blissful period that ended with the cataclysmic destruction of World War I. In

this compelling novel, A.S. Byatt summons up a whole era, revealing that beneath its golden surface lay tensions that would explode into war, revolution and unbelievable change — for the generation that came of age before 1914 and, most of all, for their children. The novel centres around Olive Wellwood, a fairy tale writer, and her circle, which includes the brilliant, erratic craftsman Benedict Fludd and his apprentice Phillip Warren, a runaway from the poverty of the Potteries; Prosper Cain, the soldier who directs what will become the Victoria and Albert Museum; Olive's brother-in-law Basil Wellwood, an officer of the Bank of England; and many others from every layer of society. A.S. Byatt traces their lives in intimate detail and moves between generations, following the children who must choose whether to follow the roles expected of them or stand up to their parents' "porcelain socialism." Olive's daughter Dorothy wishes to become a doctor, while her other daughter, Hedda, wants to fight for votes for women. Her son Tom, sent to an upper-class school, wants nothing more than to spend time in the woods, tracking birds and foxes. Her nephew Charles becomes

embroiled with German-influenced revolutionaries. Their portraits connect the political issues at the heart of nascent feminism and socialism with grave personal dilemmas, interlacing until *The Children's Book* becomes a perfect depiction of an entire world. Olive is a fairy tale writer in the era of Peter Pan and Kenneth Grahame's *The Wind In the Willows*, not long after Alice's *Adventures in Wonderland*. At a time when children in England suffered deprivation by the millions, the concept of childhood was being refined and elaborated in ways that still influence us today. For each of her children, Olive writes a special, private book, bound in a different colour and placed on a shelf; when these same children are ferried off into the unremitting destruction of the Great War, the reader is left to wonder who the real children in this novel are. *The Children's Book* is an astonishing novel. It is an historical feat that brings to life an era that helped shape our own as well as a gripping, personal novel about parents and children, life's most painful struggles and its richest pleasures. No other writer could have imagined it or created it.

What is Bigger Than Anything?: Infinity Tadpoles Tales
 Cousins Forever is a beautifully written and illustrated book that captures the special relationship that cousins share. When one of the two families moves abroad, the two cousins do not let the distance come between them. They talk often about their friends, animals, different seasons, and outdoor activities, via video chat. With new words and languages being part of their everyday life, the two girls come up with a fun, painting game, the "Word Swap". A lovely tribute to the unique friendship of cousins. Parents, aunts, uncles, and grandparents can share this book with little ones who are just beginning the lifelong journey as cousins together. Close friends are family also, so if you don't have an extended family, your child's best friend may also be referred to as a cousin. After reading this book, children will: ✓ Be prompted to write their very own favorite words ✓ Be encouraged to express themselves through art ✓ Want to paint and get creative Albert Einstein has been quoted to have said that creativity is intelligence having fun, and that imagination is more important than

knowledge. Creativity is the highest form of intelligence because it goes beyond knowledge recall and extends into knowledge creation. Did you know that creative young children who use their imagination are more effective, resourceful, resilient, and confident than their peers? Creative children are also better equipped to overcome obstacles and navigate changes in life. This book makes the perfect gift for creative little boys and girls, teachers, librarians, and parents. Perfect for all children ages 3, 4, 5, 6, 7, 8, and up. Most suitable for Pre-K, grade 1, grade 2, grade 3, and parents and teachers who appreciate a well-written and beautifully illustrated book with traditional watercolor art to enhance a child's world. Cousins Forever is also available in several bilingual editions (English-Spanish, English-Greek, English-Portuguese, English-French, English-German, English-Italian). *Wanda Xlibris Corporation*
 Read & Learn series is for young children who are eager to know and learn. The stories in this series are written with an understanding of children's natural curiosity and their ways of thinking.

Dealing with various themes, the stories are beautifully interwoven with lesser-known interesting facts that are brief enough for the young reader to cope with. English Grammar through stories aims to make grammar an interesting element of story time. This book is for:- 2-5 years for reading aloud and 5-7 years for independent reading.

The Day the Dragon Came African Storybook Initiative

Roscoe, a seasoned circus dog, is growing old. Tricks he once performed with ease are getting difficult. Luckily the new puppy, Rolly, is a quick learner. She helps out her old friend, who is worried that one day he'll get fired from the circus. When a crisis interrupts the Christmas performance, it's up to old Roscoe to save the day! His golden heart and incredibly sensitive nose come in handy. As Roscoe himself says, "I may forget everything else, but I will never forget the smell of a child."

The Inside Book Createspace Independent Publishing Platform

Here is a beautiful picture book with musical rhymes that celebrates diversity and promotes kindness, sure to strike a

chord with the many fans of Louis Armstrong's "What a Wonderful World". When a lion is removed from his natural habitat, forced to leave his African land and his pride behind and crowned King of Animals in a zoo, but acts out and becomes a secluded, captive beast all humans give up hope. Only a patient and observant brown little dog stands by his side and, through his optimism and kindness, turns the beast into a friend for life. Inspired by the true story of Bonedigger, the disabled lion and the friendly Dachshund Milo who proved that friendship knows no boundaries, "The Lion and the Dog" is a brilliant, colourful tale that shines when read aloud and is a definitive must-have for all collections. Similar books by the same author: "The Cheetah and the Dog", "The Elephant and the Sheep". "Inspired by a true story, The Lion and the Dog by Patricia Furstenberg is a heartwarming story about the friendship between a Dachshund dog, Milo, and Leo the lion who lives in the heart of a zoo. The dog's best friend is the frog whom he meets one day on his morning walk. The lion is brought in one day and kept in a cage for people to say

WOW, and he is crowned as the King of the Zoo. Everyone feared the lion while the Dog was free to roam around the zoo. Milo the dog meets Leo the lion across the cage bars. Milo wants to share his joy with the lion. Leo is rude but Milo is not going to give up. The lion tries to scare Milo by saying he is from Africa and has seen the world. He also roars, showing off his huge teeth. Things change when Leo falls sick and readers get to see Leo and Milo becoming friends. I like the beautiful messages of friendship, faith, optimism, and kindness conveyed through this story. The rhyme scheme makes it a lyrical read, making it appealing to the children. The illustrations are wonderful and they give clarity to the author's concept and words. What a beautiful story for parents to read out to children and help them understand the true meaning of friendship and how it has no boundaries! I would recommend the story for read aloud sessions in classrooms for students to understand that the right friends will come along if one has faith, and there is no need to feel lonely."
