Madame Bovary

This fish themed recipe book is 6x9 in size and features 120 pages of recipe paper with spots

for the name of the recipe, an ingredient list and notes about the recipe. Makes a great gift for any fisherman who also loves to cook the catch of the day!

Discover Carp Fishing

A truly in-depth look at how to fish for carp written by the 1996 World Carp Cup Champions, Discover Carp Fishing, is packed with information and advice on how to tackle even the most cunning of carp. Topics include: a detailed description of the carp itself and how to care for

the species; best tackle to use; tactical considerations such as casting, plumbings and locating fish; different baits, including making your own boilie recipes, and baiting strategies; rigs and knots; river carpings, big fish hunting and match fishing for carp. A superbly illustrated book, an encyclopaedia of carp fishing and the only guide the carp angler needs - you can't fail to learn from it!

English Mechanic and Mirror of Science and

Art

Devin Olsen explains how the techniques he has used to become a repeat medalist in fly fishing world can be adapted to everyday fly fishing situations. He covers strategies, tactics, and flies for rivers, small streams, and still waters, allowing anyone to fish more successfully by applying the approaches taken by competitive anglers.

Initially published in 1887, The Original White House

Cook Book is a cooking compendium penned by F. L. Gillette and Hugo Ziemann. The book is comprised of recipes, cooking techniques, etiquette instruction, household care, and cleanliness tips used in the White House. This historic book includes recipes by the first ladies Martha Washington, Mary Todd Lincoln, and many others, as well as historic menus for special occasions like Grant's Birthday and Washington's Wedding. The book was compiled

using the knowledge gained by Gillette in her years of cooking, as well as Ziemann's term as a White House steward and caterer. It rapidly became a bestseller after its publication and an essential cookbook in kitchens across America. The Original White House Cook Book includes more than five hundred recipes for soups, meats, vegetables, pastas, desserts, sandwiches, and more. Additionally, it includes hundreds of tips and tricks as well as a foreword written by John

Moeller, White House chef from 1992 to 2005.

Field & Stream

This exquisite novel tells the story of one of the most compelling heroines in modern literature-- Emma Bovary. "Madame Bovary has a perfection that not only stamps it, but that makes it stand almost alone; it holds itself with such a supreme unapproachable assurance as both excites and defies judgement." - Henry James Unhappily married to a devoted, clumsy provincial doctor, Emma revolts against the

ordinariness of her life by pursuing voluptuous dreams of ecstasy and love. But her sensuous and sentimental desires lead her only to suffering corruption and downfall. A brilliant psychological portrait, Madame Bovary searingly depicts the human mind in search of transcendence. Who is Madame Bovary? Flaubert's answer to this question was superb: "Madame Bovary, c'est moi." Acclaimed as a masterpiece upon its publication in 1857, the work catapulted Flaubert

to the ranks of the world's greatest novelists. This volume, with its fine translation by Lowell Bair, a perceptive introduction by Leo Bersani, and a complete supplement of essays and critical comments, is the indispensable Madame Bovary.

Bazaar Exchange and Mart, and Journal of the Household

First published in 1936, One Thousand Ways to Make \$1000 is the long out-of-print book that Warren Buffett's biographers credit with

shaping the legendary investor's business acumen and giving him his trademark appreciation of compound interest. After pulling a copy of One Thousand Ways off a library shelf at age eleven and devouring F.C. Minaker's plucky and practical business advice, Buffett declared that he would be a millionaire by the time he was 35.

Written in the immediate, conversational style of Dale Carnegie's How to Win Friends and Influence People, this book is full of inventive ideas on how to

make money through excellent salesmanship, hard work, and resourcefulness. While some of the ideas may seem quaint today—goat dairying, manufacturing motor-driven chairs, and renting out billiard tables to local establishments are among the money-making ideas presented—the underlying fundamentals of business explained in these pages remain as solid as they were over seventy years ago. Covering a wide spectrum of topics including investing,

marketing,
merchandising, sales,
customer relations, and
raising money for charity,
One Thousand Ways to

Make \$1000 is both a
durable, classic business
book and a fascinating
portrait of determined
entrepreneurship in

Depression-era America.
Every effort has been
made to reproduce the
content exactly as it was
originally presented.
