ZION ROCCO

Comprehensive Curriculum of Basic Skills, Grade 2 Teacher Created Resources

Designed for total learning success by experts in elementary education, *Everyday Success Second Grade* features a variety of essential basic learning skills in a single volume. Specifically for children in grade 2, this workbook reinforces concepts and promotes learning in three key areas: Basic Skills (contractions, suffixes, prefixes, deduction, creative writing, following directions, and more) Math (counting, addition, subtraction, multiplication, fractions, measurement, and more) Reading (blends, digraphs, silent letters, vowels, context clues, story elements, sentence parts, and more). --Take learning one step further! To support independent thinking and discovery, *Everyday Success* offers a continuation of each learning activity with a suggestion for children to continue each worksheet with a learning activity on their own. This encourages children to take what they've learned and apply it to everyday situations, reinforcing their comprehension of the activity while exploring the world around them. --The *Everyday Success* series includes 288 full-color pages that will provide hours of education entertainment and make your child want to come back for more! Each workbook is spiral bound so that pages lay flat, and each book includes a complete answer key.

Math Test Prep Third Grade Carson-Dellosa Publishing

The purpose of this book is to give parents the tools they need to help solidify academic skills by strengthening the basic skills taught in the previous school year. Giving short daily lessons to help reinforce basic skills throughout the summer months will help ensure a smooth transition into the coming school year while

still allowing plenty of free time for summer fun. Each daily lesson is to be completed in less than an hour and will establish a good foundation for the coming school year. Minimal prep work is needed by the parent.

Everyday Success^a Second Grade Carson-Dellosa Publishing
Focuses on the basic skills children need to excel in the classroom.

Second Grade Essentials Carson-Dellosa Publishing
Maths games keep children engaged while providing the enormous amounts of practice they need to learn new concepts and maths facts. Designed for use in the classroom and at home, this book includes access to downloadable More4U materials such as ten-frame cards, game boards, and recording sheets.

Mastering Second Grade Skills Carson-Dellosa Publishing
"Mastering basic skills helps reinforce the basic skills taught in first grade with educationally sound and developmentally appropriate activities. First graders still need help and support in order to ensure their success and to encourage a lifelong love of learning."--Page 4 of cover.

Second Grade Carson-Dellosa Publishing

This series takes a fresh approach to the mastery of grade-specific skills. Each book uses a wide range of activities to spark students interest in learning. As students complete the activities, they develop the skills they need to meet academic standards in reading, writing, math, social studies, and science. Because the ability levels of students in any one grade level vary, each book spans a broad range of skills. Both teachers and parents can use the books to introduce new concepts, to assess learning and skill development, and to reinforce familiar knowledge. The versatile activities can be used for individual practice, test preparation, or

homework assignments. Complete answer keys are provided.
