Excerpt from Sixty-Seventh Annual Circular and Catalogue of Union College: Third Term, 1861 In the Scientific course the modern languages are substituted in place of the ancient languages, and the amount Of mathematical studies is increased. The degrees conferred remain unchanged; but the diploma given is in French. In the Partial or University course, students select such studies as they please, and receive a certificate indicating their proficiency in those which they have pursued. This is in English. There are also special courses of instruction in Civil Engineering and in Analytical Chemistry. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
