"Great book for the little ones who want might want to be explorers of the universe one day!" - Homewood Public Library Astronauts do what nearly no one else does - They go into space. They do that in a space shuttle, which is sort of like a rocket plane. They buckle up and get ready. The engines start. 3 - 2 - 1 -

GO! Soon the shuttle is high above the clouds. Wow! First the astronauts fly through the earth's atmosphere and then they arrive in space. Now the astronauts can get to work in the space station. An instructive, engaging book for children about astronauts, the space shuttle and space travel. For ages 4 and up. What do you want to be when you grow up? Liesbet Slegers's successful book series helps young children search for the answer to that important question. Do you like food and cooking? You might want to be a chef. If you are afraid of heights, becoming a pilot probably isn't the right career choice. Or maybe you like school so much that you decide to become a teacher? There are so many wonderful careers to choose from! With clear language and cheerful

drawings, this series presents many of the most popular professions. Each book is packed with fun facts, new words, and interesting stories of real professionals. Do you know why an astronaut wears such a funny suit? How about why it is so difficult to be a ballerina or a racecar driver? Or why it's important to visit the dentist twice a year? Read these books to learn the answers to these questions! So . . . what do you want to be when you grow up?

Ante la exigencia emanada por el Ministerio del Poder Popular para la Educacion en Venezuela, en el 2011, se aprobo el escalafon de ascenso de los profesores de educacion media y diversificada, en su ultima categoria como un docente investigador; por lo que es necesario rescatar la verdadera funcion que debe cumplir el educador, especificamente, en su rol de asesor, facilitador e investigador, lo cual es un valioso aporte para el proceso de ensenanza y aprendizaje; por cuanto sus

beneficios van dirigidos no solo a ellos mismo, sino tambien a los alumnos. Es por esto, que en este libro se estudia y se aplican algunas estrategias de ensenanza sustentadas en las teorias del aprendizaje que ayudan a los estudiantes a la adquisicion de nuevos conocimientos; y al docente le brinda asesoramiento y herramientas para realizar investigaciones educativas; ademas de contribuir a la formacion integral de sus educandos; en consecuencia, lograr mejoras en la calidad de la educacion."

My Gran The Gorilla Profession

Boats of all shapes and sizes travel on the river, through the seasons, toward the sea. Who will you meet on the river? This vibrant picture book from Brazil depicts the joy of the journey, showing in simple yet detailed illustrations the people you might meet along the way, the sights you might see and the food you might eat. Readers will delight in

identifying recurring details when rereading. Reminiscent of the highly acclaimed *Jimmy the Greatest!*, which received six starred reviews, *Along the River* is a celebration of community bonds and shared experiences. With strong social studies curriculum connections, *Along the River* introduces young children to an alternate form of transportation, as well as to some of the customs and culture of Brazil. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.K.6 With prompting and support, name the author and illustrator of a story and define the role of each in telling the story.
