phenomenon
the Ice Planet
Barbarians
series, now in
a special print

edition with a bonus original novella! Tiffany doesn't care about all the attention she's getting from the alien men, but there is one particular hunter she can see herself with—if only she can find a way to move forward from the past. . . . It's hard being the most popular girl on the ice planet. The alien men are falling all over themselves to impress me in the hopes that I'll take them to my furs.

But they don't know my secrets. And they don't realize that behind my smile, I just wish they'd take their courting presents and their competitions for my affection and go away. I want to be left alone. But on a planet where women are a scarcity, that won't be happening. If I had to choose a mate . . . it'd be someone with a gorgeous blue body, big horns, and the most intense gaze ever.

Someone who knows the truth of what happened to me and why I don't like attention. Patient, handsome Salukh knows my secrets. He knows why I have nightmares and why I don't trust anyone. He's willing to let me “experiment” with him. I can use him. Take what I need from him to work through my trauma. He's been a good friend and the best shoulder to cry on. There's one

small
problem.
When it
comes to us,
he doesn't just
want to be my
friend. He
wants to be
my forever.
And day by
day, he's
getting harder
to resist. . . .

53: The Sky
Phantom**

Random House Books for Young Readers In the forests of Siberia, in the first years of the twentieth century, a white pony runs free with his herd. But his life chages forever when he's captured by men. Years of hard work and cruelty wear him out. When he is chosen to be one of 20 ponies to accompany the Englishman Robert Falcon Scott on his quest to become the first to reach

the South Pole, he doesn't know what to expect. But the men of Scott's expedition show him kindness, something he's never known before. They also give him a name—James Pigg. As Scott's team hunkers down in Antarctica, James Pigg finds himself caught up in one of the greatest races of all time. The Norwegian explorer Roald Amundsen has suddenly announced

that he too
means to be
first to the
Pole. But only

one team can
triumph, and
not everyone

can
survive—not
even the
animals.
