Start modeling right away with this hands-on guide to learning Autodesk Maya 2016 Introducing Autodesk Maya 2016 is the official guide to the most popular and complex 3D application on the market. Building from the ground up, this book combines straightforward text with practical examples that make it easy to absorb the basics and start designing and animating your own digital models and scenes. The tutorials offer realistic challenges and clear explanations, laid out in fun, step-by-step lessons that help you gain confidence and learn by doing. You'll delve into CG and 3D core concepts and production workflows, then get right to work designing an animation of the solar system as you learn the interface and basic tools. As your modeling skills grow, you'll

build a steam locomotive, a starfish, a table lamp, and much more as you learn to rig your model for animation, create fabric motion with nCloth, and add the lighting and effects that bring your scenes to life. The companion website features downloadable project files that help you see how the pros do it, and the book includes real-world examples from talented users who were beginners just like you. Master the Maya 2016 interface, menus, and plug-ins Begin building simple animations right away Explore modeling, rendering, animation, and cloth motion Add lighting, rendering, dynamics, simulations, and effects If you want to work like the pros, Introducing Autodesk Maya 2016 is the perfect primer for getting started.

The DIY Couture collection is 10 stylish, easy to make pieces of clothing that can be endlessly reinvented in different fabrics, textures and colours. Anyone who enjoys sewing and creating something unique will love using this book to make their own couture wardrobe. The book begins with a Useful Techniques section, followed by Collections: inspirational photographs of the pieces styled different ways. Next, each of the 10 garments, from a Goddess dress to a cool romper suit and hoody, is clearly explained, including a spread showing all the variations (e.g. fastenings, necklines and hems) possible for each garment. Finally, clear step by step illustrations and photographs show you how each piece is made. With no complex sewing patterns, even beginners at sewing can make their own beautiful clothes. With simple, visual instructions and cool styling, DIY Couture will inspire people to join the handmade revolution. Where eco-fashion meets street style, this is the antithesis of fast-fashion.

Absolutely no patterns required!
