And its alphabetical arrangement by author assures that surprises await on almost every turn of the page, with Cormac McCarthy and The Road next to Robert McCloskey and Make Way for Ducklings, Alice Walker next to Izaak Walton. There are nuts and bolts, too—best editions to read, other books by the author, "if you like this, you'll like that" recommendations, and an interesting endnote of adaptations where appropriate. How to Make Love to a Plastic Cup Little, Brown

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

"One of my favorite authors."—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of Beach Read and People We Meet on Vacation. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps

bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

'It is not so very difficult to predict the future. It is only pointless...what is always far more important are fundamental changes that happened though no one predicted them or could possible have predicted them.' (quote taken from this book) It is these unpredictable and irreversible changes from the past, and their effect on the role of the executive which Peter Drucker examines in his latest book. The management of change is a subject which has been, undoubtedly, the principal preoccupation of management thinkers in the 1990s. Peter Drucker, the guru's guru, brings together a group of his own original essays and interviews on this vitally important topic. As ever, he provides invaluable food for thought for all executives and students of business and management.

A Cup of Comfort Book of Christmas Prayer Canongate Books

Pride and Prejudice: "It is a truth universally acknowledged, that a single man in possession of a good fortune must be in want of a wife." So begins *Pride and Prejudice*, Jane Austen's witty comedy of manners-one of the most popular novels of all time-that features splendidly civilized sparring between the proud Mr. Darcy and the prejudiced Elizabeth Bennet as they play out their spirited courtship in a series of eighteenth-century drawing-room intrigues. Renowned literary critic and historian George Saintsbury in 1894 declared it the "most perfect, the most characteristic, the most eminently quintessential of its author's works," and Eudora Welty in the twentieth century described it as "irresistible and as nearly flawless as any fiction could be." *Persuasion*: Twenty-seven-year old Anne Elliot is Austen's most adult heroine. Eight years before the story proper begins, she is happily betrothed to a naval officer, Frederick Wentworth, but she precipitously breaks off the engagement when persuaded by her friend Lady Russell that such a match is unworthy. The breakup produces in Anne a deep and long-lasting regret. When later Wentworth returns from sea a rich and successful captain, he finds Anne's family on the brink of financial ruin and his own sister a tenant in Kellynch Hall, the Elliot estate. All the tension of the novel revolves around one question: Will Anne and Wentworth be reunited in their love? Jane Austen once compared her writing to painting on a little bit of ivory, 2 inches square. Readers of *Persuasion* will discover that neither her skill for delicate, ironic observations on social custom, love, and marriage nor her ability to apply a sharp focus lens to English manners and morals has deserted her in her final finished work.
