All The Six Volumes Together Include Approximately 7500 Entries On Various Topics, Literary Trends And Movements, Eminent Authors And Significant Works. The First Three Volumes Were Edited By Prof. Amaresh Datta, Fourth And Fifth Volume By Mohan Lal And Sixth Volume By Shri K.C.Dutt. *The Hidden Stories of Mahabharata* Sahitya Akademi This book, Messages from Mahabharat, presents the epic story of Mahabharat in simple English. After editing the Scriptures, the great sage created this wonderful epic to convey the underlying essence of Vedas using the story medium. Mahabharat is thus known as the 'Panchama Vedam', the fifth Veda. Addressing a group of scholar sages led by Kulapati Shounaka Maharshi, Ugrasravas, a talented storyteller, narrates the story of Mahabharat in the setting of a forest known as Naimisharanyam. The sages were conducting a long Yagnam. During one of the breaks of this Yagnam, they wanted to hear a new, unheard, enlightening and entertaining story. The epic unfolds a series of legendary events, culminating in the famed Kurukshetra War, and beyond. Running close to Vyasa's original story, the book presents the entire epic story with all relevant features including many sub-stories and details of the eighteen-day war. Starting from the early origins of the Chandra Dynasty, the story revolves around the lives of the children of Kings Dhritarastra and Pandu. The detailed conduct of these main players and others portrays a wide spectrum of human behavioral traits.

Southern Glory is about the thirty-four odd films belonging to the list of hundred and one films listed by CNN-IBN during the year 2013. These films were voted as the best during the centenary celebrations of Indian Film. Southern Glory reviews all these thirty-four films with an in-depth analysis of the brilliance with which they made their mark, the place and environment of the subject chosen for the film, the genre and technique of the director and the film style that appealed to the viewers of the time. The book brings out the nuances of the art forms that gradually translated into the motion picture version just as filmmaking began to take roots in the pre-independence era of India, a nation which has a rich and variegated canvas of music and dance, literature, poetry, theatre and several folk arts that greatly inspired filmmaking. The book seeks to connect the common reader to the cultural milieu, which threw up a given subject and the comparative film studies in the similar climes of

treatment with an effort to allow appreciation of the subject.

This book is a study of India's great epic, the Mahābhārata, against the background of Indo-European myth, epic, and ritual. It builds upon the pioneering studies in these areas by Georges Dumézil and Stig Wikander to work toward the goal of understanding how this epic's Indo-European heritage is interpreted and reshaped within the setting of bhakti or devotional Hinduism. The book begins with a comparative typology of traditional classical epics, arguing that epic is a distinctive mythical genre, and that the Mahābhārata in particular should be studied as part of an Indo-European epic and (and not just mythical) continuum. The reshaping of Indo-European themes is then examined in relation to the Mahābhārata's central mystery: the figure of Krishna, hero and ally of the Panbrothers in their struggles against their cousins, the Kauravas, and incarnation of Vis. The study argues that Krishna figures in the epic at the center of a coherent theological ensemble that builds upon continuities in Indo-European, Vedic, and particularly Brahmanic sacrificial idioms. Ultimately, Krishna guides the forces of dharma or righteousness through a great "sacrifice of battle" whose eschatological background recalls Indo-European and Vedic themes, while projecting them into the Hindu bhakti cosmology of universal dissolutions, recreations, and divine grace. The study vigorously opposes attempts to "explain" Krishna by arbitrary theories of the Mahābhārata's growth through interpolations.

Journal of the Andhra Historical Research Society Notion Press Krishna stood alone after everybody left the burning pyre. He smiled, the all-knowing smile, at the retreating figures of Gandhari and Kunti. He had been cursed! He cannot and will not be a God of salvation in Kali Yuga. He has been made the Lord of Adharma, only to create wealth and power. Now, He could be redeemed only if the hidden secrets of Mahabharata were revealed to the world. The secrets, locked in for four millenniums, are out! To save Sri Krishna and therefore, the world!

This second volume of "Sathyam Sivam Sundaram" narrates the life history of Bhagawan Sri Sathya Sai Baba, covering the period 1962 to 1968, when He was at the age of 36 to 42 years, in Prof. N. Kasturi's inimitable, poetic style. Prof. N. Kasturi is the chosen biographer of Bhagawan, who lived with Swami and experienced the Divine Leelas, during these years and it is most appropriate to

get this first-hand information from his writings for our benefit.

Bhagawan's historic letter dated 25.05.1947, in His own handwriting declaring His task, vow, and mission is included in this volume. Many incidents and miracles that happened during this period with Bhagawan's grace are brought out in this volume most interestingly, along with many, appropriate photographs, which will form a garland for the living and loving Divinity, Bhagawan Sri Sathya Sai Baba. Prof. Kasturi gives a clarion call to all: "Come! Give me your hand. We shall go along, page after page, sharing the wonder and the wisdom, the awe and the mystery, the truth and the testimony, the glory and the grandeur, and the abundance of the peace."

Centuries ago, it was proclaimed of the Mahabharata: "What is not in it, is nowhere." But even now, we can use the same words about it. He who knows it not, knows not the heights and depths of the soul; he misses the trials and tragedy and the beauty and grandeur of life. The Mahabharata is not a mere epic; it is a romance, telling the tale of heroic men and women, and of some who were divine; it is a whole literature in itself, containing a code of life, a philosophy of social and ethical relations, and speculative thought on human problems that is hard to rival; but, above all, it has for its core the Gita, which is, as the world is beginning to find out, the noblest of scriptures and the grandest of sagas in which the climax is reached in the wondrous apocalypse in the Eleventh Canto.

"Baba is Himself an open book, with no mystery or pomp or abstruseness about Him and everyone can approach Him and secure His grace," says Sri N. Kasturi, author of this series, Sathyam Shivam Sundaram. In this series, which is divided into four parts, the author brings out the life history of the Divine Avatar from His birth in 1926 to 1979. Sri Kasturi, who had the extreme fortune of being close to Baba, shares His Mahimas and Leelas with the readers. The first Part of this book was placed in the hands of the readers in 1961. The need for the revised and enlarged edition was felt by the publisher for more comfortable reading, especially by the elderly readers. As a result, these Volumes are brought out in larger format, with computerised typesetting, using larger typeface, better line spacing, and with a number of photographs. With these changes, it is hoped that all spiritual seekers will benefit and enjoy reading these series. Convener Sri Sathya Sai Books & Publications Trust Prasanthi Nilayam June, 2001
