 PIG / SISSY: 'Are you finding this harder to hear, is this more difficult on your stomachs because we are women.' This is about pornography. This is an interview. This is an intervention. This is an interrogation. We're recording now. We want to pull its plug out. We want to stop its heartbeat. We want to blow its brains out and begin again. We know exactly what we're doing. We're not stupid. An unsettling, powerful new piece of theatre tackling pornography and violence against women.

Le Breviari d'amor de Matfre Ermengaud, suivi de sa lettre à sa soeur. Intr. et glossaire par G.Azaïs Random House

Trevor is an exuberant, sociable, and witty thirteen year old. So how come, when he takes that nerve-wracking turn toward his locker at school, he feels scared and alone? Shunned by his friends, misunderstood by his parents, and harrassed at school for being different, Trevor goes from wondering what color glitter to choose for his Lady Gaga costume at Halloween, to wondering why some feelings "are so intense it makes you just want to lay down and die rather than go on feeling it," and making an attempt on his life. Trevor mixes humor and realism in an urgent look at what it is like to feel alienated from everything around you. And more importantly, what critical ties can step in at the most unlikely moment, to save you from despair, and give you reason to go on living. Trevor is an update of the film version of the story, directed by Peggy Rajski, which won the Academy Award for Best Live Action Short in 1994. The Trevor Project is the leading national organization providing crisis intervention and suicide prevention services to lesbian, gay, bisexual, transgendered, and questioning youth. As the recent attention to youth suicides has received increased media attention, and Dan Savage's IT GETS BETTER campaign has gone viral around the world, the public is finally beginning to face hard facts. Thirty-three percent of suicides among teenagers involve LGBTQ youth, one-third of all LGBT kids report having attempted suicide, and nine out of ten report overt harassment at school. Trevor is an effort to make those kids feel loved and supported, so they will find the strength to go on living.

Through a series of arresting vignettes and a collection of nameless characters, Alice Birch examines the language, behaviour and forces that shape women in the 21st century. The play asks what's stopping us from doing something truly radical to change them? Written in response to the provocation that well-behaved women seldom make history, the play is an assault on the language that has fueled violence against women throughout history. Problematic language frequently attached to women is interrogated, from lazy sexist clichés to the conventions around a marriage proposal. Through doing so, the play rails against the conventions of work, sex, motherhood, aging and love. *Revolt*. She said. *Revolt* again was first performed at the 2014

Midsummer Mischief Farrar, Straus and Giroux (BYR)

Following the golden thread backward, the author retraces her steps of healing from an atypical eating disorder as a mid-life adult. Her symptoms pushed her into a conscious relationship with her body, grappling with the Jungian concept of shadow and personal mythology. Marya's commitment to her art journal and research into the history of anorexia illuminated her path of recovery as she examined her sexuality, cultural reintegration, familial inheritance, work aspirations and relationships. In her explorations she came to understand how a woman's relationship to food connects to other women across time. The cover illustration and section headings are pages from the author's art journals. As she listened to the messages from her body, her psyche translated them into art images. They, in turn, paved the way for this book.
