Paul wants Sean but settles for Richard. Sean only has eyes for Lauren who pines for absent Victor. Author Bret Easton Ellis trains his gaze on the students at self-consciously bohemian Camden College. He treats their sexual posturings and agonies with a mixture of acrid hilarity and genuine compassion, while exposing the moral vacuum at the center of their lives.

FLORIDA BACKROADS TRAVEL takes you off the beaten path on day trips to the quieter roads that defined the state in earlier years. Millions of people visit Florida every year and never really see it. Things look pretty much the same from the interstate highways and toll roads. You see the same old billboards, gas stations, chain restaurants and tacky tourist trips all along your heavily traveled route. This book will rescue you from interstate monotony and take you to what is called Old Florida, a part of the fastest growing state that is still a place of serenity, natural wonders and historic places. There are eight geographic regions in Florida and the book is organized by regions. The lengthy table of contents allows you to click on anything that interests you in any of the regions. The book covers historic towns, beaches, state parks and other places of interest. If a town has a good restaurant, the book will mention it along with some favorite lodging choices. Each regional section of the book has maps of recommended day trips with driving routes plainly marked.

FLORIDA BACKROADS TRAVEL will show you where the best beaches are. You will also learn about Florida State Parks. These parks are quiet treasures that will make your visit even more interesting. The book doesn't spend much time on the major tourist attractions like Walt Disney World, Universal Studios and SeaWorld although it gives you enough information to find your way around those places. The towns and country roads are the best attractions, along with some of the lesser known places such as Florida wineries. Many people don't realize Florida has wineries, but it does. This book will introduce you to wineries where you can see how the wine is made and taste it on the spot. Florida heritage and history is an important part of the state culture so each section of the book has a brief regional history. The book also tells you about Florida festivals, including art shows and musical events, and gives you times and places so you can enjoy them during your visit. You will also find a list of all 1,300 Florida heritage sites divided among the individual regions. The book is written by Mike Miller, a Florida resident since 1960. Mike is a graduate civil engineer from the University of Florida and has traveled all over the state on both business and pleasure. He writes for and publishes his own website, Florida-Backroads-Travel.com and has authored 17 books on Florida travel subjects. World of Wanderlust Lonely Planet The Best and Most Unique Sicily Travel Guide This book useful guide will help you to discover one of the most beautiful islands of Italy. Read to find out the essential reasons why you should consider choosing Sicily for your next holiday: the great cultural heritage, the buildings dating from the times of Greeks and the incredible cultural

events. You will be provided essential information on how to travel to Sicily on a budget. You will be taught how to actually save money on your trip, while enjoying yourself to the fullest. For example, you will be given information on the Sicily tourist cards, providing discounts and free entries to an important number of tourist attractions on the island. In the next chapter, you will be presented with information on the travel basics, such as the methods of transportation you can use in order to arrive to Sicily. This guide will also offer details on the transportation opportunities that you have on the island. You will find out, for example, that the bus is the most used method of transportation, by tourists and residents alike. You can then move on to the sixth chapter, in which you will find ten of the best hotels and restaurants in Sicily. The great thing is that a lot of these provide you with the opportunity to taste authentic, Sicilian cuisine, with an almost rustic taste. Imagine sampling local dishes that are made with fresh and locally-grown ingredients. If you like cultural events, you will surely adore the cultural opportunities that Sicily has to offer. You will find the rich calendar of cultural events presented in detail in the seventh chapter. Prepare your journey according to these events, making the most out of your time on the island. And, as no journey is complete without some shopping, make sure you read the eighth chapter, dedicated to the shopping opportunities available in Sicily. Find all about crafts and antique markets, designer shops, shopping malls and outlet villages. Instead of a boring conclusion, discover a beautiful portrait of Sicily, providing you with some last information on why you should choose this destination in particular. Experience

a whole new world when you come and visit Sicily. In this total guide you will find: Areas covered: History lessons/Best museums/Surfing/Adventure land off road trips/Wildlife spotting/ Sicily neighborhood/Medical Tourism/Learn Italian in Sicily /Cooking and drinking/ Accommodation/Staying safe/Music/Festivities - General Information of each area - Area Transportation (how to get around i.e. car, bus, taxi, train, bicycle, etc. and how much it would cost) - Sightseeing (Best Sights to See, Off the Beaten Path) - Best shopping (where are the major shopping districts and what they are known for) - Bargain Alternatives (where the locals shop to avoid the high tourist crowds) - Things to do (recreation outdoor, indoor, events and festivals) - Local Food Specialties - Farmer's and Fish (Meat) Markets (Locations, dates and times of various markets) - Language, Political and Etiquette Considerations (What the average tourist should know and how to get along with the locals.
