The Rise and Spectacular Fall of God's Holy Warriors Open Road + Grove/Atlantic

A bestselling historian recounts the epic clash that ended the Renaissance and pushed Islam to the gates of Vienna In *Warriors of God and Dogs of God*, James Reston, Jr., brought two epochal events in the struggle between Islam and Christendom to readers eager to understand the roots of the present-day conflict. With his unwavering eye for detail, Reston now weaves a captivating narrative that examines a pivotal period in that centuries- long war, which found Europe at its most vulnerable and Islam on the attack. This saga of colliding worlds is propelled by two astonishing young sovereigns-the Holy Roman Emperor Charles V and the Turkish sultan Suleyman the Magnificent-and is supported by a wide range of larger-than-life characters, who lend this meticulously researched history a novel's worth of suspense and brio.

978-1-61958-229-3 Random House

The medieval code of chivalry demanded that warrior elites demonstrate fierce courage in battle, display prowess with weaponry, and avenge any strike against their honor. They were also required to be devout Christians. How, then, could knights pledge fealty to the Prince of Peace, who enjoined the faithful to turn the other cheek rather than seek vengeance and who taught that the meek, rather than glorious fighters in tournaments, shall inherit the earth? By what logic and language was knighthood valorized? In *Holy Warriors*, Richard Kaeuper argues that while some clerics sanctified violence in defense of the Holy Church, others were sorely troubled by chivalric practices in everyday life. As elite laity, knights had theological ideas of their own. Soundly pious yet independent, knights proclaimed the validity of their bloody profession by selectively appropriating religious ideals. Their ideology emphasized meritorious suffering on campaign and in battle even as their violence enriched them and established their dominance. In a world of divinely ordained social orders, theirs was blessed, though many sensitive souls worried about the ultimate price of rapine and destruction. Kaeuper examines how these paradoxical chivalric ideals were spread in a vast corpus of literature from exempla and chansons de geste to romance. Through these works, both clerics and lay military elites claimed God's blessing for knighthood while avoiding the contradictions inherent in their fusion of chivalry with a religion that looked back to the Sermon on the Mount for its ethical foundation.

Richard the Lionheart and Saladin in the Third Crusade Anchor

A Princess and a Warrior? Yes! You can be a warrior in God’s army while also being a princess in God’s royal family. *Princess Warriors* is the second book in the *Glory to Glory Sisterhood* series. Discussed in organic detail: *Fear of the Lord and Spiritual Warfare*, which equip women to victoriously battle for their lives, family, destiny, church, community, and nation. *Princess Warriors* builds upon the first book, *God’s Sorority*, and trains you for spiritual warfare by starting with “The Fear of the Lord,” which teaches you how to master sin and walk in holiness. You will learn all the basics of spiritual warfare, including how to: Hear Holy Spirit during spiritual warfare. Use the Keys of the Kingdom. Take hold of your God-given destiny. Possess a warrior mentality. Live an assertive role in prayer, declaring, and prophesying. Join with other women as *Princess Warriors* from God. Look for the next two books in the series: *At His Feet*, deals with strongholds set up by satan to keep women in bondage; and *Destiny*, which empowers women to become big sisters in God’s Sorority—reproducers of the seed of Jesus Christ, bringing Heaven down to earth.

Warriors of God Tor Books

God Is a Warrior traces the development of the "divine warrior" motif through the Old and New Testaments, beginning with Israel's conflicts with her enemies and ending with Christ's victorious return in Revelation. Against the broader background of Ancient Near Eastern warrior mythology, Part I discusses Yahweh's warfare on behalf of ancient Israel, and prophecies of the coming Divine Deliverer. Part II looks at the New Testament's Divine Warrior, Jesus Christ, and his war against his spiritual enemies in the Synoptic Gospels, in Paul's letters, and in the final apocalyptic battle in the

book of Revelation.

A Novel of Robin Hood Vintage

An epic account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America’s special forces—from a Pulitzer Prize-winning reporter “Meticulously assembled and brilliantly written . . . [a] remarkable and engrossing book.”—The New York Times By official accounts, the Navy SEALs of Alpha platoon returned as heroes after their 2017 deployment to Mosul, following a vicious, bloody, and successful campaign to drive ISIS from the city. But within the platoon a different war raged. Even as Alpha’s chief, Eddie Gallagher, was being honored by the Navy for his leadership, several of his men were preparing to report him for war crimes, alleging that he’d stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. Many young SEALs regarded Gallagher as the ideal special operations commando. Trained as a sniper, a medic, and an explosives expert, he was considered a battle-tested leader. But in the heat of combat, some in his platoon saw a darker figure—a man who appeared to be coming unhinged after multiple deployments in America’s forever wars. Their excitement to work with a tough, experienced chief soon gave way to a grim suspicion that his thirst for blood seemed to know no bounds and a belief that his unpredictability was as dangerous as the enemy. In riveting detail, Pulitzer Prize-winning New York Times correspondent David Philipps reveals the story of a group of special operators caught in a moral crucible—should they uphold their oath and turn in their chief, or honor the SEALs’ unwritten code of silence? It is also a larger story of how the SEAL Teams drifted off course after 9/11, and of the “pirate” subculture that festered within their ranks—a secret brotherhood that, in a time of endless war with few clear victories, made the act of killing itself the paramount goal. The investigation and trial following Alpha’s deployment—and Gallagher’s ultimate acquittal on the most serious charges—would pit SEAL against SEAL, set the Navy brass on a collision course with President Donald Trump, and turn Gallagher into a political litmus test in a hotly polarized America. A page-turning tale of battle, honor, and betrayal, Alpha is a remarkable exposé of the fault lines fracturing a country that has been at war for a generation and counting.

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NATIONAL BESTSELLER • With this book, the acclaimed author created an entirely new form—an exhilarating blend of autobiography and mythology, of world and self, of hot rage and cool analysis. First published in 1976, it has become a classic in its innovative portrayal of multiple and intersecting identities—immigrant, female, Chinese, American. “A classic, for a reason” - Celeste Ng via Twitter As a girl, Kingston lives in two confounding worlds: the California to which her parents have immigrated and the China of her mother’s “talk stories.” The fierce and wily women warriors of her mother’s tales clash jarringly with the harsh reality of female oppression out of which they come. Kingston’s sense of self emerges in the mystifying gaps in these stories, which she learns to fill with stories of her own. A warrior of words, she forges fractured myths and memories into an incandescent whole, achieving a new understanding of her family’s past and her own present.

Crusaders, Saracens and the battle for Jerusalem Anchor

The basis for the cult-classic film *The Warriors* chronicles one New York City gang's nocturnal journey through the seedy, dangerous subways and city streets of the 1960s. Every gang in the city meets on a sweltering July 4 night in a Bronx park for a peace rally. The crowd of miscreants turns violent after a prominent gang leader is killed and chaos prevails over the attempt at order. *The Warriors* follows the Dominators making their way back to their home territory without being killed. The police are prowling the city in search of anyone involved in the mayhem. An exhilarating novel that examines New York City teenagers, left behind by society, who form identity and personal strength through their affiliation with their "family," *The Warriors* weaves together social commentary with ancient legends for a classic coming-of-age tale. This edition includes a new introduction by the author.

New from Eisner Award Hall of Fame inductee Richard Corben, the gold standard in horror comics for over 40 years!

The Woman Warrior Zondervan

For men, pain is very real. So is the power to transform it.In one of the opening meditations of this book, male spirituality expert Richard Rohr writes, “We need to fail, to fall, to jump into the central mystery of our own existence, or we’ll have no way of finding our true path.” Those words serve as the starting point for a potentially transformative experience, one in which men come to grips with the fact that some form of suffering or letting go is essential to achieving wholeness, holiness, and happiness. With nearly every man dealing with some form of hurt in his life, *On the Threshold of Transformation* acknowledges the pain and deals with it directly and redemptively. While much of our culture today would have us believe that failure and suffering are inherently bad, Fr. Rohr helps men see that pain—in whatever form it takes—is a primary doorway through which they can pass to reach their authentic, best selves, which is where they will truly encounter God. Ultimately, this book of 366 daily meditations helps men learn how to transform their pain so they don’t pass it on. With Fr. Rohr as their guide, the path to male spiritual transformation can be found and followed.

Crusader King of England HarperCollins

From an internationally renowned expert, here is an accessible and utterly fascinating one-volume history of the Crusades, thrillingly told through the experiences of its many players—knights and sultans, kings and poets, Christians and Muslims. Jonathan Phillips traces the origins, expansion, decline, and conclusion of the Crusades and comments on their contemporary echoes—from the mysteries of the Templars to the grim reality of al-Qaeda. *Holy Warriors* puts the past in a new perspective and brilliantly sheds light on the origins of today’s wars. Starting with Pope Urban II’s emotive, groundbreaking speech in November 1095, in which he called for the recovery of Jerusalem from Islam by the First Crusade, Phillips traces the centuries-long conflict between two of the world’s great faiths. Using songs, sermons, narratives, and letters of the period, he reveals how the success of the First Crusade inspired generations of kings to campaign for their own vainglory and set down a marker for the knights of Europe, men who increasingly blurred the boundaries between chivalry and crusading. In the Muslim world, early attempts to call a jihad fell upon deaf ears until the charisma of the Sultan Saladin brought the struggle to a climax. Yet the story that emerges has other dimensions—as never before, Phillips incorporates the holy wars within the story of medieval Christendom and Islam and shines new light on many truces, alliances, and diplomatic efforts that have been forgotten over the centuries. *Holy Warriors* also discusses how the term “crusade” survived into the modern era and how its redefinition through romantic literature and the drive for colonial empires during the nineteenth century gave it an energy and a resonance that persisted down to the alliance between Franco and the Church during the Spanish Civil War and right up to George W. Bush’s pious “war on terror.” Elegantly written, compulsively readable, and full of stunning new portraits of unforgettable real-life figures—from Richard the Lionhearted to Melisende, the formidable crusader queen of Jerusalem—*Holy Warriors* is a must-read for anyone interested in medieval Europe, as well as for those seeking to understand the history of religious conflict.

The King's Witch Anchor

A best-selling author, pastor, futurist, and cultural thought leader argues that to experience and establish inner peace, we must first confront the battles that rage within. Your longings for inner peace and deep purpose are attainable, but they won't come easy. They require a warrior's mentality. Fighting for them requires passion, perseverance, and precision. This is an invitation to an unflinchingly honest look at your interior life guided by the ancient principles and methods revealed through Scripture. Erwin Raphael McManus delivers wisdom, instills passion, and provides

the sacred movements needed to become the warrior you were meant to be. We live in a time of global and personal chaos. The world is at war because our souls are at war. The path to peace begins with you overcoming your most frequent and fierce enemy: yourself.

Engaging Spiritual Warfare Forge Books

After the events of *Outlaw, Robin of Locksley*—and his sidekick and narrator, Alan Dale—finds himself in a very different England and a very changed world. In 1190 A.D. Richard the Lionheart, the new King of England, has launched his epic crusade to seize Jerusalem from the Saracens. Marching with the vast royal army is Britain's most famous, most feared, most ferocious warrior: the Outlaw of Nottingham, the Earl of Locksley—Robin Hood himself. With his band of loyal men at his side, Robin cuts a bloody swath on the brutal journey east. Daring and dangerous, he can outwit and outlast any foe—but the battlefields of the Holy Land are the ultimate proving ground. And within Robin's camp lurks a traitor—a hidden enemy determined to assassinate England's most dangerous rogue. Richly imagined and furiously paced, featuring a cast of unforgettable characters, *Holy Warrior* is adventure, history and legend at its finest.

A Life Simon and Schuster

This acclaimed 1992 thriller amazingly anticipated the terrorist scourge of the next decade. Now brought up to date by the author and available again as Iran defies the world by pursuing nuclear weapons, it's plot may just be the stuff of tomorrow's headlines. The long-simmering conflict between the United States and the Islamic Republic of Iran finally turns hot with an act of terrorism against a U.S. navy ship in the Persian Gulf. American military retaliation shuts down Iranian oil production, and it is war. But not the war we've known in the past. Not the war of armies, ships, and planes. No, the war we've come to know today. The war of the weak against the strong. War in the shadows. With battles aimed not at the destroying the enemy's armies, but bent on making headlines. A handpicked team of elite Iranian commandos are silently making their way to the United States. To Washington D.C. Their target is the President of the United States. In the White House. The US president is in the crosshairs in "this pulsing techno-thriller . . . a genuine page-turner" from the acclaimed author of *A Single Spy* (Publishers Weekly). Major Ali Khurbasi of the Iranian Army leads the assault team. Tough, experienced, American-educated and ready to die for a mission whose wisdom he secretly doubts. Former Marine officer Richard Welsh is the Pentagon liaison to the FBI investigation that begins once it is clear that some violent force has landed on

our shores. It is a headlong race as the Iranians fight to reach their objective and the elite of America's law enforcement and military struggle to stop them. The White House was burned by the British Army in the War of 1812, an act that shook the new American nation to its core. Could such a thing happen again? Because if the most powerful man in the world is not safe in the most famous and heavily defended building in the nation, then who of us is?

Eddie Gallagher and the War for the Soul of the Navy SEALs Crown

From award-winning comedian, director, writer, and producer David Steinberg comes the totally original, utterly blasphemous, and hysterically funny memoir of a young man who emerged from a traditional Jewish childhood to become an international star -- all because, it seems, he kept God in stitches. David Steinberg was raised in Winnipeg, Canada, by parents who expected little from him. And no wonder. Instead of studying Talmud in order to become a rabbi, he chose to major in Martin and Lewis with a minor in basketball. As David imagines the story of his life (since his success otherwise makes no sense), God one day spotted him on the playground and decided that this young man with no ambition could go far with His help. Sure enough, God soon had David on network TV and Broadway, and selling out nightclubs across the country -- as well as being pursued by hot starlets. The Book of David is David Steinberg's hilarious trip down memory lane, assuming that the lane has a biblical address. This wild riff on the Old Testament is guaranteed laughter.

Welcoming Jesus in Disguise Random House Incorporated

WAY OF THE PEACEFUL WARRIOR has become one of the most beloved spiritual sagas of our time. Shared among friends and families, this million-copy word-of-mouth bestseller has inspired men and women of all ages in twenty languages worldwide. Despite his success, college student and world-champion athlete Dan Millman is haunted by a feeling that something is missing from his life. Awakened one night by dark dreams, he wanders into an all-night gas station, meets an old man named Socrates, and his world is changed forever. Guided by this eccentric old warrior, drawn to an elusive young woman named Joy, Dan begins a spiritual odyssey into realms of light and shadow, romance and mystery, toward a final confrontation that will deliver or destroy him. This classic tale, told with heart and humor, speaks to the peaceful warrior in each of us. Countless readers have been moved to laughter and tears - even moments of illumination - as they rediscover life's larger meaning and purpose. Journey with Dan on the peaceful warrior's path to unreasonable happiness. Find out for yourself why this book changes lives.

Warriors of God HarperCollins

Illustrated biography of the English king known for waging crusades.

Enslow Pub Incorporated

"A tragic and heroic story that readers will love." -Lost in a Book Review "...I love you. God help me, but I do." The air lay heavy between them. Her eyes were glossy with moisture, his intense with emotion. "Tell me, if you can, you do not feel the same." He whispered so low it might have been silence, "And make me believe it." Sometimes love crosses boundaries, breaks chains, and demands freedom. The social-order of the eighteen-sixties compels John Richard Sagamore to put aside his negro-pet, Georgia Anne, an accomplished slave. In an attempt to quell his unnatural yearnings, John Richard sets into motion events that divide his family, steal his freedom and threaten his life.

Way of the Peaceful Warrior Beard Books

In her first novel since *The Quick and the Dead* (a finalist for the Pulitzer Prize), the legendary writer takes us into an uncertain landscape after an environmental apocalypse, a world in which only the man-made has value, but some still wish to salvage the authentic. "She practices ... camouflage, except that instead of adapting to its environment, Williams's imagination, by remaining true to itself, reveals new colorations in the ecology around her." —A.O. Scott, *The New York Times Book Review* Kristen is a teenager who, her mother believes, was marked by greatness as a baby when she died for a moment and then came back to life. After Kristen's failing boarding school for gifted teens closes its doors, and she finds that her mother has disappeared, she ranges across the dead landscape and washes up at a "resort" on the shores of a mysterious, putrid lake the elderly residents there call "Big Girl." In a rotting honeycomb of rooms, these old ones plot actions to punish corporations and people they consider culpable in the destruction of the final scraps of nature's beauty. What will Kristen and Jeffrey, the precocious ten-year-old boy she meets there, learn from this "gabby seditious lot, in the worst of health but with kamikaze hearts, an army of the aged and ill, determined to refresh, through crackpot violence, a plundered earth"? Rivetingly strange and beautiful, and delivered with Williams's searing, deadpan wit, *Harrow* is their intertwined tale of paradise lost and of their reasons—against all reasonableness—to try and recover something of it.

Rat God University of Pennsylvania Press

The author offers a look at depression, drawing on his own battle with the illness and interviews with fellow sufferers, researchers, and doctors to assess the disease's complexities, causes, symptoms, and available therapies.
