 When an old flame who gave up on life and chose to go up in flames—because he wanted to leave you but

couldn't—comes crawling back after four hundred years, you might not appreciate it, especially if you're in a new relationship. But nothing's ever simple between people, and that's even truer between monsters. For the first time in months, our heroic loser Araragi is human, parted by previous events from the ex-legendary vampire bound to his shadow. Before he, the second-ever

thrall of the former Kissshot, can resume his partnership with the donut-loving waif that she's turned into, she must make a choice—about that first-ever. Before the End Tale can end, some loose ends must be tied, and in this volume, the fixer Gaen calls in her favor, requesting an introduction to her niece; the errand of the amulet that Araragi ran with Kanbaru comes into crisp focus;

and the time-traveling and -spanning Dandy and Demon Tales see their devastating resolution.

The Dark Maidens

Vertical, Inc. Sabriel meets Romeo and Juliet in the stunning sequel to Bright Smoke, Cold Fire—from Rosamund Hodge, the author of Cruel Beauty and Crimson Bound. In the last days of the world, the walls of Viyara are still falling, and the dead are rising faster than

ever. Juliet is trapped—ordered by Lord Ineo of the Mahyanai to sacrifice the remaining members of her family, the Catresou, to stave off the end of the world. Though they're certain his plan is useless, Juliet and her former friend Runajo must comply with Lord Ineo's wishes—unless they can discover a different, darker path to protecting Viyara. Romeo is tortured: Finally aware that his true love is alive,

he is at once elated and devastated, for his actions led directly to the destruction of her clan. The only way to redemption is to offer his life to the Catresou to protect and support them . . . even if it means dying to do so. When Romeo's and Juliet's paths converge once again, only a journey into Death will offer answers and the key to saving them all—but is it a journey either of them will survive?
