*The Tale of Jemima Puddle-Duck* Farrar, Straus and Giroux "...Më 1906, Kurbini kundërshon taksat qeveritare,duke i dhanë nismën kryengritjes shqiptareqë çoi në pavarësinë kombëtare...me në kryeGjin Pjetër Mark Pervizin e Skurajt të Kurbinit,Plak i parë i 45 Pleqve të Semtit të Krujës".ZEF VALENTINI

*Roald Dahl's Revolting Rhymes* Pearson Higher Ed

A wily fox, notorious for stealing eggs, meets his match when he encounters a bold little girl in the woods who insists upon proof that he is a fox before she will be frightened. One track of sound disc has page-turn signals.

**Flossie & the Fox** Skyhorse

A major representative of the German sociological tradition, Georg Simmel (1858-1918) has influenced social thinkers ranging from the Chicago School to Walter Benjamin. His magnum opus, The Philosophy of Money, published in 1900, is nevertheless a difficult book that has daunted many would-be readers. Gianfranco Poggi makes this important work accessible to a broader range of scholars and students, offering a compact and systematically organized presentation of its main arguments. Simmel's insights about money are as valid today as they were a hundred years ago. Poggi provides a sort of reader's manual to Simmel's work, deepening the reader's understanding of money while at the same time offering a new appreciation of the originality of Simmel's social theory.

**Gramatika e gjuhës shqipe për shkollat e mesme** Notion Press

”Kur të më shohësh të vdekur prej dashurisë për ty, gruaja ime, dhe buzët e mia të jenë të çelura dhe i zbrazur nga shpirti të jetë trupi im ... atëherë, e mbushur me dhimbje dhe keqardhje, do të vish tek ana e krevatit tim dhe me zë të ëmbël dhe të ulët do të thuash: Unë jam ajo që të ka vrarë dhe e penduar jam kthyer...”. Dy trupa, një shpirt i vetëm. Një kthim në jetë një shekull e gjysmë pas herës së parë që asgjëson kufijtë e caktuar nga koha. Një jetë e re apo vetëm një shpërblim. Po sigurisht një dashuri e re që çel në rishikimin e përditësuar të një të kaluare tashmë të zhdukur. “NJË FLLUSKË JASHTË KOHE” është një Roman i pasur me emocione, me imazhe dhe të papritura që e mbajnë lexuesin të gozhduar deri në faqen e fundit. Po sikur të ishte e vërtetë se të gjithë ne jetojmë një jetë të dytë? Po sikur të rriteshim me sigurinë e të kujtuarit të një jete të mëparshme? Katherine, nga të gjithë e quajtur Kate, është një grua e re italo-amerikane që jeton në New York. Shumë janë të bindur që ka probleme mendore, përfshirë familjen e saj të origjinës. Por, nuk është kështu: e veçanta e saj është që kujton me qartësi absolute detajet e një jete të saj të kaluar, jetë e jetuar në një vend të largët nga qyteti i saj i lindjes. Tashmë tridhjetë e pesë vjeçare, vendos të kthehet në Joseph, në kontenë e Wallowa-s, në Oregon, ku është e sigurtë se ka jetuar. Kërkon të kaluarën e saj, atë që qe shpirti i saj i mbyllur në trupin e një gruaje të kohërave të tjera. E detyruar të ndalojë në Portland nga një shtрэngatë, takon John-in, me të cilin përjeton një tërheqje të çuditshme. Ai do ofrohet ta ndihmojë të kërkojë gjurmët e kësaj të kaluare që nuk rresht së obsesionuari atë. Një pikturë, një puthje, një shtëpi dhe një ditar i shkruar nga ajo vetë në gjysmën e dytë të viteve tetëqind, gjithçka konvergon drejt një zbulimi befasues ruajtur për një finale të aftë për ta bërë këtë roman të paharrueshëm. PUBLISHER: TEKTIME

*The General of the Dead Army* Tektime

Why is the sky blue? Why is pink for girls and blue for boys? Why do prisoners wear orange? And why can one colour have so many opposite meanings? If lobsters are a red emblem of privilege how is it that a red flag can also be the banner of Communism? Jude Stewart, a design expert and writer, digs into this rich subject with gusto, telling her favourite stories about colour as she discovers what it can really mean. Each chapter is devoted to a colour, opening with an infographic map that links such unlikely pairings as fox-hunting and flamingos. From there on in, you're plunged into a kaleidoscopic tour of the universe that encompasses everything from wildflowers to

Japanese warriors. The links between them reveal hidden realities that you never would have suspected. Roy G. Biv is a reference and inspiration for everyone, with sidebars and graphics galore. The aim is simple: to tantalise and inform, and to make you think about colour in a completely new way. *Albanian Literature* Canongate Books This third edition of Understanding Human Rights has been elaborated by the European Training and Research Center for Human Rights and Democracy (ETC) in Graz, originally for the Human Security Network (HSN) at the initiative of the Austrian Ministry for Foreign Affairs. The objective is to assist human rights education efforts worldwide. The book’s thematic modules on selected human rights issues cover topics such as: the prohibition of torture, freedom from poverty, human rights of women and children, human rights in armed conflict, freedom of expression, and democracy. New to this updated edition are chapters reflecting current trends in human rights, including new modules on privacy (such as challenges posed by Internet use), minority rights, and the right to asylum. Translations of the earlier editions already exist in 15 languages, among them all the official United Nations languages. Understanding Human Rights has become a basic text for human rights education and training in different countries, on different levels, and for different audiences, from university lectures in China to NGO training in Mali to police training in Kosovo. *Roy G. Biv* Lulu.com

A 12-year-old boy, mourning the death of his mother, takes refuge in the myths and fairytales she always loved--and finds that his reality and a fantasy world start to meld. *Caring for Our Future* Routledge The human race is in crisis and very few of us – if any – are able to understand what is wrong with our lives and the world at large. How did this happen and how did humans become so ‘disconnected’ with humanity? Why are psychological disorders such as depression, anxiety, fear, and suicide on the increase, and why are conventional Western therapies unable to stem the tide? To approach this we must first look inside ourselves – to explore our own purpose in life and extend that principle to the rest of humanity. Despite the advances of modern Western psychology and the development of therapies that do help many, one area that is largely unexplored is that of the ‘human spirit’ and spirituality since it is more convenient to consider the human mind as ‘machine’ that responds to external stimuli. In this powerful exploration into the human mind and its relationship with the human spirit, Malik Badri invites the reader to open the door to self-discovery, purpose and spirituality through the practice of contemplation, reflection and meditation – understanding the true meaning and experience of spirituality as well as one’s own place in Creation. Whilst central to worship in Islam, this will also be of great interest to, and help any reader wishing to explore the notion of spirituality whether as part of worship or simply as part of self development and inner healing. *Lon Po Po* Harvard University Press Masterful in its simplicity, Chronicle in Stone is a touching coming-of-age story and a testament to the perseverance of the human spirit. Surrounded by the magic of beautiful women and literature, a boy must endure the deprivations of war as he suffers the hardships of growing up. His sleepy country has just thrown off centuries of tyranny, but new waves of domination inundate his city. Through the boy’s eyes, we see the terrors of World War II as he witnesses fascist invasions, allied bombings, partisan infighting, and the many faces of human cruelty—as well as the simple pleasures of life. Evacuating to the countryside, he expects to find an ideal world full of extraordinary things, but discovers instead an archaic backwater where a severed arm becomes a talisman and deflowered girls mysteriously vanish. Woven between the chapters of the boy’s story are tantalizing fragments of the city’s history. As the devastation mounts, the fragments lose coherence, and we perceive firsthand how the violence of war destroys more than just buildings and bridges.

*Tom Brown’s School Days* International Institute of Islamic Thought (IIIT)

An old woman is awoken in the dead of night by knocks at her front door. The woman opens it to find her daughter, Doroutine, standing there alone in the darkness. She has been brought home from a distant land by a mysterious rider she claims is her brother Konstandin. But unbeknownst to her, Konstandin has been dead for years. What follows is chain of events which plunges a medieval village into fear and mistrust. Who is the ghost rider? *The Ivory Tower and Harry Potter* Anchor Canada With the scope of a philosopher and the precision of a scientist, Dr. Ahmed takes us on a journey through the labyrinth of Islamic history offering unique insights into its own internal dialectic as well as its interactions with Western civilization. Using pivotal personalities and critical events as guideposts, he has brought forth the complex interplay of political, social, economic, spiritual and religious currents within the large and diverse Muslim world and their interconnections with global developments. It is a book for the layman, the historian, the pundit and the policy maker alike at a time when Islam takes roots in America and as it becomes a major force in shaping the destiny of man. “Dr. Ahmed has used his clarity of thought and his lucid prose to convey the meaning of the Muslim experience in history. Those who are interested in getting new perspectives and insights from the emerging community of Muslim intellectuals in the West can find much food for thought in this book”. Professor Sulayman S. Nyang, Ph.D., Department of African Studies, Howard University, Washington, D.C. Legislator, scientist, educator, and community leader, Dr. Nazeer Ahmed is Executive Director of the American Institute of Islamic History and Culture based in California. After his graduation with distinction from the University of Mysore, India, he entered the California Institute of Technology as an Institute Scholar (1961) where he earned MS and Ae. E. degrees. Later, he received a Doctor of Philosophy degree (1967) from Cornell University and an MBA from Rider University. Dr. Ahmed was an elected Member of the Legislative Assembly in Bangalore, India (1978). He was an elected delegate to the Democratic National Convention in Atlanta, GA (1988) from the 46th Congressional district in California. He is an inventor and holds fourteen United States Patents. His articles have appeared in the Los Angeles Times and he has conducted extensive lecture tours in the United States, India and Malaysia, speaking on history, science and culture.

*The Siege* I.B. Tauris

"Many argue that the modern family is an anachronistic institution whose demise is only a question of time. Looking to the family's future, the eminent sociologist Brigitte Berger argues that despite being weakened and embattled, the family will survive as a fundamental social institution. The family has been the cradle of the modern social order for some three hundred years, and will remain the basis for any society concerned with happiness, liberty, equality, and prosperity for all its members. Rather than being condemned to the dust heap of history, or becoming a simple lifestyle choice, the modern family has a number of enduring strengths that will ensure its survival. In *The Family in the Modern Age*, Berger focuses on four major areas of concern. First, she demonstrates that the short shrift given to the institutional dimension of the family misrepresents the importance and the role of the family today. Second, she documents the close cognitive fit between core elements of the modern family and the stability of modern society, and argues that any society that ignores this connection does so at its own peril. Third, Berger investigates the degree to which currently identified problems may endanger the modern family's vital individual and social functions. And finally, she develops reasonable projections of the future of the family that will be core elements contributing to the creation of a politically democratic and economically prosperous world. Berger takes a long-range view of ""the career"" of the conventional family in the twentieth century. Her perspective is distinctly different from that widespread in scholarly literature today. She takes account of recent demographic shifts in behavior relating to sexuality, marriage, family structure and values, relationships, and family functions. Berger considers hotly contested contemporary issues relating to the family-gay marriage, divorce, abortion, women and work, issues of child-care, among others. Bu"

**Useful Enemies** University of Missouri Press

Several years after the events in *Threshold*, *Chance* and *Deacon* have married. They're looking ahead to the future, trying to put the past behind them. But new nightmares await them as a woman with a need for violence enters their lives. And something even worse has followed her...

**Money and the Modern Mind** Skyhorse Publishing Inc.

Now available in paper, *The Ivory Tower* and *Harry Potter* is the first book-length analysis of J. K. Rowling's work from a broad range of perspectives within literature, folklore, psychology, sociology, and popular culture. A significant portion of the book explores the *Harry Potter* series' literary ancestors, including magic and fantasy works by Ursula K. LeGuin, Monica Furlong, Jill Murphy, and others, as well as previous works about the British boarding school experience. Other chapters explore the moral and ethical dimensions of Harry's world, including objections to the series raised within some religious circles. In her new epilogue, Lana A. Whited brings this volume up to date by covering Rowling's latest book, *Harry Potter and the Order of the Phoenix*.

*Special Education in Ontario Schools* Canongate Books

The tender plant of Albanian literature grew in a rocky soil. It was late to evolve and its development, indeed its very existence, was threatened in many periods. "Albanian Literature: A Short History" tells the story of the survival and growth of Albanian creative writing beginning with the earliest thirteenth century texts of Theodor of Shkodra, tracing the development of the modern literature of Buzuku, Budi and Bogdani, the incorporation of the Muslim influences of Frakulla and Kycyku and continuing with the works of Cajupi and Kadare during the reign of King Zog and the Hoxha administration. A unique book that illuminates an under-researched subject, "Albanian Literature" is an essential reference guide for all those interested in Balkan cultures, in comparative literature and in European cultural history in general.

**The Autobiography of the People in Verse** Penguin

From Ismail Kadare, winner of the inaugural Man Booker International Prize – a novelist in the class of Coetzee, Pamuk, Márquez, and Rushdie – the stunning new translation of one of his major works. In the early fifteenth century, as winter falls away, the people of Albania know that their fate is sealed. They have refused to negotiate with the Ottoman Empire, and war is now inevitable. Soon enough, dust kicked up by Turkish horses is spotted from a citadel. Brightly coloured banners, hastily constructed minarets, and tens of thousands of men fill the plain below. From this moment on, the world is waiting to hear that the fortress has fallen. The *Siege* tells the enthralling story of the weeks and months that follow – of the exhilaration and despair of the battlefield, the constantly shifting strategies of war, and those whose lives are held in the balance, from the Pasha himself to the artillerymen, astrologer, blind poet, and harem of women who accompany him. "Believe me," the general said. "I've taken part in many sieges but this," he waved towards the castle walls, "is where the most fearful carnage of our times will take place. And you surely know as well as I do that great massacres always give birth to great books. You really do have an opportunity to write a thundering chronicle redolent with pitch and blood, and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war." Brilliantly vivid, as insightful as it is compelling, *The Siege* is an unforgettable account of the clash of two great civilisations, and a portrait of war that will resonate across the centuries.

**Umar Al Farooq** Stanford University Press

Part of the authoritative four-volume reference that spans the entire field of child development and has set the standard against which all other scholarly references are compared. Updated and revised to reflect the new developments in the field, the *Handbook of Child Psychology*, Sixth

Edition contains new chapters on such topics as spirituality, social understanding, and non-verbal communication. Volume 4: *Child Psychology in Practice*, edited by K. Ann Renninger, Swarthmore College, and Irving E. Sigel, Educational Testing Service, covers child psychology in clinical and educational practice. New topics addressed include educational assessment and evaluation, character education, learning disabilities, mental retardation, media and popular culture, children's health and parenting.

**The Fall of the Stone City** Penguin

A Stanford University Press classic.

**The Spirit Level** IslamKotob

Shortlisted for the Independent Foreign Fiction Prize 2013. In September 1943, Nazi troops advance on the ancient gates of Gjirokastr, Albania. The very next day, the Germans vanish without a trace. As the townsfolk wonder if they might have dreamt the events of the previous night, rumours circulate of a childhood friendship between a local dignitary and the invading Nazi Colonel, a reunion in the town square and a fateful dinner party that would transform twentieth-century Europe. A captivating novel of resistance in a dictatorship, and steeped in Albanian folklore, *The Fall of the Stone City* shows Kadare at the height of his powers.

**The Ghost Rider** Council of Europe

This Caldecott Medal-winning, classic retelling of *Little Red Riding Hood* is one of the most celebrated picture books of our time. With characteristic flair and energy, award-winning artist Ed Young illustrates the ancient Chinese version of the favorite fairy tale *Little Red Riding Hood*. Young's vibrant, yet delicate, pastels and watercolors add drama to the deftly translated story. ★ "A gripping variation of *Red Riding Hood*. This is an outstanding achievement that will be pored over again and again." —School Library Journal, starred review
