Child Support Specialist III Passbooks

Child Support Guidelines, Second Edition is the only comprehensive guidebook for

determining child support awards that takes practitioners step-by-step through the interpretation and application of the guidelines and their worksheets in both the normal and exceptional child support case. This unique publication thoroughly covers each state's version of one of the three basic models for determining child support: the percentage of income model, the income shares model, and the Melson formula. Important issues affecting calculations are clearly explained, including: Definition of "income" under the guidelines The impact of divided custody, shared custody, split custody, and extended visitation Second household expenses, other dependents, subsequent children, and stepchildren Impact of a private contract on the

court's decision to apply the guideline amount Deviation from the guidelines for a high income parent Deviation from the guidelines to pay for medical expenses, private school, and child care expenses Imputed income Modification of prior awards And more.

A Simple Guide To Child Support Redemption is the best resource available for non-custodial parents

struggling with the child support payment system. It's packed with verifiable resources, tons of information and no less than 15 documented remedies proven to save thousands of dollars in costs associated with paying child support through the State. It actually pays for itself right away as foolish and costly mistakes can be identified and then eliminated after reading only one chapter. Throughout the guide, you'll find a comprehensive break-down of significant history, ongoing legislation, contracts, Case Law and recent controversial issues pertaining to Title IV-A and D of the Social Security Act, which is the voluntary contract that Child Support is based upon. What makes it different from any other guide is the fact that It

contains 100 Study Questions and a certification process that will prepare the non-custodial parent with the tools necessary to become a specialist in all areas of Title IV-A and D of the Social Security Act. There's nothing like it out on the market today because the information presented comes with documented testimonies from people that have struggled with every aspect of the child support payment system, but then used these methods to get their lives back on track. The guide was written in an easy-to-read and understand format that can be purchased as a personal reference guide if you're the one going through it, or as a gift for someone else that you know who might be caught up in a struggle with the child support system.
