SAIGE BRIANNA	

This is Paris GeoPlaneta "Cortazar's masterpiece ... The first great novel of Spanish America" (The Times Literary Supplement) • Winner of the National Book Award for Translation in 1967, translated by Gregory Rabassa Horacio Oliveira is an Argentinian writer who lives in Paris with his mistress, La Maga, surrounded by a loose-knit circle of bohemian friends who call themselves "the Club." A child's death and La Maga's disappearance put an end to his life of empty pleasures and intellectual acrobatics, and prompt Oliveira to return to Buenos Aires, where he works by turns as a salesman, a keeper of a circus cat which can truly count, and an attendant in an insane asylum. Hopscotch is the dazzling, freewheeling account of Oliveira's astonishing adventures.

Killing Dragons Carolina Rambaldi

In a riveting narrative of daredevils and eccentrics, Fergus Fleming gives us the breathtaking story of some of history's greatest explorers as they conquer the soaring peaks of the Alps. Fleming recounts the incredible exploits of the men whose centuries-old fear of the mountain range turned quickly to curiosity, then to obsession, as they explored Europe's frozen wilderness. In the late eighteenth century French and Swiss scientists became interested in the Alps as a research destination, but in the 1850s the focus changed: the icy mountains now offered an all-out competition for British climbers who wanted to conquer ever higher and more impossible heights, and explorers fought each other on the peaks and in the press, entertaining a vast public smitten with their bravery, delighted by their personal animosities, and horrified by the disasters that befell them. "...excellent popular history, with its proper share of mad dogs and Englishmen....Fleming's rendition is dramatic and masterful." -- Anthony Brandt, National Geographic Adventure **Los lobos de Roma** Lonely Planet

The Historian's Craft Atlantic Monthly Press

Introduces the war beleaguered, resourceful people and describes the day-to-day life on one street in Sarajevo during the summer of 1995, and includes an epilogue of recent developments.

Razón y fe Pan Macmillan

This beautifully illustrated work brings together more than one hundred objects from the J. Paul Getty Museum's collection of European decorative arts. Included here is a generous selection of French and Italian furniture from the mid-sixteenth to the early nineteenth century. Masterpieces by André-Charles Boulle, Bernard (II) van Risenburgh, and others reveal the virtuoso craftsmanship that makes these objects such compelling examples of the furniture maker's art. Many of the Museum's finest pieces of porcelain, glass, and tin-glazed earthenware are also represented. Tapestries from Gobelins and Beauvais, bronze firedogs from Fontainebleau, and a lathe-turned ivory goblet of astonishing complexity from Saxony are among the other highlights of this handsome volume.

The New York Times Bestseller - Revised and Expanded "[An] earth-shaking exposé of clerical corruption" - National Catholic Reporter The arrival of Frédéric Martel's In the Closet of the Vatican, published worldwide in eight languages, sent shockwaves through the religious and secular world. The book's revelations of clericalism, hypocrisy, cover-ups and widespread homosexuality in the highest echelons of the Vatican provoked questions that the most senior Vatican officials--and the Pope himself--were forced to act upon; it would go on to become a New York Times bestseller. Now, almost a year after the book's first publication, Frédéric Martel reflects in a new foreword on the effect the book has had and the events that have come to light since it was first released. In the Closet of the Vatican describes the double lives of priests--including the cardinals living with their young "assistants" in luxurious apartments whilst professing humility and chastity--the cover-

up of numerous cases of sexual abuse; sinister scheming in the Vatican; political conspiracy overseas in Argentina and Chile, and the resignation of Benedict XVI. From his unique position as a respected journalist with uninhibited access to some of the Vatican's most influential people and private spaces, Martel presents a shattering account of a system rotten to its very core.

Little Ladybird John Wiley & Sons

El viajero quedará embelesado con sus obras maestras, sus bellos monumentos, sus amplias piazzas y sus evocadoras ruinas. Además, la ciudad rebosa de trattorias y restaurantes de diseño, populosos bares y glamurosas boutiques de moda, y la vida se vive con una cautivadora intensidad. Las nuevas guías De cerca, que mantienen el compromiso de Lonely Planet (investigar sin descanso al pie de calle para ser las mejores guías de viaje del mundo) se renuevan y buscan mejorarse. Algunas de las novedades que encontraréis en las nuevas guías de esta colección son: Ø Guía rápida, una sección para que los viajeros comiencen a descubrir lo mejor de su destino desde la primera páginaØ Una nueva estructura que permite usar la guía de una forma más fácil e intuitiva; hay más color y un diseño muy dinámico para que la guía se convierta en nuestras alas imprescindiblesØ Un capítulo que recoge las mejores experiencias, comidas, visitas, compras, etc. que la ciudad puede ofrecer, es decir, nuestro listado imprescindible para no perderse absolutamente nadaØ Toda la información necesaria para disfrutar de la ciudad como un local,

para ser original, para conocer la ciudad como si fuéramos de allí mismoØ Guía de supervivencia para salir de casa con todo lo que hay que saber y no perder el tiempo buscando datos básicos como el transporte o los descuentosØ Y, por supuesto, la cartografía muy cerca de la mano: un utilísimo mapa desplegable y mapas de cada uno de los barriosØ También rutas a pie y planes para cada día que un experimentado e independiente autor ha preparado para los lectores **Make the Most of Your Time in Britain** Ladybird Books

One of the twentieth century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

City Trails - London Apa Publications (UK) Limited

NEW YORK TIMES BESTSELLER USA TODAY BESTSELLER Amazon, Apple, Facebook, and Google are the four most influential companies on the planet. Just about everyone thinks they know how they got there. Just about everyone is wrong. For all that's been written about the Four over the last two decades, no one has captured their power and staggering success as insightfully as Scott Galloway. Instead of buying the myths these companies broadcast, Galloway asks fundamental questions. How did the Four infiltrate our lives so completely that they're almost impossible to avoid (or boycott)? Why does the stock market forgive them for sins that would destroy other firms? And as they race to become the world's first trillion-dollar company, can anyone challenge them? In the same irreverent style that has made him one of the world's most celebrated business professors, Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers. He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves, at a speed and scope others can't match. And he reveals how you can apply the lessons of their ascent to your own business or career. Whether you want to compete

with them, do business with them, or simply live in the world they dominate, you need to understand the Four.

Henry's Hat Getty Publications

The Merry Adventures of Robin Hood of Great Renown in Nottinghamshire is an 1883 novel by the American illustrator and writer Howard Pyle. Consisting of a series of episodes in the story of the English outlaw Robin Hood and his band of Merry Men, the novel compiles traditional material into a coherent narrative in a colorful, invented "old English" idiom that preserves some flavor of the ballads, and adapts it for children. The novel is notable for taking the subject of Robin Hood, which had been increasingly popular through the 19th century, in a new direction that influenced later writers, artists, and filmmakers through the next century
