KOBE VANG

Sucker's Portfolio Random House

First published on the anniversary of Kurt Vonnegut's death, *Armageddon in Retrospect* is a collection of twelve new writings - a fitting tribute to the author, and an essential contribution to the discussion of war, peace and humanity's tendency towards violence. Imbued with Vonnegut's trademark rueful humour, the pieces range from a visceral non-fiction recollection of the destruction of Dresden - to a painfully funny short story about three soldiers and their fantasies of the perfect meal.

God Bless You, Dr. Kevorkian Dial Press

MASTER AND APPRENTICE The Force is strong in twelve-year-old Anakin Skywalker . . . so strong that the Jedi Council, despite misgivings, entrusted young Obi-Wan Kenobi with the mission of training him to become a Jedi Knight. Obi-Wan? like his slain Master Qui-Gon?believes Anakin may be the chosen one, the Jedi destined to bring balance to the Force. But first Obi-Wan must help his undisciplined apprentice, who still bears the scars of

slavery, find his own balance. Dispatched to the mysterious planet of Zonama Sekot, source of the fastest ships in the galaxy, Obi-Wan and Anakin are swept up in a swirl of deadly intrigue and betrayal. They sense a disturbance in the Force unlike any they have encountered before. It seems there are more secrets on Zonama Sekot than meet the eye. But the search for those secrets will threaten the bond between Obi-Wan and Anakin . . . and bring the troubled young apprentice face-to-face with his deepest fears?and his darkest destiny. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

A Man Without a Country Random House

A New York Times Notable Book from the acclaimed author of *Slaughterhouse-Five*, *Breakfast of Champions*, and *Cat's Cradle*. At 2:27pm on February 13th of the year 2001, the Universe suffered a crisis in self-confidence. Should it go on expanding indefinitely? What was the point? There's been a timequake. And everyone—even you—must live the decade between February 17, 1991 and February 17, 2001 over again. The trick is that we all

have to do exactly the same things as we did the first time—minute by minute, hour by hour, year by year, betting on the wrong horse again, marrying the wrong person again. Why? You'll have to ask the old science fiction writer, Kilgore Trout. This was all his idea.

Like Shaking Hands with God Rosetta Books

NATIONAL BESTSELLER • Foreword by Dave Eggers These previously unpublished, beautifully rendered works of fiction are a testament to Kurt Vonnegut's unique blend of observation and imagination. Here are stories of men and machines, art and artifice, and how ideals of fortune, fame, and love take curious twists in ordinary lives. An ambitious builder of roads fritters away his free time with miniature trains—until the women in his life crash his fantasy land. Trapped in a stenography pool, a young dreamer receives a call from a robber on the run, who presents her with a strange proposition. A crusty newspaperman is forced onto a committee to judge Christmas displays—a job that leads him to a suspiciously ostentatious ex-con and then a miracle. Featuring a Foreword by Dave Eggers, *While Mortals Sleep* is a poignant reflection of our world as it is and as it could be. Includes the following stories: "Jenny" "The Epizootic" "Hundred-Dollar Kisses" "Guardian of the Person" "With His Hand on the Throttle" "Girl Pool" "Ruth" "While Mortals Sleep" "Out, Brief Candle" "Tango" "Bomar" "The Man Without No Kiddleys" "Mr. Z" "\$10,000 a Year, Easy" "Money Talks" "The Humbugs" Praise for *While Mortals Sleep* "Immensely readable and thoroughly entertaining."—The Washington Post "Taut, concise . . . The stories set themselves up with neat swiftness, proceed at a clip, and shut down with equal speed, [showing Vonnegut] honing

his skills in structure and satire."—Los Angeles Times "A lovely reminder of the mischievous moral voice we lost when we lost Kurt Vonnegut."—San Francisco Chronicle "These stories were all good when they were written decades ago, but many strike me as great now. Never has the voice of Kurt Vonnegut, humanist and humorist, been more relevant."—The Seattle Times "There's something distinctly timeless about Vonnegut's vision."—Minneapolis Star-Tribune

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY

Newsweek/The Daily Beast • The Huffington Post • Kansas City Star • Time Out New York • Kirkus Reviews This extraordinary collection of personal correspondence has all the hallmarks of Kurt Vonnegut's fiction. Written over a sixty-year period, these letters, the vast majority of them never before published, are funny, moving, and full of the same uncanny wisdom that has endeared his work to readers worldwide. Included in this comprehensive volume: the letter a twenty-two-year-old Vonnegut wrote home immediately upon being freed from a German POW camp, recounting the ghastly firebombing of Dresden that would be the subject of his masterpiece *Slaughterhouse-Five*; wry dispatches from Vonnegut's years as a struggling writer slowly finding an audience and then dealing with sudden international fame in middle age; righteously angry letters of protest to local school boards that tried to ban his work; intimate remembrances penned to high school classmates, fellow veterans, friends, and family; and letters of commiseration and encouragement to such contemporaries as Gail Godwin, Günter Grass, and Bernard Malamud. Vonnegut's unmediated

observations on science, art, and commerce prove to be just as inventive as any found in his novels—from a crackpot scheme for manufacturing “atomic” bow ties to a tongue-in-cheek proposal that publishers be allowed to trade authors like baseball players. (“Knopf, for example, might give John Updike’s contract to Simon and Schuster, and receive Joan Didion’s contract in return.”) Taken together, these letters add considerable depth to our understanding of this one-of-a-kind literary icon, in both his public and private lives. Each letter brims with the mordant humor and openhearted humanism upon which he built his legend. And virtually every page contains a quotable nugget that will make its way into the permanent Vonnegut lexicon. • On a job he had as a young man: “Hell is running an elevator throughout eternity in a building with only six floors.” • To a relative who calls him a “great literary figure”: “I am an American fad—of a slightly higher order than the hula hoop.” • To his daughter Nanny: “Most letters from a parent contain a parent’s own lost dreams disguised as good advice.” • To Norman Mailer: “I am cuter than you are.” Sometimes biting and ironical, sometimes achingly sweet, and always alive with the unique point of view that made him the true cultural heir to Mark Twain, these letters comprise the autobiography Kurt Vonnegut never wrote. Praise for Kurt Vonnegut: Letters “Splendidly assembled . . . familiar, funny, cranky . . . chronicling [Vonnegut’s] life in real time.”—Kurt Andersen, *The New York Times Book Review* “[This collection is] by turns hilarious, heartbreaking and mundane. . . . Vonnegut himself is a near-perfect example of the same flawed, wonderful humanity that he loved and despaired over his entire life.”—NPR “Congenial, whimsical and often insightful missives . . . one of

[Vonnegut’s] very best.”—*Newsday* “These letters display all the hallmarks of Vonnegut’s fiction—smart, hilarious and heartbreaking.”—*The New York Times Book Review*
Slaughterhouse-Five Dial Press Trade Paperback
 “Richly and often pertinently funny [with] a sure instinct for the carefully considered irrelevance . . . a great deal of incidental hilarity [and] inspired idiocy.”—*The New York Times* Happy Birthday Wanda June was Kurt Vonnegut’s first play, which premiered in New York in 1970 and was then adapted into a film in 1971. It is a darkly humorous and searing examination of the excesses of capitalism, patriotism, toxic masculinity, and American culture in the post-Vietnam War era. Featuring behind-the-scenes photographs from the original stage production, this play captures Vonnegut’s brilliantly distinct perspective unlike we have ever seen it before. “A great artist.”—*The Cincinnati Enquirer*

While Mortals Sleep Shinebox Digital Publishing
 A collection of novellas from the *New York Times*-bestselling author—“arguably America’s foremost master of the novella . . . A force of nature on the page” (*The Washington Post*). The Mark Twain Award-winning author of *Legends of the Fall* delivers three novellas that highlight his phenomenal range as a writer, shot through with his trademark wit and keen insight into the human condition. Harrison has fun with his own reputation in the title novella, about an aging writer in Montana who weathers the slings and arrows of literary success and tries to cope with the sow he buys on a whim and the unplanned litter of piglets that follows soon after. In *Eggs*, a Montana woman reminisces about collecting eggs at her grandparents’ country house. Years later,

having never had a child, she attempts to do so. And in *The Case of the Howling Buddhas*, retired Detective Sunderson—a recurring character from Harrison’s New York Times bestseller *The Great Leader and The Big Seven*—is hired to investigate a bizarre cult that achieves satori by howling along with howler monkeys at the zoo. “Still independent, fierce and feral,” *The Ancient Minstrel* confirms Jim Harrison as one of the most cherished and important writers in modern America (David Gates, *The New York Times*).

Fates Worse Than Death Random House

At once funny, wistful and unsettling, *Sum* is a dazzling exploration of unexpected afterlives—each presented as a vignette that offers a stunning lens through which to see ourselves in the here and now. In one afterlife, you may find that God is the size of a microbe and unaware of your existence. In another version, you work as a background character in other people’s dreams. Or you may find that God is a married couple, or that the universe is running backward, or that you are forced to live out your afterlife with annoying versions of who you could have been. With a probing imagination and deep understanding of the human condition, acclaimed neuroscientist David Eagleman offers wonderfully imagined tales that shine a brilliant light on the here and now.

Welcome to the Monkey House: The Special Edition

Perfection Learning

“Some of the best and most moving Vonnegut.”—San Francisco Chronicle Slapstick presents an apocalyptic vision as seen through the eyes of the current King of Manhattan (and last President of the United States), a wickedly irreverent look at the all-too-possible results of today’s follies. But even the end of life-

as-we-know-it is transformed by Kurt Vonnegut’s pen into hilarious farce—a final slapstick that may be the Almighty’s joke on us all. “Both funny and sad . . . just about perfect.”—Los Angeles Times “Imaginative and hilarious . . . a brilliant vision of our wrecked, wacked-out future.”—Hartford Courant

Wampeters, Foma & Granfalloon Delacorte Press

The story of Kurt Vonnegut and *Slaughterhouse-Five*, an enduring masterpiece on trauma and memory Kurt Vonnegut was twenty years old when he enlisted in the United States Army. Less than two years later, he was captured by the Germans in the single deadliest US engagement of the war, the Battle of the Bulge. He was taken to a POW camp, then transferred to a work camp near Dresden, and held in a slaughterhouse called *Schlachthof Fünf* where he survived the horrific firebombing that killed thousands and destroyed the city. To the millions of fans of Vonnegut’s great novel *Slaughterhouse-Five*, these details are familiar. They’re told by the book’s author/narrator, and experienced by his enduring character Billy Pilgrim, a war veteran who “has come unstuck in time.” Writing during the tumultuous days of the Vietnam conflict, with the novel, Vonnegut had, after more than two decades of struggle, taken trauma and created a work of art, one that still resonates today. In *The Writer’s Crusade*, author Tom Roston examines the connection between Vonnegut’s life and *Slaughterhouse-Five*. Did Vonnegut suffer from Post-Traumatic Stress Disorder? Did Billy Pilgrim? Roston probes Vonnegut’s work, his personal history, and discarded drafts of the novel, as well as original interviews with the writer’s family, friends, scholars, psychologists, and other novelists including Karl Marlantes, Kevin Powers, and Tim O’Brien. *The Writer’s Crusade*

is a literary and biographical journey that asks fundamental questions about trauma, creativity, and the power of storytelling. Armageddon in Retrospect Farrar, Straus and Giroux

Worlds collide in this true story of weather control in the Cold War era and the making of Kurt Vonnegut In the mid-1950s, Kurt Vonnegut takes a job in the PR department at General Electric in Schenectady, where his older brother, Bernard, is a leading scientist in its research lab--or "House of Magic." Kurt has ambitions as a novelist, and Bernard is working on a series of cutting-edge weather-control experiments meant to make deserts bloom and farmers flourish. While Kurt writes zippy press releases, Bernard builds silver-iodide generators and attacks clouds with dry ice. His experiments attract the attention of the government; weather proved a decisive factor in World War II, and if the military can control the clouds, fog, and snow, they can fly more bombing missions. Maybe weather will even be the "New Super Weapon." But when the army takes charge of his cloud-seeding project (dubbed Project Cirrus), Bernard begins to have misgivings about the harmful uses of his inventions, not to mention the evidence that they are causing alarming changes in the atmosphere. In a fascinating cultural history, Ginger Strand chronicles the intersection of these brothers' lives at a time when the possibilities of science seemed infinite. As the Cold War looms, Bernard's struggle for integrity plays out in Kurt's evolving writing style. The Brothers Vonnegut reveals how science's ability to influence the natural world also influenced one of our most inventive novelists.

God Bless You, Dr. Kevorkian Seven Stories Press

Few authors have had as much influence on the youth of America

than Kurt Vonnegut, Jr. He brought morality and humanism to the forefront of millions of minds and into the mind of one man in particular. Author, documentary filmmaker, and longtime Huffington Post contributor, Bryan Young has been a lifelong fan and student of Vonnegut's. God Bless You, Mr. Vonnegut is his love letter to the late writer, collecting essays, short stories, and other material written over the last ten years, all of it about, or directly inspired by, Vonnegut. From Huffington Post: Young displays here both his depth as a writer and passion for the art itself--much of which he traces back to Kurt Vonnegut. In a chapter devoted to teachers, Young recounts both experiences in his own public schooling and his feelings for Vonnegut as a passive teacher of sorts. Young also touches on the incredibly personal and political, recounting painful dealings with the US "health care system." There's a little bit of everything in here. And something for everyone. And at \$3.99, it's hard to go wrong. The Writer's Crusade Dial Press

Like Shaking Hands with God details a collaborative journey on the art of writing undertaken by two distinguished writers separated by age, race, upbringing, and education, but sharing common goals and aspirations. Rarely have two writers spoken so candidly about the intersection where the lives they live meet the art they practice. That these two writers happen to be Kurt Vonnegut and Lee Stringer makes this a historic and joyous occasion. The setting was a bookstore in New York City, the date Thursday, October 1, 1998. Before a crowd of several hundred, Vonnegut and Stringer took up the challenge of writing books that would make a difference and the concomitant challenge of living from day to day. As Vonnegut said afterward, ""It was a

magical evening." A book for anyone interested in why the simple act of writing things down can be more important than the amount of memory in our computers.

Kurt Vonnegut Createspace Independent Publishing Platform

All the qualities that make Vonnegut an inimitable voice permeate this book of 30+ vignettes. His "interviews" in this humorous look at death are with such late luminaries as Sir Isaac Newton, Clarence Darrow, and William Shakespeare.

God Bless You, Mr. Vonnegut Dial Press Trade Paperback

A never-before-seen collection of deeply personal love letters from Kurt Vonnegut to his first wife, Jane, compiled and edited by their daughter "A glimpse into the mind of a writer finding his voice."—The Washington Post "If ever I do write anything of length—good or bad—it will be written with you in mind." Kurt Vonnegut's eldest daughter, Edith, was cleaning out her mother's attic when she stumbled upon a dusty, aged box. Inside, she discovered an unexpected treasure: more than two hundred love letters written by Kurt to Jane, spanning the early years of their relationship. The letters begin in 1941, after the former schoolmates reunited at age nineteen, sparked a passionate summer romance, and promised to keep in touch when they headed off to their respective colleges. And they did, through Jane's conscientious studying and Kurt's struggle to pass chemistry. The letters continue after Kurt dropped out and enlisted in the army in 1943, while Jane in turn graduated and worked for the Office of Strategic Services in Washington, D.C. They also detail Kurt's deployment to Europe in 1944, where he was taken prisoner of war and declared missing in action, and his eventual safe return home and the couple's marriage in 1945.

Full of the humor and wit that we have come to associate with Kurt Vonnegut, the letters also reveal little-known private corners of his mind. Passionate and tender, they form an illuminating portrait of a young soldier's life in World War II as he attempts to come to grips with love and mortality. And they bring to light the origins of Vonnegut the writer, when Jane was the only person who believed in and supported him supported him, the young couple having no idea how celebrated he would become. A beautiful full-color collection of handwritten letters, notes, sketches, and comics, interspersed with Edith's insights and family memories, *Love, Kurt* is an intimate record of a young man growing into himself, a fascinating account of a writer finding his voice, and a moving testament to the life-altering experience of falling in love.

Slapstick or Lonesome No More! Seven Stories Press

A previously unpublished collection of six brief fiction stories, one non-fiction essay, and an unfinished science-fiction short story.

Unstuck in Time Dial Press Trade Paperback

Gathers interviews with Vonnegut from each period of his career and offers a brief profile of his life and accomplishments.

The Petrified Ants (Stories) Penguin

Here for the first time is the complete short fiction of one of the twentieth century's foremost imaginative geniuses. More than half of Vonnegut's output was short fiction, and never before has the world had occasion to wrestle with it all together. Organized thematically—"War," "Women," "Science," "Romance," "Work Ethic versus Fame and Fortune," "Behavior," "The Band Director" (those stories featuring Lincoln High's band director and nice guy George Hemholtz), and "Futuristic"—these ninety-eight stories

were written from 1941 to 2007, and include those Vonnegut published in magazines and collected in *Welcome to the Monkey House*, *Bagombo Snuff Box*, and other books; here for the first time five previously unpublished stories; as well as a handful of others that were published online and read by few. During his lifetime Vonnegut published fewer than half of the stories he wrote, his agent telling him in 1958 upon the rejection of a particularly strong story, "Save it for the collection of your works which will be published someday when you become famous. Which may take a little time." Selected and introduced by longtime Vonnegut friends and scholars Dan Wakefield and Jerome Klinkowitz, *Complete Stories* puts Vonnegut's great wit, humor, humanity, and artistry on full display. An extraordinary literary feast for new readers, Vonnegut fans, and scholars alike. *We Are What We Pretend To Be* Simon and Schuster
'Although it is set in the near future, *Hocus Pocus* is the most

topical, realistic Vonnegut novel to date, and shows the struggle of an artist a little impatient with allegory and more than a little impatient with his own country' - *New York Times Book Review*
Some get all the luck - but not Eugene Debs Hartke. Ex-Vietnam vet, ex-college professor, and now a TB-stricken inmate at Tarkington State Reformatory, his life has been warped by one ludicrous farce after another. Here, on scraps of paper pilfered from the prison library, he recounts his own story for posterity, revealing the hypocrisy and injustices of a world that just doesn't want him to thrive.

Deadeye Dick Dial Press Trade Paperback

The phenomenal "New York Times" bestseller that has the world talking--a practical guide for the terminally ill to dying with dignity through assisted suicide. Finally available in paperback, this considerate book is for mature adults who are considering the option of ending their lives because of unbearable pain or terminal illness. Copyright © Libri GmbH.
