The Mental Game of Poker 2 Harper Collins

This new, expanded, fully updated and revised, edition of 'Secrets of Professional Tournament Poker' is a landmark in poker publishing. Originally published in two volumes in 2011 and 2012 this was both a critical and commercial success. Over the last decade, the understanding of poker has changed dramatically and this new edition fully reflects current thinking on the game. This book will give readers a thorough understanding of everything they need to know about playing tournaments and Jonathan Little is undoubtedly the person best qualified to impart this information. The book is split into seven sections: 1) How Tournaments Work -This explains why tournaments are a highly profitable form of poker and examines the basic concepts that need to be mastered. 2) Playing Deep Stacked -This deals with situations where (most) players have stacks of 50 big blinds or more. All situations are dealt with including pre-flop and all three post-flop streets. There is further information on general topics at this stack depth. 3) Playing Mid Stacked -This deals with situations where the basic stack depth is between 27 and 50 big blinds. These situations are tricky because with the shorter stack, players are often going all-in. This means that very clear adjustments are required compared to the deeper stack strategies. 4) Playing Short Stacked -This section focuses on play below 27 big blinds. Now play is almost exclusively focused on the possibility of players going all-in. Knowing the correct ranges and plays here is vital to maximise your chances for tournament survival. 5) The Late Stages -As the prospect of serious prize money looms, huge adjustments need to be made. How to play on the bubble and concepts such as risk premium and the Independent Chip Model are fundamental to maximising your chance of landing a major prize and they are all thoroughly explained. 6) Hand Examples -This will test your understanding of everything you have learnt so far. 7) Other Considerations -You can improve your tournament results by also working on your general attitude and approach. This section encompasses all the non-technical aspects of playing, including learning, the mental approach, tells and practical tips. Jonathan Little has dedicated himself to educating players who are keen to improve their poker strategy, and in 2020, he was awarded the prestigious title of Global Poker Index "Poker Personality of the Year" - voted for by the poker-playing public. As well as being an immensely successful professional player with over \$7,000,000 in live tournament cashes, Jonathan runs the highly respected coaching site pokercoaching.com. By interacting regularly with his students, he has developed a clear understanding of how to explain important concepts in a language that can be easily understood by players of all skill levels. The result is Secrets of Professional Tournament Poker - the definitive guide to modern tournament play.

Mike Matusow: Check-Raising the Devil Cardoza

"Now, for the millions of poker players who know the basics, but do not fully understand the logic and principles of skillful play, here is a serious, comprehensive guide that shows how to think like a professional poker player"--Page 4 of cover.

The Quotable Poker Player - Funny Poker Quotes from Stud to Hold Em Cardoza

"The Kill Phil" strategy remains highly effective when used in confrontations with even the world's best players, but tournament play is evolving. This edition reflects the new trends in tournament poker by refining the use of the all-in move and providing adaptations that take into account the new style of hyper-aggressive play.

Mastering Mixed Games Two Plus Two Publishing LLC

A Comic Collection of 1500 Humorous Poker Quotations from Five Card Stud to No Limit Texas Hold'em, from the World Series of Poker (WSOP) to the European Poker Tour (EPT), from 'The Cincinnati Kid' to the Poker Brat, from Phil Ivey to Gus Hansen, from Victoria Coren to the Hendon Mob, from Online Poker to Home Games, from 'Aces & Eights' to 'Rounders'. The Quotable Poker Player includes the funniest poker-based sayings and quotations from professional players, poker celebrities, authors, humorists and journalists, as well as a selection from literary sources and film & TV characters. It especially celebrates the fun-side of poker encompassing a transatlantic theme across both American and European views of the game. A special chapter Poker Media covers humorous reviews and comments about Poker Books, Poker Movies, Poker TV Shows and Poker Songs. "The Quotable Poker Player is a thorough compilation of over 1500 poker quotes from pro players, celebrities, films, historical figures, etc. With over 1500 references, there's a lot of exhaustively researched material packed between the pages. Overall, this is a great flip-through book that makes for an interesting browse. What I was particularly impressed with was the eclectic nature of the quotations. The special treat was the movie quotes and lines that related to poker, as well as music lyrics, etc. There are some really, really funny quotes in here! And given the recent publication date, it's pretty up-to-date with 2009 and 2010 references." Book Review by ANDREW KICAK on SmokePoker.com

Phil Gordon's Little Gold Book D&B Publishing

Imagine the edge you would have if you could consistently play poker in the zone. In the zone you make all the right decisions, instinctively when to bluff, and are unfazed by a losing hand. You're locked in and feel unbeatable. It's shocking how many poker players stumble into this elusive state of mind. As quickly as that euphoric feeling of invincibility arrives, it's gone. And no matter how hard they try, they can't get back there. Until now. In *The Mental Game of Poker 2*, author and renowned poker mental game coach Jared Tendler breaks down the zone and delivers actionable steps to help players get there consistently. He demystifies the zone, and for the first time, brings logic and order to this previously misunderstood concept. This book provides proven strategies to:

- Play poker longer and across more online tables.
- Improve decision making.
- Learn faster.
- Eliminate C-game mistakes.
- Increase focus and discipline.

The Mental Game of Poker 2 expands on the psychological strategies and theories from Tendler's groundbreaking book, *The Mental Game of Poker*, which cracked the code on managing tilt and has helped thousands of players eliminate mental leaks from their games. Like the first book, *The Mental Game of Poker 2* is a must have resource for every poker player who is serious about improving.

The story of Doyle Brunson, an American treasure and the greatest poker player of all time, is one for the ages. It's a story of guts and glory, of good luck and bad, of triumph and unspeakable tragedy, of courage and grace. He has survived whippings, gun fights, stabbings, mobsters (the real-life ones portrayed in the movie *Casino*), murderers, and a death sentence when, riddled with incurable cancer, he was given months to live by doctors who told him his hand was played out. A master of the bluff, his most outrageous bluff came after being pistol-whipped and told he's going to die with a gunman pointing a pistol at his forehead. Again, he lived. Brunson has seen it all: from the athletic dreams and a leg shattered by a freak injury which waylaid his path to the NBA (he was drafted by the Lakers), to the devastating death of his first-born daughter, to outrageous exploits like trying to discover Noah Ark and raise the Titanic. Doyle's rollercoaster of a life defines the saying: Truth is stranger than fiction. Twice a winner of the prestigious World Series of Poker in Las Vegas, he's won millions and lost millions sometimes in seconds but decidedly more of the former than the latter. Brunson can still be found playing in the highest stakes poker games in the world, often with as much as one million dollars in front of him. To every one of the 250 million people worldwide who play poker each year, Doyle Brunson, is the legendary Babe Ruth of Poker the greatest gambler and poker player who has ever lived.

Exploitative Play in Live Poker Reading Poker Tells

The tumultuous rags to riches, fame to fortune, dream to nightmare autobiography of the most volatile and colorful poker player in the world, fan and media favorite Mike "The Mouth" Matusow. This book has it all: drugs, sex, partying like a rock star, jail, suicidal depression, bipolar bouts and world championship poker. Mike "The Mouth" Matusow, one of the top professional poker players in the world (with over \$6 million in tournament earnings) has become more than just a household name. He's a favorite among the millions of television viewers who have come to count on his outrageously candid comments, emotional outbursts, and constant taunts that affirm the aptness of his nickname and make for great television theatre. A rags-to-riches success story, Matusow's life has been as much nightmare as it has been dream. His struggle with undiagnosed bipolar and ADHD disorders led to self-medication with illegal drugs, such as crystal meth and ecstasy, and a tumultuous descent in the drug-fueled Las Vegas club scene. As drug use turned to drug abuse, Matusow's descent, taking his multi-million dollar bankroll along, went on the downward spiral that led to an arrest for a narcotics buy and the specter of a ten-year prison term (subsequently plea bargained down to a six month jail sentence). The Mouth's story is a high stakes rollercoaster ride featuring an insider's view of some of the world's largest poker tournaments, unbearable depression and suicidal tendencies, the Las Vegas party scene, rock star-like excess, outrageous antics, drug abuse, jail, and, in many ways, salvation. And through the worst of it, Matusow's phenomenal talent and tenacity prevailed; there was never a year that Mike failed to make a final table in a World Series of Poker event. This memoir is funny, outspoken and brash, while humbly and painfully honest about the highs and lows of poker, life, and the odyssey of overcoming psychological illness in a bastion of pressure and temptation. There is also a foreword by Phil Hellmuth, 11-time World Series of Poker bracelet holder.

Many poker players can make good decisions at the table with a reasonable frequency. Nevertheless, there are numerous situations where even very experienced players behave in predictable ways. These deeply-ingrained habits lead them to make mistakes. The problem is that these situations won't often arise at the table by chance – you have to make them happen. *Exploitative Play in Live Poker* is a ground-breaking work that teaches you how to create the circumstances where your opponents will be likely to blunder and how to exploit them when they do. To achieve this you will need to put to one side starting hand charts, balance and GTO (Game Theory Optimal) play. Instead you will incorporate new concepts that may well place you outside your comfort zone. However, your style will now be forcing the other players at the table outside of

their comfort zone and, unlike you, they won't know how to adapt. Learn how to: Counter the auto-continuation-bettor Develop a powerful donk-betting strategy Use the overbet, the check-raise and the three-barrel effectively As well as being a highly successful player, Alex Fitzgerald runs a poker consultancy that serves more than 1,000 professional poker players in 60 countries. As part of this work, he has very likely trawled through more hand history databases than anyone else. This gives him a unique insight into how players really play, especially when placed under pressure and forced into unfamiliar situations.
