**Gossip ...** Wipf and Stock Publishers

Though his name might not be familiar to many twenty-first century readers, Laurence Whyte (d.1753) is an important missing link in eighteenth-century Ireland’s literary and musical histories. A rural poet who established himself in Dublin as a teacher of mathematics and as an active member (and poetic chronicler) of the much admired and supported Charitable Musical Society, Whyte was a poet of considerable talent and dexterity, and his body of work yields a wealth of insight into the intersecting cultures of his time and place. Published in 1740 and 1742, Whyte’s writing, by turns humorous and poignant, insightful and nostalgic, straddled the worlds of Gaelic and Anglo-Irish, of the rural midlands and the capital, of Catholic and Protestant. Some of the dualities explored in his verse were present, to varying extents, in the work of Jonathan Swift and Oliver Goldsmith. In matters poetical, political and cultural, Whyte is an important, though as yet neglected and unstudied, figure. This edition, comprehensively introduced and annotated, retrieves him from that neglect.

**American Women, 1935-1940: A-L** YesYes Books

The Edinburgh Companion to Contemporary Scottish Literature examines the ways in which the cultural and political role of Scottish writing has changed since the country's successful referendum on national self-rule in 1997. In doing so, it makes a convincing case for a distinctive post-devolution Scottish criticism. Introducing over forty original essays under four main headings - 'Contexts', 'Genres', 'Authors' and 'Topics' - the volume covers the entire spectrum of current interests and topical concerns in the field of Scottish studies and heralds a new era in Scottish writing, literary criticism and cultural theory. It records and critically outlines prominent literary trends and developments, the specific political circumstances and aesthetic agendas that propel them, as well as literature's capacity for envisioning new and alternative futures. Issues under discussion include class, sexuality and gender, nationhood and globalisation, the New Europe and cosmopolitan citizenship, postcoloniality,

**Edinburgh Companion to Contemporary Scottish Literature** John Wiley & Sons

This dazzling collection presents some of the most important women poets of the past 25 years.

**The Routledge Encyclopedia of Jewish Writers of the Twentieth Century** CALYX Books

As the title states, this book contains stories and poems about cats and dogs. It relates the joy and pleasure they brought to their owners and the grief experienced when their pet passes away. Pat has written these poems and stories, over time, about the animals’ life and after some of the animals passed on. The aim and purpose of the book is to help young people, starting with preteens, deal with grief through the reading of these stories and poems. It tells about the lives of these special cats and dogs. This is a self-help book of sorts. It is Pat’s hope that it will help preteens, teenagers, young adults, and even adults who have lost pets to know that others have also lost pets, how difficult it was, and how they dealt with the loss of the pet. Sometimes it helps when one pet dies to immediately get another one. That is sometimes difficult, as you feel no other pet can replace the one you lost. It is a blessing that many people rescue pets from the pound and animal shelters. There are also organizations that rescue dogs from being euthanized. Dogs and cats have meant much to many in different ways. They can be a therapy to senior citizens and shut-ins. They lift us up when we are having a bad day. The pets were given a good home. They were given love. They were like family. They gave unconditional love in return. The book includes pictures of the cats and dogs that go along with the stories and poems. For those of you who have had animals you loved and lost, other animal lovers can feel your pain. Hopefully, these poems and stories will serve to let you know others grieve as you do. You are not alone.

**The Collected Poems of Laurence Whyte** Pure Slush Books

A meditation on contemporary alienation and the processes by which every new technological advance seems to increase our isolation from each other, as the more connected we are the less we appear to know ourselves. Donnelly looks at the symbolic value of money, the dead language of economists and bankers and its shiny promises and slippery meanings. Accompanied by the Dante, Rimbaud and Paul Muldoon, he shows us a contemporary and violent vision of Hell in which `exchange rates slip like tectonic plates' and `the money is digesting itself'. Donnelly's first collection of poetry, Photons, was published by Appello Press in 2014.

**Poetry Breathes Life into Bible Characters** Detroit, Mich. : Gale Research Company

A compilation of current biographical information of general interest.

**Arkansas Review** Cambridge University Press

The former US Poet Laureate shares “fine poems that inspire us with poetry’s greatest gifts: the music of language and the force of wisdom” (Annie Dillard, Pulitzer Prize-winning author). Elephant Rocks, Kay Ryan’s third book of verse, shows a virtuoso practitioner at the top of her form. Engaging and secretive, provocative and profound, Ryan’s poems have generated growing excitement with their appearances in The New Yorker and other leading periodicals. Sometimes gaudily ornamental, sometimes Shaker-plain, here is verse that is compact on the page and expansive in the mind. “Kay Ryan makes it all fresh again with her highly original vision, her elegant, quirky craft. These poems look easy, but the deeper one delves, the more they astonish and astound.” —May Sarton, New York Times–bestselling author of At Eighty-Two “Kay Ryan works toward an exciting art, much less sparse than it looks. This is natural history seen from an angle of vision that Emerson and Dickinson would have approved. It refreshes me to find poems that require and reward rereading as much as these do.” —Harold Bloom, literary critic and author of The Bright Book of Life “The music of these poems is every bit as seductive as their reasoning. Her thinking flaunts the plush, irresistible textures of organic growth . . . Marvelous.”

—Boston Review “These poems show a poet who is terribly sly in her reckoning of our world.” —David St. John, author of The Last Troubadour: New and Selected Poems “So original, so astute, so pleasurable are the poems in this book, it wouldn’t be at all surprising if they’re still being read long after current critical fashions are dated.” —Poetry

**River Styx** Pure Slush Books

"In Edgewater, her powerfully moving and redemptive third collection, Ruth L. Schwartz writes with consummate passion, precision, and honesty of the raw hungers that give rise to the world, human and natural. In poems both lyrical and grit-laced, she grapples with her twofold, central question: How can we love fully, open-eyed and openhearted amid all the flaws and beauty, each other and the world? How could we not?" -- Jane Hirshfield "Ruth L. Schwartz will settle for nothing less than the essential. Her passionate poems are alive to the vulnerability of the body, the daily possibility of joy, and the deep struggle not only to make sense of, but to affirm a world where the terrorists 'opened fire: / as if it were a box, now cracked, / consuming its own lid and hinges, / sparking out, unstoppable, / into the tender, / flammable world. . . ." -- Mark Doty "Ruth L. Schwartz has reached a level of poetic maturity that we're used to seeing only in the best of our American poetry.... She assumes a public voice in these poems, which speak to us rather than at us in the way they offer moral solutions to the problems of our modern world. She does this ... by reaching after and trying to understand the natural world and her place therein, and by modulating her poems with a subtle, ghostly music which has the capacity to lull us into understanding more about ourselves and about the wonderful ambiguities of living life,most fully." -- Bruce Weigl

Scholars and Poets Talk About Queens is a lively and erudite collection, unusual in an especially appealing way. This collection of essays shows how queens were represented in the Middle Ages and Renaissance through primary accounts, chronicles, and literary representations. The book also contains modern poetry and short plays about these same queens, allowing readers to understand and appreciate them both intellectually and emotionally. Contributors study a wide range of queens including such famous and fascinating women as Queen Elizabeth I, Cleopatra, Hecuba, the Empress Matilda, Mary Stuart, Margaret of Anjou, Catherine of Aragon, and the pirate queen Grace O'Malley. By pairing scholarly essays with contemporary poems about them, the collection demonstrates the continued relevance and immediacy of these powerful and fascinating women.

*A Fierce Brightness* Penguin Random House New Zealand Limited

Thoughtful and meaty biography of Sir Howard Kippenberger - New Zealand war hero and all-round 'good bloke'. Sir Howard Kippenberger is widely acknowledged as the ideal of a New Zealand citizen-soldier and our foremost soldier-scholar; a country lawyer and provincial intellectual who became a national figure as New Zealanders made the transition from colonials to a forthright nationhood. As a military leader, editor and author he was one of the prime movers in that process. His democratic style of leadership reflected the ethos of a new nation - active, competent and engaged in the world in its own right, no longer a dependency of Britain A second-generation New Zealander, born in 1897, his military career was probably unique in that he was a 19 year old private soldier in one war and emerged in the next as the commander of choice of what was in effect a national army - the 2nd NZ Division - whenever the British-born (and trained) Bernard Freyberg was absent. Kip was never a regular officer; a part-time Territorial soldier in peacetime, with no formal British staff training, he stood in the line of the New Zealand self-made man. Hard-boiled ordinary New Zealanders at war truly admired and respected him, not only for his mastery of the business of fighting but because he was known for a very real and deep rapport with his soldiers and concern for their welfare; he "made men realise that here was one who thought more of them than of himself."

The extent to which American poetry reinvented itself after World War II is a testament to the changing social, political and economic landscape of twentieth-century American life. Registering an important shift in the way scholars contextualize modern and contemporary American literature, this Companion explores how American poetry has documented and, at times, helped propel the literary and cultural revolutions of the past sixty-five years. This Companion sheds new light on the Beat, Black Arts and other movements while examining institutions that govern poetic practice in the United States today. The text also introduces seminal figures like Sylvia Plath, John Ashbery and Gwendolyn Brooks while situating them alongside phenomena such as the 'academic poet' and popular forms such as spoken word and rap, revealing the breadth of their shared history. Students, scholars and readers will find this Companion an indispensable guide to post-war and late twentieth-century American poetry.

Pat's fifth book is a book of poems based on the lives of people in the Bible. She hopes these Bible poems will in some way bring to life information about each person, their faith, their strength, and for some, their failings. Just wherever the spirit has led her has been her way. She does not profess to be a Bible scholar. Her aim and hope is to use any talent she possesses to glorify God. She didn't start out with a plan about which person she would write about first. In the beginning, it was going to be about lives of women in the Bible, then it branched out to the men also. Many times she would hear a sermon or her sister or a friend would mention a Bible person, and she would then write a poem about that person. Or when writing about a particular person, she would then feel compelled to write about their spouse or someone connected to them. Her information was collected from the Bible and other sources. To make the verses all rhyme and still tell the story was another challenge. Her hope was to make it more interesting for a novice or for young people to understand. Many in this country have turned their backs on God. We have even been told, This is not a Christian nation. Believers in God have made this country great. Millions of lives have been sacrificed for our freedom. Sadly, as in the book of Jeremiah, we have become a divided country. Pat believes only if we turn back to God will our country remain great and free. May the pleasure of reading these poems about lives of people in the Bible bless each reader and bring to life the story of each Bible character.

[The Fox Film Corporation, 1915-1935](#) New York : Viking Press

In 1929, Hollywood mogul William Fox (1879-1952) came close to controlling the entire motion picture industry. His Fox Film Corporation had grown from a \$1600 investment into a globe-spanning \$300 million empire; he also held patents to the new sound-on-film process. Forced into a series of bitter power struggles, Fox was ultimately toppled from his throne, and the studio bearing his name would merge in 1935 with Darryl F. Zanuck's flourishing 20th Century Pictures. The 25-year lifespan of the Fox Film Corporation, home of such personalities as Theda Bara, Tom Mix, Janet Gaynor

and John Ford, is chronicled in this thorough illustrated history. Included are never-before-published financial figures revealing costs and grosses of Fox's biggest successes and failures, and a detailed filmography of the studio's 1100-plus releases, among them *What Price Glory?*, *Seventh Heaven* and the Oscar-winning *Cavalcade*.

Bringing together scholarship on multilingual and intercultural medieval Britain like never before, *The Encyclopedia of Medieval Literature in Britain* comprises over 600 authoritative entries spanning key figures, contexts and influences in the literatures of Britain from the fifth to the sixteenth centuries. A uniquely multilingual and intercultural approach reflecting the latest scholarship, covering the entire medieval period and the full tapestry of literary languages comprises over 600 authoritative yet accessible entries on key figures, texts, critical debates, methodologies, cultural and isotroical contexts, and related terminology Represents all the literatures of the British Isles including Old and Middle English, Early Scots, Anglo-Norman, the Norse, Latin and French of Britain, and the Celtic Literatures of Wales, Ireland, Scotland and Cornwall Boasts an impressive chronological scope, covering the period from the Saxon invasions to the fifth century to the transition to the Early Modern Period in the sixteenth Covers the material remains of Medieval British literature, including manuscripts and early prints, literary sites and contexts of production, performance and reception as well as highlighting narrative transformations and intertextual links during the period

[International Who's Who of Authors and Writers 2004](#) AuthorHouse

One of the most intriguing features of *The Assembly of Ladies*, an anonymous fifteenth-century Middle English poem, is that it has remained in print in anthologies for over 500 years. Why would a poem about courtly love remain so popular for so long? This book analyses the literary and historical publishing evidence about *The Assembly of Ladies*, to show that the poem has remained in print not for its literary merit, but because its anonymity has allowed it to be appropriated by editors for their own particular social and political causes. The book draws together textual, contextual, and intertextual evidence about all twenty editions of *The Assembly of Ladies*. By examining closely how and why a single text is or has been included in canonical traditions over time, this study not only reveals the material presence of the text in various traditions but also brings to the foreground the categories scholars continue to use while defining or imagining those traditions.

[Money is a Kind of Poetry](#) Harper Collins

Drawing on historical documents and newspaper reports, this book provides a fascinating portrait of a diverse group of character actresses who left their stamp on Hollywood from the early sound era through the 1960s. The lives of 35 actresses are explored in detail. Some are familiar: Margaret Hamilton starred in dozens of films before and after her signature role as the Wicked Witch in *The Wizard of Oz*; Una Merkel nearly died when her mother committed suicide in 1945. Others are nearly forgotten: Maude Eburne owed her career to a spectacular fall on the Broadway stage in 1914; Greta Meyer, who played the quintessential German maid, came to Hollywood after years in New York's Yiddish theater--though she wasn't Jewish.
