NCLEX-PN Flashcard Book + Online Pearson It Certification

Saunders Online Review Course for NCLEX-RN® Examination provides a comprehensive, independent study tool that students can use over an extended period of time to prepare for the Board exam. It also provides nursing faculty with a prepared review course they can administer and use to evaluate student performance and readiness. This review Course includes all of the aspects of a traditional, "live," review course, delivered in an online format. Saunders Online Review course includes content review of core areas of nursing and over 2,000 review questions to help students increase their level of confidence, assess their strengths and weaknesses, and focus their study for the NCLEX-RN exam. Nursing faculty can adopt an institutional version of the course through Faculty Support, which includes various instructor tools for the course and an instructor tutorial. Students can purchase either online or through the bookstore, in either 4-week, 8-week, or 16-week increments. Customized course-length calendars help guide students through the review, based on length of purchase and results of diagnostic pre-test. Includes over 2,000 questions total (with many alternate item formats), for LOTS of practice for the Board exam. A 75-question Diagnostic Pre-Test allows students to identify strengths and weaknesses before beginning the actual course, and generates a study plan tailored to their specific needs. 10 Content-Review Modules, organized by

the most recent NCLEX-RN test plan, include abbreviated content lessons in outline format, hot links to Pyramid Terms, and mini-quizzes and assessments that allow students to review key content and reinforce knowledge. 100-question End-of-Module Exams test and reinforce the student's knowledge of information just reviewed. A 265-question Comprehensive Post-Test included at the end of the course, tests knowledge of all content areas and provides detailed feedback in areas of content needs, integrated process, content areas, and level of cognitive ability to assess student performance and pinpoint areas that need additional review. A simulated computer-adaptive test (CAT) included as a final module, is designed to provide a "dry run" for the Board exam. Students will receive a pass/fail upon completion. Includes commonly asked questions about the board exam, test-taking strategies, information on navigating the course site, and a message from Linda Silvestri. Course also includes all features and functionality available with Mosby's online Evolve Course Management System, such as Announcements Page, Discussion Board, and Online Gradebook for faculty.

NCLEX-RN Exam Cram Lippincott Williams & Wilkins

Prepare for the NCLEX with this fun, full-color review! Illustrated Study Guide for the NCLEX-RN® Exam, 9th Edition uses colorful drawings and mnemonic cartoons to cover the nursing concepts and content found on the NCLEX-RN examination. A concise outline format makes studying easier, and the Evolve companion website includes 2,500 NCLEX exam-style review questions (including alternate item formats) - allowing you to create practice exams, identify your strengths and weaknesses, and review answers and rationales. Written by NCLEX expert JoAnn Zerwek, this study guide offers a clear, visual way to remember key facts for the NCLEX exam. UNIQUE! Mnemonic

cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, maternity, and older adult lifespan considerations in each body system chapter. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to customize your review based on your personal study needs. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help you to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. UPDATED content reflects the most recent NCLEX-RN test plan and incorporates important clinical updates. NEW! 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. NEW! Addition of SI Units and removal of trade-name drugs reflects changes in the NCLEX-RN test plan. NEW! Additional alternate item questions are included on Evolve, and new questions incorporating video are also added. NEW! Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. NEW! Additional memory notecard-type illustrations are included in the book to accommodate visual learners.
