The saga of
the greatest
tornado
chaser who

ever lived: a
tale of
obsession and
daring and an
extraordinary
account of
humanity's
high-stakes

race to understand nature's fiercest phenomenon from Brantley Hargrove, "one of today's great science writers" (The Washington Post). At the turn of the twenty-first century, the tornado was one of the last true mysteries of the modern world. It was a monster that ravaged the American heartland a thousand times each year, yet science's every effort to divine its inner workings had

ended in failure. Researchers all but gave up, until the arrival of an outsider. In a field of PhDs, Tim Samaras didn't attend a day of college in his life. He chased storms with brilliant tools of his own invention and pushed closer to the tornado than anyone else ever dared. When he achieved what meteorologists had deemed impossible, it was as if he had snatched the fire of the gods. Yet even as he transformed

the field, Samaras kept on pushing. As his ambitions grew, so did the risks. And when he finally met his match—in a faceoff against the largest tornado ever recorded—it upended everything he thought he knew. Brantley Hargrove delivers a "cinematically thrilling and scientifically wonky" (Outside) tale, chronicling the life of Tim Samaras in all its triumph and tragedy. Hargrove takes readers

inside the thrill of the chase, the captivating science of tornadoes, and the remarkable character of a man who walked the line between life and death in pursuit of knowledge. The Man Who Caught the Storm is an “adrenaline rush of a tornado chase...Readers from all across the spectrum will enjoy this” (Library Journal, starred review) unforgettable exploration of

obsession and the extremes of the natural world.
Calming the Storm
WestBow Press
“An intense, immersive deep dive into a wild, dangerous, and unknown world, written with the pace and appeal of a great thriller. This is nonfiction at its very best.”—Lee Child
The true story of two doomed ships and a daring search-and-rescue operation that shines a light on the elite Coast Guard

swimmers trained for the most dangerous ocean missions In late September 2015, Hurricane Joaquin swept past the Bahamas and swallowed a pair of cargo vessels in its destructive path: El Faro, a 790-foot American behemoth with a crew of thirty-three, and the Minouche, a 230-foot freighter with a dozen sailors aboard. From the parallel stories of these ships

and their final journeys, Tristram Korten weaves a remarkable tale of two veteran sea captains from very different worlds, the harrowing ordeals of their desperate crews, and the Coast Guard's extraordinary battle against a storm that defied prediction. When the Coast Guard received word from Captain Renelo Gelera that the *Minouche* was taking on water on the night of October 1, the

servicemen on duty helicoptered through Joaquin to the sinking ship. Rescue swimmer Ben Cournia dropped into the sea—in the middle of a raging tropical cyclone, in the dark—and churned through the monstrous swells, loading survivors into a rescue basket dangling from the helicopter as its pilot struggled against the tempest. With pulsating narrative skill in the tradition

of Sebastian Junger and Jon Krakauer, Korten recounts the heroic efforts by Cournia and his fellow guardsmen to haul the *Minouche's* crew to safety. Tragically, things would not go as well for Captain Michael Davidson and *El Faro*. Despite exhaustive searching by her would-be rescuers, the loss of the vessel became the largest U.S. maritime disaster in decades. As Korten

narrates the ships' fates, with insights drawn from insider access to crew members, Coast Guard teams, and their families, he delivers a moving and propulsive story of men in peril, the international brotherhood of mariners, and the breathtaking power of nature. Praise for *Into the Storm* "The story [Tristram] Korten tells is impressively multifaceted, exploring everything from timely

issues such as climate change to timeless themes such as man's struggle against the ocean's fury."—Miami New Times "Into the Storm is a triumph of reporting and you-are-there writing that becomes a deeper tale—with more implications about our own lives—with every chapter."—Robert Kurson, New York Times bestselling author of *Shadow*

In the epic conclusion of this dystopian trilogy, nail-baiting action and romance abound as a half-human teen faces terrifying monsters from the deep. After seven months as a captive of Minerva, the insane Alpha queen, Lyric Walker has escaped to the surface. Her only goal is to warn the world about the Great Abyss. When she finally

arrives back in Coney Island, she discovers a world she never expected, one where humans and Alpha are finally working hand in hand to rebuild the country. But she soon discovers that an old enemy allied with an old friend may kill them all before the monsters get their turn. There's no telling where Lyric's loyalties, and her heart, will lead her... "A series ender packed with action, scary enemies, and satisfying

character arcs."—Kirkus Reviews
Heart of the Storm HMH Books For Young Readers
 Dana Thunder Eagle is a beautiful woman with a fierce heart and powerful gift. But after the murder of her husband and mother, she ran away from the Rosebud reservation, hoping to leave the past behind her forever. Now, two years later, the killer is still on the loose. And only Dana has the mystical

power to stop him.
[A Sky Beyond the Storm](#)
 HarperChristian + ORM
 The second book in the critically acclaimed Obsidian and Blood trilogy: The year is Two House, and the Emperor of the Mexica has just died. The protections he afforded the Empire are crumbling, and the way lies wide open to the flesh-eating star-demons--and to the return of their creator, a malevolent

goddess only held in check by the War God's power. The council should convene to choose a new Emperor, but they are too busy plotting against each other. And then someone starts summoning star-demons within the palace, to kill councilmen... Acatl, High Priest of the Dead, must find the culprit before everything is torn apart.
REVIEWS:
'Political intrigue and rivalry among a complex

pantheon of divinities drive this well-paced murder mystery set at the height of the Aztec Empire in the late 15th century. De Bodard reintroduces the series hero Acatl, high priest of the dead, immediately following the death of the Tenochtitlan leader. One of the council members in charge of choosing a successor has been brutally murdered in what looks like an attempt to influence the decision. But

the deaths continue and the political situation grows more complex, while the empire looks to be increasingly at risk of invasion by malignant powers. Acatl must go face-to-face with the most powerful god in his world and put the good of the empire above his antipathy for is rivals to achieve the uneasy succession. De Bodard incorporates historical fact with great ease and

manages the rare feat of explaining complex culture and political system without lecturing or boring the reader.’
 —Publishers Weekly
 ‘Another thing that intrigues me here is the whole fact that historically we know that the real empire died out mysteriously and completely and as such there is always that thought in the back of my mind that the author could

choose to bring about the end of days. That highlighted sense of possible doom is something that is missing from too many novels. The way the story is told in this book is very impressive, the plot is both mature and seductive, twisting and turning like a weather vane in a force 9 gale while the action is both bloodthirsty and imaginative. The world building is fantastic and we get to learn even

more of this rich culture and the many gods and creatures of the dark. I really can’t fault this book at all and recommend it to one and all but if you haven’t yet read *Servant of the Underworld* I suggest that you get them both and read them in order, you won’t be disappointed.’
 —SF Book Reviews
 ‘Bodard’s writing is polished and striking, as she convincingly fills in the colorful

elements of the Aztec culture—even if those colors tend to be of blood and bile as well as flowers and hummingbirds ... beautiful, grimy, breathtaking, and morbid.
5*'

—Examiner
'Aliette de Bodard has done it again. Harbinger of the Storm is an action packed Aztec mystery opera with magic, interventions from the gods and more twists and turns than the first book. It even has a love story with

amusing snippets here and there... The story is self contained and can be enjoyed standalone, but you will not want to miss out on the first. I wish it was 2012 already even if the world is going under while I read the final Obsidian & Blood.'

—Cybermage
To the Heart of the Storm
Wiley
Change is coming to the far-future Tuscan wasteland, and it will leave no one untouched.

Things are finally stable in the small community of rebels who have reclaimed the ruins of Siena. And more people are leaving the safety of Florence to cross the barren landscape and try their luck in the new settlement. When a new Covey of wanderers arrive, Teo offers them respite and starts to dream of new horizons. Renn finds himself eager to rejoin the wanderer life and is

faced with a difficult decision. In his own home, Luca begins to tire of his comfortable, post-apocalyptic routine of technological tinkering. Meanwhile in Florence, the political climate is shifting, leaving a family of four in the outer city slums, and the powerful Mayor's own son questioning their safety. Heart of the Storm is the final installment of Marie Howalt's

Moonless trilogy. Picking up the threads from the previous two books, it weaves the personal tales of the post-apocalypse into a thrilling conclusion as Renn, Luca, Teo and the other Sienans tackle their biggest challenges yet. "I read through the whole book in one sitting. Yes, you read that right. It took me a single 8-hour sit-down to finish the whole book. Every page absorbed me in. Simply a

magnificent testament to Howalt's talent. "There are no worlds to save or big armies to slay in Marie Howalt's Moonless Trilogy. Just a small candle of hope at the end of the world held on with decency and heart, by characters of dreams and life, written from Siena, with love." - Aden Ng, author of The Chronicles of Tearha, adenng.com "A thought-provoking adventure through a post-

apocalyptic world unlike any other. While the stellar worldbuilding takes center stage in this one, the primary adventure story is smooth and the characters' personal storylines also keep us curious and cued in. In the wake of 2020, Heart of the Storm hits home and feels oddly timely in discussing life post-apocalypse. We may not have taken it this far last

year, but the smart writing of this novel offers astute glimpses into the realities of the after-effects of life-changing events. The prose is witty, thoughtful, and captivating. You're going to want to see this far-future Tuscan wasteland." - Robyn-Lee Samuels, Independent Book Review "Poignant, evocative, and thoroughly gripping... Howalt offers a brilliant mix of exhilarating hope and grim reality...

Highly entertaining with surprising emotional depths, this series conclusion is just as much fun as the earlier two books. SF aficionados won't want to miss this one." - The Prairies Book Review *Eye of the Storm* Bloomsbury Publishing USA Acclaimed historian Rick Perlstein chronicles the rise of the conservative movement in the liberal 1960s. At the heart of the story is Barry

Goldwater, the renegade Republican from Arizona who loathed federal government, despised liberals, and mocked "peaceful coexistence" with the USSR. Perlstein's narrative shines a light on a whole world of conservatives and their antagonists, including William F. Buckley, Nelson Rockefeller, and Bill Moyers. Vividly written, *Before the Storm* is an

essential book about the 1960s. **What the Lady's Maid Knew** Tor Books Hurricane Katrina inflicted damage on a scale unprecedented in American history, nearly destroying a major city and killing thousands of its citizens. With far too little help from indifferent, incompetent government agencies, the poor bore the brunt of the disaster. The residents of traditionally impoverished

and minority communities suffered incalculable losses and endured unimaginable conditions. And the few facilities that did exist to help victims quickly became miserable, dangerous places. Now, the victims of Hurricane Katrina find themselves spread across the United States, far from the homes they left and faced with the prospect of starting anew. Families are struggling to

secure jobs, homes, schools, and a sense of place in unfamiliar surroundings. Meanwhile, the rebuilding of their former home remains frustrating out of their hands. This bracing read brings readers to the heart of the disaster and its aftermath as those who survived it speak with candor and eloquence of their lives then and now. *Voices from the Storm* Bold Type Books Fight or Flight. No time for thinking it

through. Flight was always her answer. Storm isn't human, none of the Rogues are. They're Synthetic and hidden in the very heart of London, making it their job to help other Synths in trouble with ARCDa and Hasekura, with the assistance of the group of renegade humans known as the Rioteers. However, when Storm makes one inadvertent mistake on what seems to be a fairly

routine mission to track down a group of missing Synths and discover what has happened to them, little does she realise that she has inadvertently sparked a chain reaction that will have dire consequences for not just her family of Rogues, but for all Synths across the world.-----

Prepare for the jaw-dropping finale of Sabaa Tahir's beloved New York Times bestselling *An Ember in the Ashes* fantasy series, and discover: Who will survive the storm? Picking up just a few months after *A Reaper at the Gates* left off... The long-imprisoned jinn are on the attack, wreaking bloody havoc in villages and cities alike. But for the *Nightbringer*, vengeance on his human foes is just the

beginning. By his side, Commandant Keris Veturia declares herself Empress, and calls for the heads of any and all who defy her rule. At the top of the list? The Blood Shrike and her remaining family. Laia of Serra, now allied with the Blood Shrike, struggles to recover from the loss of the two people most important to her. Determined to stop the approaching apocalypse, she throws

herself into the destruction of the *Nightbringer*. In the process, she awakens an ancient power that could lead her to victory—or to an unimaginable doom. And deep in the *Waiting Place*, the *Soul Catcher* seeks only to forget the life—and love—he left behind. Yet doing so means ignoring the trail of murder left by the *Nightbringer* and his jinn. To uphold his oath and protect the

human world from the supernatural, the Soul Catcher must look beyond the borders of his own land. He must take on a mission that could save—or destroy—all that he knows. **Stormbite W.** W. Norton & Company The thrilling sequel to H2O DEADLY TO THE LAST DROP . Ninety-seven percent of the population is dead. And the killer rain keeps falling. Ruby's not sure she can make it on her own much

longer. So when a chance encounter leads her to a camp with the last boy she may ever kiss (it's not easy to date during an apocalypse), Ruby gratefully accepts the army's protection. But safety comes with a price: If Ruby wants to stay, she must keep her eyes-and her mouth-shut. Except Ruby stumbles across a secret she can't possibly keep. Horrified, she flips out and

fights back-only to make the most shocking discovery of all... Praise for H2O: "Creepy and realistic. H2O left me thirsting for more." - Kristen Simmons, author of Article 5 and Breaking Point "Ruby's candid, addicting narration brought this terrifying and wholly plausible story to life. This is a book you'll devour all at once-from the safety of your umbrella!" - Jessica Khoury,

chaos and crisis. We can feel a storm brewing, we are in the middle of a storm, or we are facing the aftermath of a storm. But don't be afraid because it is possible to grow through turbulent times. Storms show you what's really going on inside, reveal what you really believe, and actually make you stronger. In this powerful book Sheila will help you: Redefine your failures as a new beginning instead of an

end. Replace the words always and never in your life with positive declarations of hope. Know with confidence how to help a friend in chaos or crisis. *Having Joy in the Midst of the Storm* HarperCollins UK The exotic island of Madeira is the perfect escape for an Englishwoman fleeing an arranged marriage—until she's taken captive by a vengeful pirate One of the wealthiest

heiresses in England, Eliza Thoroughgood is the ideal catch for the right man. But the husband her parents have chosen for her is a paragon of masculinity and urbane wit, while Eliza is shy and bookish and detests the public eye. So she comes up with the perfect escape from the perfect bridegroom: She will accompany her young cousin, Aubrey, to the sultry island of Madeira, where he can

recuperate from a riding injury. Eliza has never been to sea, and she's in for the adventure of her life when she and Aubrey are taken hostage by a vengeful buccaneer. Cyprian Dare has waited his whole life to destroy the nobleman who abandoned his mother and made him a bastard. He doesn't believe in fate or luck—until the Lady Haberton sails out of port, setting in motion his abduction of

his half-brother Lord Haberton's heir. But he hadn't planned on the boy's beautiful, fiercely protective cousin. Desire is the wild card as Eliza awakens emotions Cyprian has never allowed himself to feel before. Can a woman's loving touch heal the heart of a man who lives only for revenge? *Before the Storm* Baker Books Advance praise for Heart of the Storm "Col. Ed

On the last day of her mother's life, Rebecca learns she has a family in Cornwall, and sets out to find the grandfather and cousin she has never known. But only the enigmatic Joss Gardner, the outsider who seems to be the apple of her grandfather's eye, can help her understand the dark currents that lie behind her family's loving

reception, in The Day of the Storm. When you read a novel by Rosamunde Pilcher you enter a special world where emotions sing from the heart. A world that lovingly captures the ties that bind us to one another—the joys and sorrows, heartbreaks and misunderstandings, and glad, perfect moments when we are in true harmony. A world filled with evocative, engrossing,

and above all, enjoyable portraits of people's lives and loves, tenderly laid open for us...

Heart Of The Storm Harper Collins

THE THRILLING RE-TELLING OF ARTHURIAN LEGEND FROM MASTER OF SCIENCE FICTION AND FANTASY DAVID DRAKE CONTINUES! A young Champion must rescue a friend and battle an enemy at the heart of a chaotic world. The universe has shattered into chaos and

monsters. Jon, the Leader, is dedicating his life to reuniting the scattered hamlets into a Commonwealth where all humans can live protected against the darkness and the things that live in that darkness. But no man can reshape the universe by himself. Jon has Makers to build weapons and clerks to handle the business of government--but he also needs Champions to face the powers of chaos which

will not listen to any argument but force. Lord Pal of Beune is one of those Champions. He has fought monsters and evil on behalf of Mankind, and he will fight them again. But now Guntram, the man who transformed Pal from an ignorant rube into a bulwark of the Commonwealth, has disappeared. Pal must locate his friend and mentor--and then he must battle an entity which may be at the

core of the splintered universe! Pal of Beune: A humane man in a universe full of inhumanity. Pal of Beune: A strong man in a universe where some recognize only strength. Pal of Beune: A hero who will keep going until something stops him--and who hasn't been stopped yet! At the publisher's request, this title is sold without DRM (Digital Rights Management). Praise for The Storm: "I

finished The Storm last night. I loved it. It was such a sweet read. Pal is one of [Drake's] best people, humane and strong and generous, and his voice carries the whole book."—Cecelia Holland
 "Counterbalancing the setting's strangeness, Pal himself is thoroughly levelheaded and decent, the kind of hero readers will enjoy rooting for. This is an enjoyable exploration of a pleasantly

peculiar world."—Publishers Weekly
 "...a wonderful cast of characters in a fabulous world of courtiers, peasants, Beasts, and mysterious Envoys. Drake has imbued Arthurian legend with a convincing sf spin."—Booklist About prequel The Spark: ". . . entertaining tale combining the feel of Arthurian legend with nifty far-future super science . . ."—Publishers Weekly
 "Drake retells

Arthurian legend to perfect effect... efficient world building and likable characters."—Booklist About David Drake: "Drake deftly weaves a web of political machinations and intrigue that vividly depicts the costs of war. Fans of Patrick O'Brian's Maturin and Aubrey novels will enjoy this intricate, rousing space opera."

"In the end,"
writes Tori
McClure, "I
know I rowed
across the
Atlantic to find
my heart, but
in the
beginning, I
wasn't aware
that it was
missing."

During June
1998, Tori
McClure set
out to row
across the
Atlantic Ocean
by herself in a
twenty-three-
foot plywood

boat with no
motor or sail.
Within days
she lost all
communicatio
n with shore,
but
nevertheless
she decided to
keep going.
Not only did
she lose the
sound of a
friendly voice,
she lost
updates on
the location of
the Gulf
Stream and on
the weather.
Unfortunately
for Tori, 1998
is still on
record as the
worst
hurricane
season in the
North Atlantic.
In deep
solitude and
perilous
conditions,

she was
nonetheless
determined to
prove what
one person
with a mission
can do. When
she was finally
brought to her
knees by a
series of
violent storms
that nearly
killed her, she
had to signal
for help and
go home in
what felt like
complete
disgrace. Back
in Kentucky,
however,
Tori's life
began to
change in
unexpected
ways. She fell
in love. At the
age of thirty-
five, she
embarked on
a serious

relationship for the first time, making her feel even more vulnerable than sitting alone in a tiny boat in the middle of the Atlantic. She went to work for Muhammad Ali, who told her that she did not want to be known as the woman

who "almost" rowed across the Atlantic Ocean. And she knew that he was right. In this thrilling story of high adventure and romantic quest, Tori McClure discovers through her favorite way—the hard way—that the most

important thing in life is not to prove you are superhuman but to fully embrace your own humanity. With a wry sense of humor and a strong voice, she gives us a true memoir of an explorer who maps her world with rare emotional honesty.
