A saboteur. A dead body. Rachel Prince risks all to track down a determined killer. Rachel gets a call from the ship's security chief and drops everything and flies to Italy.

Death of a Blogger

Oakwood Publishing  
New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while

celebrating New York as both a place and an idea.

*The Bradgate Park Murders* Oakwood Publications

A wonderfully crafted book that resonated deeply...BL. Very pleased to discover this bright new star. L. Easy to read, enjoyable and very funny. P.M. An accomplished storyteller - her style of writing is relaxed and easy on the senses and I am hopeful that she will follow up this book with further reminiscences. R.F. If you have ever worked or been in hospital or if you are someone who loves medical and nursing biographies, you will love this raw and original book because it provides a real insight into hospital life back in the day. Dawn had no idea

what she wanted to do with her life but a set of circumstances collide that see her attending an interview for nurse training in 1977. There follows what someone describes as a howling good read. The memoir follows the ups and downs of a trainee nurse during the 1970s. It is written with humour and candour but also a great deal of compassion. The book follows the author's experiences as she and her friends come to terms with the non-stop hustle and bustle of hospital life. As you are drawn into the book you will be introduced to many unforgettable patients' and their stories, while getting to know a cracking good storyteller, when you follow her onto the

hospital wards. Dawn shares the discipline, laughter and inevitable sadness as she learns to cope with the strains of shift work. It also highlights the domineering presence of the Ward Sister during that era. 'The Sister called to me. 'Nurse Brookes, set up a trolley for a lumbar puncture.' 'I have never set up a trolley for a lumbar puncture Sister.' 'WELL LEARN!' She shouted and stormed of up the ward. The chapters are separated into ward placements and the experiences of caring for patients in each of these different environments draws you in and helps you to understand what the student nurses' went through during their training. The most challenging

placements are shared with humour and understanding, acknowledging her weaknesses.

Remember, she writes, she is still a teenager coming across daily what most people will not experience in a lifetime. As well as providing an insight into nurse training, *Hurry up Nurse*, is a warmly written medical biography that treats us to a glimpse into the social history of life in the 1970s and early 1980s. This funny & poignant nursing memoir will make you laugh and make you cry. Pick up this page turning book today.

Author Interview: What made you want to write a nursing memoir? I think, in a way, it was inevitable. I have always been a reader and whilst I love

to read fiction, I tend to read more non-fiction and biographies than anything else. At first I started writing for myself and perhaps for future generations of family to find when researching a family tree. As the book developed, I became that young girl again and the vivid memories of patients and friends came flooding back. I felt that their stories and bravery needed to be shared. The other reason was that the memories made me laugh and remember the days when I loved nursing, there was so much fun and camaraderie at that time. Were there any times when you wanted to give up writing the memoir? Yes, indeed. Initially I started the work while still working full time

and it was difficult to find the time and the discipline to write, it tended to be start, stop, start for about a year. I really gave up when my laptop met with an accident and I lost five chapters that could not be recovered. At that point I did give up and it wasn't until I broke my foot at work and had to take some time off that I found myself with too much time on my hands as I was unable to drive. I found the old file with the original chapters and started again - finishing the book in six weeks. The rest is history. Who would enjoy this book? Anyone who likes human interest stories and medical dramas.

**Murder at the Opera House** A Rachel Prince Mystery

The nursing profession called to her from a young age. But to make it in this business, she'll have to grow up fast. Leicester, 1977. Dawn Brookes was excited to trade in her job for a career. While her family worried the hard-partying girl was too immature to take it seriously, the teen eagerly launched into her training as a nurse. But nothing prepared her for the stressful chaos of working in high-stakes hospital wards. As sickness, death, and struggle became part of her daily routine, the inexperienced woman labored to keep it all together. And each day turned into a challenge to push forward with the relentless admissions of those in need of care. In this

raw and frequently hilarious account of nursing in the 1970s, Dawn Brookes gives a brilliant insight into a beautiful and poignant world. And from changing bedpans to taking orders from razor-sharp sisters who dominated her work, she pulls back the curtain on the sweetest and ugliest sides of this often overlooked role. *Hurry Up Nurse* is a touching and humorous memoir. If you like honest accounts, zany situations, and seemingly insurmountable odds, then you'll love Dawn Brookes's compassionate memoir.

*The Museum Murders* A Lady Marjorie Snellthorpe Mystery  
A body in the water. A plethora of suspects.

Rachel Prince must be on another cruise! Plus, by popular demand, Lady Marjorie Snellthorpe returns... Crew aboard the fictional Coral Queen find themselves stretched to the limit by the antics of a Queen tribute act, a troublesome stag party and a group of excitable female cheerleaders. Rachel is accompanying Lady Marjorie on a cruise around the Baltics. The older woman is hoping for a mystery while Rachel seeks peace and quiet. PC Rachel Prince, cruise ship sleuth can't believe it when a man dies under suspicious circumstances. The probable homicide occurs shortly after an unpleasant encounter with a Freddie Mercury lookalike. Rachel and

Marjorie find themselves absorbed by the man's untimely death, and surrounded by suspicious characters with ample motive for killing the unpopular victim. The Chief of Security wavers between involving Rachel in the investigation and keeping her away from it. Sarah, Rachel's best friend and cruise ship nurse is keen to keep her out of harms way, but it's a case of the irresistible force meets the immovable object when there's a mystery to be solved. Rachel is spurred on by the incorrigible Marjorie who is keen to interfere and test her own sleuthing skills. Chief Waverley and Sarah are fighting a losing battle, and become more and more exasperated by

Rachel's involvement. In addition to this they both have problems of their own. As the dead man appeared to have more enemies than friends, this mystery tests Rachel to the limit. She finds herself in danger as she tries to keep Lady Marjorie safe while solving the crime. Join the crew and passengers aboard the Coral Queen for another exciting adventure at sea!

Oakwood Publications  
A peaceful village. A buried secret. A gripping new crime novel for 2020.

"Beyond brilliant as

usual from the inimitable Ms Brookes. Highly highly recommended." Anne, Goodreads. When private investigator Carlos Jacobi arrives in the Peak District to spend Christmas with his sister, he doesn't anticipate his ex-police dog unearthing a body in the local woods. Why would someone murder a seemingly harmless old man? The dead man's wife hires Carlos to investigate the murder after the police had fobbed her off when she reported him missing. Carlos soon discovers fractured relationships, family secrets and villagers with something to hide. To top it all, the man in charge of the investigation is someone Carlos had hoped never to meet again. Memories of

their time in Afghanistan still haunt him. Bad blood between the two men threatens to cloud the investigation as neither can bury the past. DCI Terry Masters is livid when Carlos is hired, and takes it personally. He orders his sergeant to make sure the private investigator is kept out of the loop or face consequences, not knowing that Carlos and DS Fiona Cook are old friends. Meanwhile, Carlos unravels lies and motives among the seemingly innocuous village population. When his dog, Lady makes another grisly discovery, the suspense heightens. Carlos teams up with his old friend to get to the bottom of this frustrating case. *City of Speed (Battle*

Thrilling New Crime

Series PI, Carlos Jacobi

is on the trail of a ruthless killer after three men are found dead following an illegal camping party...

When three men are

found dead near to the ruins of Bradgate House, birthplace of Lady Jane Grey, the evidence points towards accidental deaths following drugs overdoses. The wives of the men don't believe their husbands took drugs and are determined to find out what really happened. They club together to hire Carlos to investigate. Carlos encounters suspicion, rumour and legend in another complex case where unravelling motives is not too hard to find, but it's hard to know who is telling the truth among the growing list of suspects... He's thrown into turmoil again when the man in charge turns out to be his nemesis, DCI Terry Masters. The only good thing about the case is

that despite the challenges he gets to work with down-to-earth detective sergeant Fiona Cook once more. Carlos has another reason for being in Leicester. He's trying to track down a mysterious man responsible for organised crime after ending a dog theft racket in the Home Counties. His tenacity may just get him into more trouble than he bargained for as well as putting himself and others in danger.

In a modern mega-city built around dragons, one boy gets caught up in the world of underground dragon battles and a high-stakes gang war that could tear his family apart. In the city of

Drakopolis, dragons and humans have co-existed for centuries. Dragons burn the city's garbage, taxi its busy citizens from place to place, and even compete in vicious underground battles for ganglike kins. But the dragons also compete in legal sports, like the spectacular aerial races that draw in cheering crowds by the tens of thousands. Abel is at just such a race when he witnesses the unthinkable. A long-shot competitor pulls off an impossible win -- then flies into a destructive rage! Someone in the city is experimenting on dragons: hacking their DNA, rebuilding their bodies, and breaking their minds. Who could be driving the dragons berserk? Abel must

find out who's behind the experiments and put a stop to them, and to do so he'll infiltrate the kins' underground street races on a long-shot dragon of his own. But with his sister working for a kin, his brother serving the city's secret police, and a bully at school racing for Abel's worst enemies, will Abel find any safety past the finish line?

A night at the opera ends in murder. Lady Marjorie will need to be at her razor-sharp best to solve this one...

Lady Marjorie Snellthorpe reluctantly agrees to accompany her cousin-in-law, Edna Parkinton on an organised tour, starting in Romania. Looking for rest and relaxation, things don't quite go to plan. Edna is happy to meet Horace Tyler again, and Marjorie believes she will make a new friend in

Frederick Mackworth. Their peace is shattered when they meet an annoying sextet, including a petulant diva. They are all detained in Cluj-Napoca after a body is found at the end of their night at the opera. The death of one of the company raises questions about who might have wanted to kill the unpopular diva. With a plethora of suspects, Marjorie and Edna lock horns while trying to discover who was responsible. The dead woman's friends and family are more interested on continuing with their holiday than finding a killer. With each one of them harbouring secrets, Marjorie and her pensioner friends have their work cut out. Can Marjorie get

to the bottom of a troubling murder without killing her cousin-in-law and ending up in a Romanian jail? Murder at the Opera House is the first full book following on from a prequel novella. This is a rollicking new series. Don't be fooled by the ages of this quartet; they mean business... If you like determined sleuths, jaw-dropping surprises, and detailed investigative work, you'll love this humorous group of pensioners.

*Dying to Cruise* A Rachel Prince Mystery Elsie Levy was born in the Jewish East End of London, came to Sydney with her family when she was 14, and joined the Communist Party of Australia when she was a young woman. In this book,

her son explores her disaporic Jewish identity, both English and Australian, and in the process journeys into Jewish cultural histories. We meet important cultural figures such as Leonard Woolf, Freud, Schnitzler, Veza Canetti and Ida Rubinstein. This journey leads also to English anti-Semitism, including, shockingly, Bloomsbury. In turning to Communism and marrying out, Elsie Levy became one of history's undutiful daughters.

*The Illustrated London News* Hurry Up Nurse A dangerous hitman. An elderly woman in danger. All that stands between them is an off-duty policewoman with a broken heart. In this first Rachel Prince Mystery, Rachel battles

with her misery while meeting up with her best friend, cruise ship nurse, Sarah Bradshaw. It's not long before Rachel senses there's danger and menace at work.
